

GEORGIA LIONS CAMP CENTURY CLUB

WHAT IS THE CENTURY CLUB?

The Century Club is a way for you to help blind and visually impaired children have a recreational summer camp experience designed especially for them, which will help develop their self-confidence and leadership skills. You will be helping the camp managers offer a fun experience often denied them in a sighted world, enabling them to do things they have never been able to do before.

The costs of our summer camp are ongoing. By joining the Century Club, businesses, and individuals like yourself may help guarantee that the Georgia Lions Camp is fully funded and able to serve the visually impaired community on a continual basis. A Century Club member is recognized as one who is willing to give financial support as testimony of his or her belief in the goals of the camp.

Contributions to the Century Club will be used to support the camp's ongoing operations budget, which is managed by the Board of Directors. Examples of expenditures include paying the camper fee for campers who cannot afford the normal fee, staff and counselor payroll, utilities, maintenance of buildings and grounds, renovations, new construction, supplies and equipment purchases.

How does one become a Century club member?

You can join the Century Club simply by contributing as little as \$150 per year. Just indicate on the enclosed form the name you want etched on the bronze key-shaped plaque. There are four different levels of giving to accommodate your giving budget:

- Bronze \$150 donation per year
- Silver \$250 donation per year
- Gold \$500 donation per year
- Diamond \$1,000 donation per year or higher

As a means of recognizing your membership in this prestigious group, you will:

1. Receive a beautiful 18-inch walnut and bronze key shaped plaque for display.
2. Receive a key-shaped silver colored lapel pin.
3. Have your name published in Georgia Lions Camp newsletter.

More importantly you'll receive the satisfaction of knowing that your donation is being used to build and maintain a wonderful facility for the blind and visually impaired of Georgia to enjoy.

Each year a new medallion, indicating the year and donation level, will be forwarded to you to add to your plaque as soon as your donation is received. Each plaque will have inserted spaces for ten medallions. If you continue contributing after you have filled up your plaque, a new one will be sent to you.

Your donation is the key that will help open new doors for a blind child to pass through.

Businesses as well as individuals may hold a Georgia Lions Camp Century Club key, and contributions to the Georgia Lions Camp are tax deductible under IRS Section 501(c)3.
