

5

THINGS TO KNOW ABOUT BEING PREPARED FOR A HURRICANE

1

Writing down your plan will ensure you don't make mistakes when faced with an emergency.

2

Document all of your valuables and possessions with a camera or video camera well before the storm.

3

Gather all vital documents, like passports and medical records, and put them somewhere that you can quickly access.

4

Make planning and preparedness a family affair to ensure everyone knows what to do.

5

It does NOT matter how many hurricanes are forecast for this year. It only takes one storm.
