 EDUCATION 16-PACK

**Tiny tech, endless STEAM learning.**

The Sphero Mini Education Kit has everything you need to get rolling and learning, including 16 clear Sphero Mini app-enabled robotic balls, bumper covers to protect your bots, mini traffic cones, bowling pins, construction sets, and activity cards that help expand playtime and imagination in STEAM learning.

**KEY FEATURES & BENEFITS**

**Teeny Tiny Tech**

Packed with teeny tiny tech, Sphero Mini has a little gyroscope, accelerometer, and LED lights. With almost an hour of play time, your students will have the room to stretch their imagination—all while having fun learning!

**Step-by-step Learning**

Learn the fundamentals of STEM and coding with mini traffic cones, bowling pins, construction sets, and step-by-step activity cards with STEM-inspired challenges and games.

**Program Three Ways**

Using the Sphero Edu app, program your robot using draw and drive commands, Scratch blocks, or even JavaScript text programming.

**Drive Modes**

Tilt your device. Pull back and slingshot forward. Use the Joystick. Whatever you're in the mood for, the Sphero Play app has it.

**ACTIVITIES**

**Battering Ram**

Topple the pins and cones off your tall tower.

**Archie Ball**

Roll your tiny robot into the arches to score big.

**Plot Bot**

Construct a story around the construction set.

**TECH SPECS**
