**Special Thanks**

The Gaslight Theatre owes an everlasting thank you to all the volunteers who help this wonderful theatre survive from year to year. Without their dedication, it would struggle to continue putting a season together for everyone to enjoy. It is a great deal of hard work. I salute all of you who give your time and talents in so many ways. To our young people, who dare to try...you are our future and we thank you for giving your time. Thanks to all our Shiner businesses who are happy to help us in anyway, whenever asked. We have a very special place here in Shiner. A final thank you goes to our patrons who come to have fun and come to every play in support of our little theatre....Josh Kaspar
