

# *Langhorne Council for the Arts*

August, 2020

Dear Friends, Neighbors, and Supporters of the Arts,

Since 1992, Langhorne Council for the Arts has worked to enrich our community through experiences in the visual and performing arts. LCA also supports talented students in grades 6-11 who have a passion in art, music, theater, dance, writing, and wood- and metal-working through the LCA Student Scholarship program. Funds for scholarships come from membership dues and proceeds from ticketed events.

Typically, our Membership Year for Langhorne Council for the Arts begins on April 1. **However, due to the shutdown of our economy in March, we decided to push that date to September 1.** Because we had to cancel all of our fundraising events for the year, your membership dues are needed more than ever. If you are a past member of LCA, we thank you for your support and hope you will renew your membership today. If you have not yet joined LCA, now is the time to become a member. Memberships start for as little as \$25. Our gift to those joining at the \$100 level is a canvas tote bag, embroidered to reflect your support of the arts.

Despite the pandemic, LCA has remained a presence in our community, albeit sometimes virtual. Of special note are:

- **Our newly revised website** – bright, colorful, informative! Check it out at [www.LanghorneArts.org](http://www.LanghorneArts.org).
- **The celebration of notable Bucks County Women** – on Facebook through Women's History Month in March, now archived on our website. A number of these accomplished women have ties to Langhorne!
- **The LCA Banner Project** – 20 banners honoring people, places, and events that shaped Langhorne's history are up on Pine Street and Maple and Bellevue Avenues for your enjoyment and edification as you walk around town. These banners are also posted on our website. A walking tour brochure is available at various businesses around town. LCA gratefully acknowledges the residents, organizations, and businesses that made this project possible.
- **LCA's Sidewalk Chalk Walk** – in August, sidewalks and driveways all over the borough were decorated with chalk donated to residents by LCA, an ideal blend of community, creativity, and social distancing.
- **COMING THIS WINTER** – in time for holiday gift-giving, LCA will offer a beautiful, full-color jigsaw puzzle to keep you occupied through the winter months. More info will be posted on [www.LanghorneArts.org](http://www.LanghorneArts.org) as we get closer to the sale date.

Please support the arts in our community by becoming a member of LCA. And please sign up for our free e-newsletter on the home page of our website so you can stay informed of our events. Thank you!

Sincerely,

*Pat Mervine*

LCA Board President
