

The meeting was called to order my Biz, with the pledge of alliance and a moment of silence for the troop.

No secretary report.

Connie read treasury report, Cari made motion to approve, Biz second, all approve.

The only thing we need is people to show up. We need others to step up. We discussed the board meeting and electing new officers.

Connie will be stepping down as treasurer.

The new officers will take over their position in February.

Tiny it was nice to see you again, sorry no better half with you or with Abe.

We talked about the BIKE ticket sales and about turning them in.

We have invited Region 16 and any other that would like to join us to come and sit in on all meeting. They need to show us that they want to keep ABATE alive. We need members that are active with ABATE to show they care.

Terry
