

EARLY FOUNDATIONISTS TO&E

**STRIKE LEGION:
PLANETARY
OPERATIONS**

This Data Cards set was created for use with Microworld Games' Foundationists line of miniatures. Please visit the Microworld games website (<http://www.MicroworldGames.com>) for vehicle images and more information about the Foundationists.

The units in this Data Card set represent Foundationist forces earlier in their technological development cycle. They may be used alongside the previous Foundationist Data Cards to represent second-line troops and equipment or as an entity unto themselves.

Use the organizational and Troop Quality/C3 information from the 'original' SLPO Foundationists Data Card set when fielding troops represented in this set.
