Volunteers

- **Please remember that many of the homes we are repairing this year are small homes so we ask volunteer groups to turn in their list of volunteers with manageable numbers and with individuals listed who are sure to come out and join us on our rebuilding day.**
- We always need volunteer support for our committees that help us prepare for our rebuilding day. Much of the preparations for our rebuilding day are done prior to that date. If you could help on a committee or with preparation work instead of working on Neighbors helping Neighbors day would truly appreciate your assistance.
- We would like volunteers at local businesses advertising what we are doing on CiA day and asking for donations to support our work. If your group would like to help in this way, please let me know.

Volunteers on site must be at least 14 years old and must sign a volunteer waiver. Workers under the age of 18 must have a guardian signed waiver.

Youth Group must have an adult chaperones accompanying them and working side by side.

Please note for every 8 youth workers, 14-18 years old, at least one adult must also be with their group.

We estimate that our group will have _____ volunteers.

Your volunteer list must be submitted prior to March 15. No volunteers will be accepted after this date, thank you for your understanding.
