Orlandi Flight Center
Blairstown Airport
36 Lambert Rd
Blairstown, NJ 07825

Dear Orlandi Flight Center:

We would like to thank you and your students for participating in the 2015 Flight Training Poll and Flight Training Excellence Awards. In our fourth year, we are happy to report that we received over 7,300 customer reviews, resulting in feedback for 788 individual schools and 1533 flight instructors. The Flight Training Excellence Poll and Flight Training Excellence Awards have allowed AOPA to identify and recognize the highest levels of achievement in the flight training community, with the goal of encouraging others to adopt similar characteristics of success.

We commend and congratulate you for earning a spot in the 2015 Flight Training Excellence Awards as an Outstanding Flight School. Included with this letter you will find a window decal, patch, and commemorative plaque to recognize your achievement. We hope you display this recognition proudly. Additionally, you should have received the email I sent out in late October informing you of your award. That email also had a template press release and electronic files of the Outstanding Flight School logo to help you promote your achievement. If you did not receive that email, please feel free to contact me and I will send it out. Thank you for creating a positive flight training experience for your students. We look forward to your encouragement of participation in the 2016 poll opening this spring.

This year, we are working to compile individual reports of the data that was collected through the poll. If you are interested in being a part of our initial testing in providing a "report card" summary of your poll results, please let me know at the email address listed below.

To learn more about the 2015 poll: flighttraining.aopa.org/poll

For more information about the awards resulting from the poll: flighttraining.aopa.org/awards

Please let me know if you have any questions and congratulations!

Sincerely,

A handwritten signature in black ink, appearing to read "Chris Moser", with a long horizontal line extending to the right.
