

## **Leadership/Arizona Mission Training**

### **December 2024**

"Leading by example is one of the most powerful ways to inspire others. Whether through your actions, words, or attitude, showing others what is possible can have a profound impact." Ginny Chaput, Eastern Division Chairman

The best leaders are the ones who show up on time, get their hands dirty and get things done. The Auxiliary has a lot of those members, think about who may fit that description in your Unit/District. Don't be afraid to join in, or wait to be asked. Our Units work hard to benefit our programs and it takes a lot of planning and just being there to complete the job.

The Leadership team tries to inspire and lead by example by holding the Arizona Mission Training sessions. I dare you to come away from one of the sessions without being inspired, perhaps to try something new, to pass on learned knowledge and getting to know one another. If you want to learn more about the American Legion Auxiliary think about the National ALA Mission Trainings and National Junior Meetings. Our Western Division meeting is held in Las Vegas, NV on February 1, 2025. You will learn a lot about the programs and meet National leaders.

The schedule for the Department of Arizona Mission Trainings is now on our department website: [aladeptaz.org](http://aladeptaz.org). along with whom to contact if you wish to attend any of them. Thank you, Deb Munchbach for doing this.

Please contact me if you wish to schedule a training. Our Leadership Team work together to see that your needs will be met. You should have a selected date with an alternative date, minimum of 10 members. The cost is \$10 each which is sent to the Department office along with list of attendees 10 days prior to the training.

I wish you wonderful Happy Holidays and New Year filled with all that you wish for.
