

**ROY TRANSPORTATION BENEFIT DISTRICT**  
**2018**  
**REPORT OF STATUS OF TRANSPORTATION IMPROVEMENTS**  
fulfilling the requirement set forth in RCW 36.73.160(2)

Status of transportation improvement costs

The Roy City Council approved 2018 Transportation Benefit District projects on September 25, 2017:

OPERATIONS AND MAINTENANCE for streets included on the City of Roy's Six Year Comprehensive Transportation Improvement Program for the years 2019-2024:

1. \$6,000 to hire a contractor to make one trip to patch potholes as needed  
*The state Transportation Improvement Board awarded a grant for more permanent repairs to the most critical areas; therefore, no contractor was hired in 2018.*
2. \$2,000 to replace missing, damaged or faded street signs  
*The City purchased necessary traffic sign components without using District funding.*

CONSTRUCTION for projects included on the City of Roy's Six Year Comprehensive Transportation Improvement Program for the years 2019-2024:

The list of projects included setting aside \$6,600 to reserve matching funds for a future grant project.

Transportation improvement expenditures

2018 expenditures were \$760.80 for the District's state audit for the years 2015-2017, and \$.71 for copies.

Revenues

The Washington State Department of Licensing collected \$20 vehicle fees and distributed revenue after retaining a fee of 1%. The City of Roy received \$17,582.40 in fees and \$534.22 in interest for the District in 2018.

Construction schedules

No construction project was scheduled.
