INTEGRITY—the quality of being honest and having strong moral principles. Doing what is right when no one else is checking you.

This tournament is limited to participants that are truly Junior Varsity bowlers in order to maintain a competitive balance for teams competing. In recent tournaments some schools have been using varsity subs to bowl on JV teams please DON'T do this, because it only hurts the integrity of your school & bowling program. If injuries prevent you from fielding a JV team, only use varsity bowlers who have bowled in less than 10 individual games and/or a bowler who has been limited to bowling baker games. Prioritize your starters to actual JV Bowlers and only use the varsity players that meet above criteria as subs. Infractions to these rules will be forced to forfeit if they are the winning team. In addition, if individual awards are won by bowlers who DO NOT meet the above criteria they will have to forfeit their awards.

Please NO OUTSIDE FOOD for bowlers or spectators. Eastbury's Concession Stand will be open and will be providing team meals at an additional cost.
