Happy New Year!

Manager's Minute by Daryl Genzer

I would like to thank all our members for allowing us to serve you over the past year — and many years for many of you! The staff and I appreciate your membership and being a part of your home away from home. We have a tremendous amount of work to do in the coming year and face numerous challenges to overcome, but with dedication, creativity, and membership support, I know we can succeed. The list of challenges and projects is lengthy, and the order of importance we have placed on them will not placate everyone. But, prioritizing the list must be done in a way that benefits the club and membership as a whole, so that success in overcoming that challenge is beneficial to the majority. Approaching each challenge or project in this way, and achieving success, will provide a synergy for more efficiently accomplishing the next goal, and we hope to accomplish many goals for the coming year. Thank you again, and I wish everyone a Happy New Year and a blessed and prosperous 2019!

The MGA Sponsored Toys for Tots Drive and Golf Tournament was a huge success, thanks to an abundance of gifts donated by many of our club members and the event participants. Thank you all, for your generosity this holiday season! The event was postponed for a week and the Marine's were on orders, but one of the local Marines was able to come by to get the toys. Here's the email directly from MGA President, Fermin Munoz:

Hello Daryl,

Attached is a picture of one of the U.S. Marines accepting the toys collected by the MGA. A huge thanks to all that donated! We exceeded our goal of 60 toys by a bunch! The bed of my pickup was completely full. Our members' generosity will make many less fortunate children very Happy this Holiday Season. Thank you and Merry Christmas!

Good Golfing,

Fermin
MGA President
