

## **Certifications:**

### **Jason Weaver**

- • Arkansas Certified Firefighter I/II
- • Swiftwater Rescue Technician, HMR
- • Rope Rescue Operations, HMR
- • HAZMAT Operations, AFA
- • Arkansas Emergency Medical Technician
- • Officer I, AFA
- • Instructor I, AFA

## **Background:**

I've been a member of the Russellville Fire Dept. since 2011, where I hold the rank of Firefighter. I currently have been assigned operation and maintenance responsibilities of the Russellville Fire high angle rescue team. In 2015 I helped train Russellville Fire Dept.'s newest members of our high angle rescue team, and also acquired the Russellville Fire certification of Rope Rescue Technician.

In addition, I have also served in my hometown on the Clarksville Fire Dept. since 2005, where I hold the rank of Captain.

## **Rescue Experience:**

In both departments I serve, I have participated in countless rescues involving auto extrications, swiftwater rescues, and high angle rescues.
