With the season getting under way, I would like to get some island complaints out of the way. With all the traffic on the island, please obey all posted speed limit signs of 25mph and stop signs. Also, for the safety of bicyclists and motorcycles please keep the grass clippings off the roadway. Warnings have been given and if it continues, citations will be issued. Lastly, for years Kelleys Island Police Department, Kelleys Island EMS and Kelleys Island Fire Department have been requesting that residents post address signs at their residence on Kelleys Island. If we’re unable to locate the home in question, this could be life or death situation. Again, warnings will be issued, if addresses are not posted letters will be sent out and citations will be issued.

On the bright side of summer, we have had several events this past month. The first event was on June 10th 2018 which was Cops and Bobbers at Portside Marina. This was the 3rd Cops and Bobbers in which we had the largest turn out with over 30 children. I’d like to thank Portside Marina, Craft’s, Bag the Moon, several residents and Kelleys Island officers for assisting with this event and showing the kids how to have some FUN!!!

The next Cops and Bobbers will be on Sunday, August 5th 2018 from 12pm-2pm at Portside Marina. On June 17th 2018 we hosted our 2nd event which was the Special Olympic Torch Run. Participants came from Sandusky and were brought to Kelleys Island where they ran with Officer Dan McFaul who was in full uniform. This year’s run was dedicated to Mikey George who wasn’t able to compete in the run do to an illness. Prayers go out to him and his family for a speedy recovery. Also, a big thank you goes out to Gary and Jackie Finger of the Pump who assisted with Lunch. HEY BUD!!!!

Thank You Pete Legere

The Kelleys Island School Board regretfully accepted the resignation of Board President, Dr. Pete Legere at the June 14th board meeting. Pete served notably for nine and one half years working diligently for the school district. He upheld the mission of the school to serve the educational needs of the students and community. He was instrumental in creating the Kelleys Island Field Station, a resident and visitor Education Center featuring research and programs related to Kelleys Island land, water, plants and animals. The field station continues to grow and attract many students of all ages for outdoor educational learning experiences. Pete was also involved in developing the community center which offers classes, recreational facilities and fitness equipment for residents of the island. Pete’s dedication to the school district is remarkable and most appreciated.

The Kelleys Island Board of Education is requesting that anyone interested in becoming a board member to please send a letter of intent to: KI School Board, PO Box 349, Kelleys Island, Ohio 43438. Interested individuals must be a registered voter of Kelleys Island.

A Fourth of July Celebration

The Island Singers will be performing Sunday, July 1 at St. Michaels Catholic Church at 9 am and Zion Community Methodist Church at 10:30 am.

Kelleys Life now online at www.kelleysisland.com/kelleyslife
pictures had been taken so I hope everyone enjoys them. Because of the weather on May 20th, the KIPD car wash was cancelled. This event is now rescheduled as a 2 day event on July 21st and July 22nd at the Kelleys Island Police Department from 12-2pm on both days. So, get the cars, bikes, or golf carts dirty and bring them up for a fresh cleaning. Lastly, tickets are printed and ready to go for the KIPD 3rd Annual Pig Roast. Tickets are being sold for $25.00 and includes the meal and soft drinks. Draft beer will be available for purchase. Also, entertainment will be provided by, the one and only Kelleys Island favorite, Steve Brownell and, the wild man himself, Port Clinton’s Michael Drum. On site will be other food vendors, bounce house/laser tag, and fingerprint kits for the kids, the dunk tank, 50/50 drawings, KIPD t-shirts and NWO beer trailer. We will also have the kid’s favorite K-9 “Dundee” doing DEMOS for the public. To obtain these tickets, all Kelleys Island Police Department officers will have them or you can stop by Kelleys Island Police Department. I hope everyone is enjoying the season and the events we provide. If anyone needs anything, my door is always open. Have a safe and enjoyable summer.

Respectfully yours,

Kelleys Island Chief of Police

Shawn M. Craig/#901

Kelleys Life
Kelleys Island Brewery News

Being an island family is...complicated. We are a small village with diverse shores and citizens. What brings us together is our families, our celebrations, and our love for this place that is our heart home, Kelleys Island.

How many Sundays have we watched or been part of those torn from their island life to ‘go back there’ for work, family and function? We are privileged, in my humble opinion to have this experience week in and week out.

Being a brewery in this tiny island town has more benefits than it does its downside. The people that come from all over the world and the local weekenders and weekly and daily travelers make their own journey here and help us tell our story when they go home.

This past Saturday we held the 60th Vow Renewal and dinner celebration for Joan and Don Chopchinski.

Their family, their vows and their party was a reflection of the endlessly fascinating couple that stood before us. Elegant in navy and so handsome in his suit, Joan and Don smiled the entire evening. With their friends and neighbors, we were joined by our love for them, for our heart home, Kelleys Island, and for our little brewery.

Come celebrate July with us, especially on Fridays where Pints For Paws is back every Friday. For every Pint we sell, $1 will go to the Animal Sanctuary in Port Clinton, every Friday in July.

Thank you and see you soon.

Cheers! Patti and Doug
Plans for our “Murder Mystery Masquerade” are moving along nicely. It will be on August 18 at 5:00 and we are fine-tuning the menu and program. One thing you can be sure of is that it will be an elegant affair but, someone will not make it out alive. While we are still working on the details, we can tell you that it will be held on the grounds of one of those lovely houses on Long Point; it will be a murder mystery and you will be able to participate. If you choose to, you can come in costume (we suggest Millionaire Elegant) and if you do not want to come in costume, you can get masks at the Museum Gift Shop. We will have entertainment, music, a sit-down dinner, a Silent Auction, 50/50 raffle, and some super surprises. And there will be a murder – will you be the one to discover who did the foul deed? Only 200 tickets will be sold and tickets are just $75 each and for a few bucks more you can secure a front row reserved table. You can purchase tickets online (www.KelleysIslandHistorical.org, just click on Masquerade) or at the history museum on Division Street.

By now you have discovered that the Museum is open 7 days a week from 12-4. Our opening weekend on May 19 had almost 150 people come through the doors. So many people were excited to have their photo taken with our electricity display that we had to post the slideshow on our website. The new display is the History of Electricity on Kelleys Island (so much more than you would think) and we thank Hancock Wood Electric Co-op for lending us their collection of photos from the 1953 cable installation and their cable board so people can see what types of cables have been installed and why some of them had to be repaired. We also pulled from our collection some very old modern conveniences like a hand crank bread maker, a radiant toaster, light bulbs that are almost 80 years old, a really old Sunbeam electric mixer, and an incredibly heavy BlenDOR (an early model of a blender). While Leslie Korenko was setting up this display Sonia Taylor pulled together our Bathing Beauties of the 1950’s which includes some vintage bathing suits. What a surprise to receive emails with photos attached that we can add to the display. It is hard to imagine that this was almost 60 years ago already.

The Parsonage Resale Shop still needs a few volunteers. It is also open daily from 12-4 (or longer if someone is there to staff it). Items come and go so fast that some things sell as we are unpacking them. It is hard to post photos because a day later – gone already. We are always looking for someone to work just a 2-hour shift. But if you are not sure – just stop by and keep us company because things get pretty busy and one person cannot always cover it.

Be sure to keep up with the latest news on our website and our Facebook page (Kelleys Island History Museum).
Kelleys Island Chamber of Commerce: An Update - June 15, 2018

As the weather warms and the number of visitors to the island increases, our Chamber office truly serves as an initial point of contact and provides tourists with their first impressions of Kelleys. We wear our Visitors Bureau badge proudly and thoroughly enjoy helping the people who stop in looking for assistance, advice, or a friendly chat. One of the ways we attract visitors to the island is through advertising both Chamber sponsored and Chamber member events. The season has just begun and we’ve already had so much fun!

First on the list was the Chamber-sponsoring 5K & 10K Run/Walk, which occurred Sunday, June 3. Over 350 runners braved the downpour to traverse the island on foot. If you haven’t already, you can view results of the race on our Chamber website. Just click on “Events” and then search for the 5K & 10K by keyword or date. Special thanks to our sponsors: Kelly Schiewe, Jim & Barb Zeller, Corrie Solly, The Deipiero Family, Chicklet’s Closet, The Kelleys Island Brewery, The Island Venture Resort, Bassett’s Market, Lakefront Publications, The Captain’s Cove, Firelands Regional Medical Center, Charles Herndon Galleries, Fresh Electric, Inc., Starcher Enterprises, LLC, and Razzles for helping us put on a great “Sunday Funday Runday” this year. T-shirts and we’ve already had so much fun!

Next came Bacon Fest, hosted by Portside Marina graciously hosted this event with help from the KI EMS and Crafts, who supplied the bait! Kids and parents alike teamed up with the Kelleys Island Police Department to see who could catch the biggest fish! Awards and prizes were given to the 1st, 2nd, and 3rd place catches.

The Razzles Volleyball Tournament occurred June 15th and 16th. The Casino staged a welcome party for players Friday night, which raged on till closing! The tournament began on Saturday morning and concluded with another party at The Casino.

On Saturday, June 30th, a crucial event on the Chamber calendar took place - The Mad River Kelleys Island Bike tour! The event was generously organized by Mad River Harley Davidson and all registration fee profits solely benefited the Chamber. Special thanks to all participating businesses, riders, and of course Mad River Harley Davidson!

Did you know that you can apply to adopt a dog at this year’s Island Fest? The festival is July 13 and 14, the theme is “Dog Days of Summer”, and will include a canine component. On Saturday, July 14, Barb Knapp, Dog Warden Humane Officer of Erie County and longtime islander, will be facilitating dog adoptions in Memorial Park, Downtown Kelleys Island. Festival attendees will have the opportunity to meet adoption-eligible dogs and apply to be their forever parents! The Erie County Dog Warden’s presence at Island Fest aims to raise awareness about dog adoption and care, as well as the services provided by the office of the Dog Warden. Additionally, Island Fest will feature Ohio-based artisans, crafters, food vendors, a beer tent, evening street dances, a parade on Saturday, afternoon live entertainment, and fireworks at dusk.

See page 7 for a complete schedule of events.

The fireworks show is completely dependent upon community donations. The more money we raise, the more spectacular the show will be! If you’d like to contribute, please visit the Chamber office or visit www.kicaptain.com/donate and scroll down to the Fireworks option.

Are you looking for ways to serve the business community and enhance tourism on the island? Consider running for the Kelleys Island Chamber of Commerce board! Elections are coming up in September and we’re seeking candidates for all positions. If you’d like to learn more about the duties associated with a board position, please send us an email or call us at 419-746-2360.

Join us for a monthly program or for one of our events to learn about the nature around you!
**Alphabet Acrobat**

The Kelleys Island Local School will be offering Alphabet Acrobats during Circus Week, August 6th, 7th, and 8th 10-11:30 am for children ages 5-9. This will be a one and half hour course helping primary children with phonemic awareness, a review of basic reading skills, and the enjoyment of reading with their peers. Kelleys Island School Teachers, Angie Green and Lori Hoffman, will lead the fun. Sign up soon. The class is limited to eight students. If interested in the class, call: (419) 746-2730 and leave a message.

---

**Kelleys Island Audubon Happenings**

**Make - A - Wish**

This year for the Kelleys Island Make-A-Wish Swim we are honoring Schooner the Parrot and his parents. Richard & Anita Brahier. Sadly, Anita lost her battle with cancer on Friday, June 8th. The memories that Cindra, Richard, and Anita share with Schooner will always be remembered throughout the years. Her strength, kind heart, lovable smile, infectious laugh and warm hug will be greatly missed.

Heaven gained the most beautiful angel to watch down on us as we swim this year. Anita loved Kelleys Island as much as it loved her. Her wish is that any Memorial contributions may be made in her name to Make-A-Wish, PO Box 517, Kelleys Island, Ohio 43438. Please note on the check memo ‘in memory of Schooner’s Mom’. Forever in our hearts and thoughts.

---

**Kelleys Island Branch**

**SUMMER HOURS:**

June 11 thru August 25

- **Monday:** 5:00-7:00 p.m.
- **Tuesday:** 1:00-3:00 p.m.
- **Wednesday:** 10:00 a.m.-12:00 p.m.
- **Thursday:** 1:00-3:00 p.m.
- **Saturday:** 11:00 a.m.-1:00 p.m.

Closed Friday and Sunday

---

**CLOSINGS:**

- July 4 - Independence Day
- July 14 - Islandfest
- August 6 & 7 - Circus
- August 11 - Homecoming
- September 1-3 - Labor Day

---

**Send us your photos and stories, please!**

We at Kelleys Life would love to hear about your and/or your family’s life on the island. Please send us your stories and photos. We’d also love your photographs of family events on the island. Please include the names of everyone in the photo and a contact name and number in case we have questions. If you wish to have your photos returned, include a SASE. We’ll get them back to you as soon as the printer sends them back. We at Kelleys Life appreciate your kind cooperation!

August 15 at 4pm
September 12 at 4pm (Board meeting and elections)
Kelleys Island Make-A-Wish Swim & Golf Cart Poker Run #24

Twenty-Four years is hard to comprehend. But here we are going strong. Last year, Cindra Mielke & (Jeni Hammond) raised & donated $35,200.00, the most we have ever raised and donated to Make-A-Wish granting its wishes. We are truly grateful for all of your help in giving these children and their families something to remember for the rest of their lives. For 2018 we are honoring Schooner, our Make-A-Wish Parrott (and his parents) who has been collecting money for us for many years. Schooner has delighted scores of our MAW children by letting them pet, hold, and kiss them. Get ready to support and have some fun, the Golf Cart Poker Run on Saturday, August 4th. With registration starting at 10am at Dockers Restaurant, cost is $10 per hand with no limit to how many hands you would like to play. It will end at KI Winery & Cantina. All sorts of games & raffles will be held at the Winery including, 50/50, Gift Baskets and more. The poker run will be released to start at 12noon and you must be at the Winery by 4pm for your hands to count.

Sunday, August 5th is our swim day. This year we are swimming from Starve Island to Portside Marina, sound familiar? We were going to do this one year ago but, due to the green algae being so bad, and Cindra just getting out of the hospital, I kayaked ½ around Kelleys with Cindra’s brother-in-law (who was wearing a blonde wig). Pray the water will be warm, the winds calm and NO GREEN ALGAE. Come to Portside Marina around 11:30am to see us swim in and to meet our special Wish Children from this year and past years. Then stay for our party at Dockers Restaurant. Free Perch, Pizzas, hotdogs & hamburgers. All thanks to donations from Dockers’, The Village Pump and Caddy Shack. Our “Spirited” Raffle has two winners. A DOCK BOX filled with your favorite spirits or $1000 cash. First ticket gets choice, second gets whatever the first did not choose. Tickets are $5 each or 6 for $20. Tickets will be available ONLY at KELLEYS LANDING this year and from Jeni & Cindra. The 2nd Raffle will be a guitar signed my all the Entertainers / Bands from this years “Rock on the Range”. Guitar donated by Woody’s in Kent/Medina.

This year’s Wish Children are Anna, despite fighting Acute Lymphoblastic Leukemia, Anna continues to be a happy, funny, 5-year old. Her wish is to go to Disney World. Ella, she has Langerhans Cell Histiocytosis, Ella is a 3-year-old little girl. Her wish is to go to Disney World. Come visit us at Portside Marina for any additional information or if you would like to help or donate. If you are planning on bringing your boat over make your boat reservations now, call Portside Marina at 419-746-2668 because we always sell out. See you soon.

To donate Mail: Make-A-Wish Kelleys Island Benefit Swim, US Bank, 205 West Perkins Ave Sandusky, Ohio 44870 or Make-A-Wish Swim to Cindra Mielke & Jeni Hammond PO Box 517, K.I., OH 43438 Or stop in at: Portside Marina, 116 West Lakeshore Dr., Kelleys Island, Ohio 43438

Kelleys Island $1,150,000
Paradise on Kelleys Island!

Exclusive opportunity to own what may be the longest shoreline ever offered on the Island. Approximately 1700’ of beach frontage within the gated Long Point area on the North end. Submerged land leases already in place for a marina of 200’x150’ with 6’ depth and 10 slips. Great family resort, corporate retreat, or let your mind run wild.

509 W Lakeshore Dr $395,000
Gorgeous waterfront building lot walking distance from downtown! Close enough to be convenient and far enough to be away from the hustle and bustle. Hearing the waves splash and the views are breathtaking. Septic system is already installed (huge value). Two separate parcels totaling a spacious three quarters of an acre. Lot lines shown approximate.

1122 W Lakeshore Dr $179,900
Kelleys Island waterfront lot! Land extends to the lake side of Lakeshore Dr. Fabulous views of Lake Erie and Portside Marina. Backs up to a quarry so no neighbors behind you. Priced to move so don’t wait on this one.

635 Division St $249,500
A rare opportunity to acquire a beautiful 2.4 acre property perfect for a private island estate. This property is surrounded by woods on two sides and a 10 acre tree pasture. Lot lines shown approximate.

EMS News

Do you have or know someone who has a personal alert device? A personal alert device is worn around the neck or on the wrist as a bracelet. Its function is to allow you to notify the company when you are in need of assistance. They will then call the EMS, police or fire to respond to your need. What happens when you fall and you are home alone? If you do not have your device in your possession, you might not be able to reach it to request help. These devices are made to be worn 24 hours, in the shower, in bed, while outside or in the house. They are of no benefit if you cannot push the button requesting assistance. You cannot push the button if you are alone and injured and cannot get to where your personal alert device is sitting. Think how frightening it would be to know you cannot get up or get to the phone, no one knows your calls for help, and no one is expected home for hours. These devices are convenient, safe, and easy to wear as a neck device or on the wrist. Please, if you have one, keep it on your person. If you have medical problems and think you might need one, look into it. Do not hesitate, the life you save might be your own.

The summer heat is upon us. Keep hydrated: drink water or sports drinks; do not drink alcoholic beverages or beverages with caffeine. When working in the yard or out in the sun, wear a brimmed hat to keep the sun off your face and neck, take frequent breaks, including a glass of water, and stay in the house during the hottest portion of the day. It’s easy to get dehydrated and not even know it! If you’re feeling thirsty, you are already dehydrated. Drinking water regularly (even when you don’t feel thirsty), will keep you hydrated. Signs of dehydration can include:

1. Your urine is a deep yellow.
2. You are having difficulty concentrating or thinking clearly.
3. You have halitosis (bad breath) or a dry mouth.
4. You are constipated or have other digestive issues
5. You have sudden food cravings.
6. You suffer from fatigue or lethargy.
7. You feel your heart racing.
8. You have scaly, dry skin or lips.
9. You have joint or muscle pain.
10. You have headaches or dizziness.

If you have concerns, feel free to stop in the EMS Station. Stay safe!
Sharon A. Devine, paramedic

Kelleys Life
Island Adventours offers “Eco tours” of Kelleys Island

“Eco Tours and Kelleys Island are a perfect match” says Soldner owner and operator of Island Adventours. The new touring business opened last year after years of planning. Whom Dawn Soldner moved to the Island full time in 2015 she started a plan to open a business, “after considering my strengths and personal interests and the island needs, this is what I came up with” she says. Eco tours are perfect because of the amount of natural beauty and natural history on the island; eco tours generally help people get to pristine natural areas. That is the exactly what Island Adventours offers tours of Kelleys’ most beautiful areas by bicycle or kayak, and a guide to help give interesting facts about both the environment and island history.

Another aspect of “eco tourism” is doing something to improve the area of the tours. Soldner reports “We donate $1.00 of every tour to the Kelleys Island Audubon Society and $1.00 to the Kelleys Island Historical Association. “Leave no trace on tours, pick up trash during the tour, and donate to these organizations. I feel like that makes the tours even more valuable.”

A sampling of Island Adventours Eco Tours:

Kayak tours:
- Island Treasure Tour - (3hrs) Experience the beautiful parks and preserves via kayak.
- Sunset Tour - (1.5) Nightly trip to West Bay to enjoy the sunset in a kayak.

Bike Tours:
- Island Treasure Tour - 2-3 hrs Casual ride w/ walks in the parks and preserves, see the most pristine areas with a guide.
- Quarry Quest Tour - 2-3hrs. Exciting ride, off road exhilarating trails, around and through old quarries, and learn some island history.
- Winery Ruins - 2 hour casual ride around streets of Kelleys Island, learn about viticulture history, see old ruins and wine cellars. Includes a stop at Kelleys Island Wine Co.

The business added golf cart tours this year too, for those “a little less adventurous”. The business can be modified to fit the needs and interests of groups. Our motto is “It’s not just a tour, it’s an adventour”, and we try to fulfill that promise, but we realize every group has their own abilities. Island Adventours is providing captivating experiences and creating lifelong memories for visitors and “Islanders” alike.

Dawn is an ACA certified kayak instructor, certified in CPR and first aid, and says safety first, “I take this very seriously, as a former nurse and teacher, I realize the importance of making sure we don’t put anyone in a dangerous situation.” All tours are weather permitting, the beautiful parks and preserves for activities are provided for tours, including safety gear. Sit on top kayaks and all terrain bicycles are sized and provided for each customer. Instruction is also provided. “I have a deep love for the island and a passion for sharing it and I hope to continue to grow the business. Call 419 708-4228 for a tour today, or visit islandadventours.com

Quarry Quest Tour - 2-3hrs.
Exciting ride, off road exhilarating trails, around and through old quarries, and learn some island history.

Hancock-Wood Electric Co-op Celebrates 80 Years and Announces Election Results

Findlay, Ohio – June 11, 2018 – More than 1,000 member-owners and their families enjoyed food, games, and entertainment Friday at the 80th annual Hancock-Wood Electric Cooperative Business Meeting and Member Appreciation Day. LuAnn Cooke of Governor John Kasich’s office presented Hancock-Wood with a proclamation recognizing the cooperative for a successful 80 years and U.S. Congressman Bob Latta was in attendance to congratulate the cooperative.

The day consisted of a business meeting, to announce election results for the Board of Trustees, to give financial and status reports, and a member appreciation day with food, family-friendly entertainment, kids games, and prizes. Four seats on the Board of Trustees were up for election this year. The election results are: Tim Phillips representing District 1; Gene Barker representing District 4; Ed Crawford representing District 5 and Brian Terry representing District 10. All four were administered the oath of office.

Board chairman Tom Kagy and President and CEO George Walton updated members on important cooperative news during their reports.

Kagy highlighted the new economic development organization, which has been working on promoting and marketing sites throughout Hancock-Wood’s service area. He also stated the board approved performing a study on the feasibility of extending high speed broadband into the co-op’s operating principles - counties. The annual meeting is expected to be completed by the end of June 2018.

Walton also reported an update on co-op capital improvements. “Last year’s engineering and operations group continued work on numerous projects to improve service reliability to our membership, which included replacing our existing automatic meter reading devices, rebuild of 17 miles of aging electric line throughout our service area and completing engineering work required to replace a major underwater cable that provides electric service to Kelleys Island. The cable will be replaced in the fall of this year.”

The co-op also recognized affiliate Prism Propane Solutions of Ohio’s Electric Cooperatives’ vice president of power generation; David Wirt District Director of Congressman Bob Latta and Phillip Riegle Hancock County Prosecutor.

Following the business meeting, the crowds took advantage of the catered lunch and family activities, children’s rides, face painting, balloon animals, and entertainers. Families also enjoyed energy savings demonstrations and exhibitor booths. All members received a special 80th anniversary door prize and grand-prize winners were announced.

U.S. Congressman Bob Latta congratulates President and CEO George Walton (left) and Board Chairman Tom Kagy (center) on 80 years of success.

Four newly elected Hancock-Wood board members are sworn in.
GMA Host Lara Spencer Teams With Glazen For New Network Show

The co-host of Good Morning America has teamed with Islander Alan Glazen for her new Travel Channel show, “Eat, Drink, Haggle.” The pilot was shot in March, 2018, featuring Glazen’s hometown, Cleveland.

Alan acted as her “wing man,” taking her to the many hidden gems in the city. Starting at the well-known West Side Market, he escorted Spencer to local breweries, bars, locales and arts and culture studios, galleries and locations. The show premiered in April, and aired nationally a number of times. Spencer and Glazen are awaiting the ratings data which will dictate the project’s future.

Glen’s other recent television project, “Cleveland Hustles,” is now in its third season under the title “Chain Reaction.” Glazen was nominated for an EMMY award for his role as executive producer.

Zion Matters

Virginia M Park

It is so good to feel the warmth of summer and to experience the excitement of the growing crowds here on the island. And it is good, also, to participate in the festive events hosted here during this warm weather season. With June already gone (and how did it go by so quickly?) we are now ready to move into the centerpiece month – July.

But first, let’s all remember that June brought at least two birthday celebrations. Dottie Simonds was “surprised” for her 90th year with a supper party at the VFW. Even her “surprised” for her 90th year with a

Don Alexander was feted for birthday number 80 by his family. That party was not a surprise. But, the next day Don was surprised when there was an annual gathering of the Alexander’s grandchildren also for the responsive readings. The Nancy Upton read scripture and led Daughters Diane Bindredi and hers. The theme this year is “Game On.” Worship on Sunday, June 22 will be in the current sanctuary in 1893 after worship service. Son Mike surprised when there was an

Beatty’s Little Church” because of the current church was built. It was dubbed “Beatty’s Little Church” because of the south far longer than 125 years and the north of the current church was built according to the background of the church goes further back far longer than 125 years (perhaps as long as 160+ years), the congregation began worshipping in the current sanctuary in 1893 after the building was dedicated. The earliest congregants had met in various homes or public buildings until 1863 when the house just to the north of the current church was built as a place of worship. It was dubbed “Beatty’s Little Church” because of its size. However it served as the house of worship for the congregation for 20 years until the current church was built.

Now it is time to celebrate the 125 years of history. So we are currently looking for people who attended the church over the years, for pastors or anyone who wishes to worship with us on Sundays at 10:30 a.m. Casual clothing is totally acceptable.

You are always welcome to participate in worship at either island church.

A Sister's Tribute
Brian E. Feyedelem • October 19, 1947 - October 22, 2017

This is my tribute to my loving brother, best friend, adviser and confidant. It is only fitting that Brian be buried on Kelleys Island. He worked for the Village and ran the VFW in the 1970’s. Oh, what fun we had here!

We were coming here since we were kids.

Brian had a colorful life on Kelleys, Sandusky and Huntington Beach. He loved his two classic Harley Davidson’s motorcycles, his garden, his tomatoes and of course his buddy-cat, Loki. His tomatoes were legend and he got his green thumb from his Dad, Larry. He lived 34 years in California but never forgot his roots on Kelleys and Sandusky. He never forget birthdays, holidays and other special occasions when he sent flower to his mom, Connie and grandma, Fredelena Volz.

For two weeks out of each year, he’d spend his vacation at our house in Sandusky fixing and repairing anything that needed to be done after our Dad passed away. He never missed his weekly Sunday calls to his motoshr to keep in touch. Brian was to his parents and to him, “family was family”. He always had to lend a hand to anyone who needed it.

My brother Brian and I were the middle kids in the family and maybe that is why we had a special connection. Inspite of our ups and downs as kids, we always worked thru the hard times together and even now in writing this, he is helping me.

Deacon Mike, from St. Michael’s Church said to me, “it’s hard to give back a gift from God” and a gift Brian truly was. Life will be hard without you, dear brother, but we will meet again on the other side. You are in my thoughts and everyday I eat a tomato or see a Harley go by or just sit quietly at our cottage on Kelleys Island, you will be there.

So rest peacefully dear brother and know you are very loved and missed terribly. Now, God has someone to tend His garden.

Love always,
Your Sis, Jane

Mrs. JoAnn R. Svihlik (nee Kazak), age 65, of Garfield Heights, Ohio | Age 65
Beloved Wife, Loving Mother & Grandmother, Dear Sister, and Cherished Friend of Many.

JoAnn R. Svihlik (nee Kazak), age 65, of Garfield Heights, Ohio and of Kelleys Island, Ohio; beloved wife of the late Dennis J. Svihlik who passed away peacefully on Sunday, May 27, 2018; loving mother of D.J. Svihlik (Laura), Chris Svihlik (Lara), and Greg Svihlik (Rachael); dear grandma of Benjamin, Katie, Claire, and Johnny; cherished sister of Jim Kazak (Marion, deceased), the late John Kazak (Elaine), and the late Joe Kazak (Judly). JoAnn passed away suddenly on Friday, May 25, 2018. JoAnn loved fishing with her beloved husband Dennis of 41 years. She was an avid Cleveland Indians fan. JoAnn was the backbone of her family, and enjoyed being a grandma. She loved to cook traditional family recipes. Holidays with family were JoAnn’s most cherished times. Collecting shark’s teeth at Myrtle Beach and enjoying Kelleys Island sunsets were some of her happiest moments. A woman of strong faith, JoAnn loved going to religious services and cherishing times. Collecting shark’s teeth at Myrtle Beach and enjoying Kelleys Island sunsets were some of her happiest moments. A woman of strong faith, JoAnn loved going to religious services and cherishing times.

JoAnn’s family is deeply saddened by her passing. She will be missed by all who knew her; and of Kelleys Island who passed away suddenly on Friday, May 25, 2018; and of Kelleys Island, Ohio; beloved wife of the late Dennis J. Svihlik. Dennis passed away peacefully on Sunday, May 27, 2018. In 2000, after more than 30 years of service, Dennis retired from the Parma Police Department. He loved hunting, fishing, and making others laugh. A devoted father and grandpa. Dennis was a loving husband for over 41 years. Dennis loved Myrtle Beach family vacations and Kelleys Island sunsets with his beloved wife JoAnn. Dennis will be dearly missed by all who knew his strength. The family received friends at the Busch Funeral Home on Friday, June 1, 2018. A Mass of Christian Burial was celebrated on Saturday June 2, 2018 at St. Therese Catholic Church, 5276 East 105th Street at Granger Road, Cleveland, Ohio 44125. Interment followed at Kelleys Island Cemetery on Saturday, June 2, 2018.

Family and Friends gathered at the St. Michael's Church on Sunday, May 13 to witness the Baptism of Oliver Ehrbar

Diabetes Empowerment Education Coming to Kelleys Island Aug. 1

Thanks to an organization, known as the “Area Office on Aging” Serving Our Seniors has been providing a 6-week training courses called “Diabetes Empowerment Education Program” (D.E.E.P.).

The courses have been held in Sandusky, Perkins Township, Huron and Vermilion. Starting Wednesday, August 1, 2018 and each Wednesday through September 5, 2018, Serving Our Seniors’ D.E.E.P. Trainer, Tina Elminger will be bringing this interactive learning program to Kelleys Island – if there is enough interest.

With each class she holds Tina has been surprised by the number of people who do not have a practical understanding of what high blood sugar means and the silent damage that it does to an older person’s body.

Here is a taste of one D.E.E.P. lesson, explained in a manner that is easy to understand. Past participants have found this very helpful. In some cases, it changed their behavior.

When discussing high blood sugar at one D.E.E.P. class, Tina simply explains it like this…

Sugar is sticky. The more sugar in the blood, the thicker the blood becomes. Persistently high blood sugar means the heart has to work harder to pump this thick blood. It also means the kidneys have to work harder to filter the thickness out of the blood.

With time, the over-worked heart and over-worked kidneys wear out and no longer do their job.

Many of the D.E.E.P class participants say they can tell when their blood is sticky. They describe feeling like they have no energy/less energy. Some say, “I feel like crap”. Others say that they have no motivation and don’t want to do anything. In one class, over 50% of the participants reported that they feel depressed.

The good news is knowledge is power. If you are pre-diabetic or diabetic – or the spouse of a pre-diabetic or diabetic – and a resident of Erie County, age 60+, than you are eligible to take this free course. What the participants say they like most about the course is they are never told what to do. Those who attend simply learn how what they choose to do affects their body and their organs; and how what they choose not to do also affects their body and their organs.

If I have whet your appetite to learn more about D.E.E.P., then mark your calendar. This 6 week course will take place on Kelleys Island each Wednesday starting August 1 – September 5, 2018 2:00 pm – 4:00 pm. The specific location is still being worked out. Near perfect attendance is required. To pre-register or to inquire further call Serving Our Seniors, 419-624-1856. Ask for Tina.
