Dr. Goodman has practiced medicine in Savannah since 1997, and co-founded Coastal Allergy & Asthma, P.C. and AeroAllergy Research Laboratories of Savannah, Inc. in 1999. Dr. Goodman has lectured and published extensively on topics related to allergy, asthma, and other immunological disorders. Dr. Goodman is a Fellow of the American Academy of Allergy, Asthma, & Immunology, the American College of Allergy Asthma & Immunology, and the American Association of Pediatrics, and is also a member of the Southeastern Allergy Association, the Medical Association of Georgia, and the Joint Council of Allergy, Asthma, and Immunology. Dr. Goodman is one of the few physicians in the region to become a Certified Principal Investigator for ethical standards and practices in clinical research. Dr. Goodman is currently Clinical Assistant Professor of Pediatrics for Mercer University School of Medicine, Savannah Campus at Memorial Health University Medical Center.
