Capability Statement

6S Factor LLC, is a consulting firm specializing in management and operational strategy, administrative, logistical, technical, and training support, and analyzing returns on investment in the form of time, money, and energy. Founded in 2015, our services have helped define success by setting parameters, measuring outcomes, verifying inconsistencies, and providing support for new, existing, and dynamic missions, goals, and objectives.

Core Services

- Administrative & Managerial Support
- Organizational Management & Strategic Planning
- Contracts, Procurements, and Proposal Development—B2B & Government
- Project Management & Valuation
- Professional Training, Coaching, and Mentorship
- Strategic Communications and Marketing
- Action Research and Emergency Response
- Brokering and Facilitation
- Finance and Logistics

Differentiators

Our approach is what sets us apart from others, placing focus on what is possible rather than the cause of the problem. We use the following tactics to get the best results:

- Solutions Orientation
- Synergistic Approaches
- Symbiotic Relationships
- Societal Awareness
- Systems Thinking
- Sustainable Management
