CRUSADER COMMUNICATIONS

Crusaders!

I sure hope we all are looking forward to our 3-day weekend and come back ready for another short but busy week. That being said, I will keep this short and to the point. As most already know, we have an important school survey that we would like to have as many families participate in taking as possible. With two weeks left for the survey being open, we hope that many of you will consider filling it out and asking other families you know to do so as well. We understand that the survey will take a short period to complete, it is still so important to have it completed so that we can compile as much information as possible about our school in many different areas. Please find the flier attached in this email, click on the QR code, and complete the survey. At the end you can enter to win a \$100 gift card, as a thank you for your time and honest feedback.

I am currently working through the numbers, requirements, and updates to our Application and Registration process. Hoping that by the end of the month or earlier it will be open to all families to register for the 2024-2025 school year. Always the reminder about applying for the Diocese Grant & Aid, which then opens up the opportunity for applying for SRM specific tuition assistance. The due date for the Grant & Aid application is April 15th, 2024...do not delay in sending in your application. So many great things are happening on our campus to support the learning atmosphere and culture that is such a strong tradition of SRM. From fundraising to help our 5th/6th grade students attend a 3-day Science Astrocamp, the Lenten Retreat, Stations of the Cross, and so much more, I cannot thank our staff, parents, and community support that keeps all of these things relevant and possible. I truly am thankful and blessed to see all of the great deeds, experiences, and growth happening every day.

Please read through the entire "Communication" before moving on to completing the survey if you have not already!

Blessings,

Kim Hodges
