

**Legal Update**  
**June 30, 2010**

Attorneys for the Pappas and HNOA (Metschan in attendance) met before Judge Roll June 30. HNOA sought designation as a "prevailing party" and thus eligible to recover legal expenses. Pappa objects to that designation. The matter must be resolved at trial now scheduled for Nov. 9. HNOA intends to file a petition for summary judgment well before that date.
