

## Wild Mushroom Foraging around the Finger Lakes with Julian

Guided mushroom foraging with Julian Milillo for **up to four people**. Julian is a certified mushroom expert who works locally to collect wild foraged mushrooms for restaurants and locals. He has over 8 years of experience in identifying species in the Northeast region. He is also passionate about other fungal aspects including but not limited to folklore, medicinal uses, and their ecological roles in the environment.

**Date and time and place to be decided** – depending on your availability and the mushrooms' season.

**Estimated Value: \$250**

**Bidding starts at \$100**
