Ted,

I took it for granted you would have knowledge of the changes being made at Gaines Bend. The plats approved 9/12/19 are recorded in the public records at the County Clerk's Office to view or to purchase copies. Their phone number is [940-659-1277](tel:940-659-1277).

There is a small change on the Cardinal Cove/Robin LN/ Bob White LN area of Gaines Bend. The short Robin Ln section (west/east) has been renamed to Cardinal Cove and extending to the east end as a cul-de-sac doing away with Bob White LN. There are five addresses with only two homes from Bob White LN readdressed. I have included the MAPBOOK and INDEX updates and a few maps for clarification (hoping these help).

Also, they are not developing Swallow Cliffs as originally planned from the north intersecting at BLUE JAY LN/SONGBIRD COVE. Swallow Cliffs is only a short road with 1001-1013 only intersecting with Mockingbird Bend.

This office notifies the Post Office of new and readdresses. Readdress letters specify that notifications to all others will be left to the property owners discretion. My first priority is addressing, road signage, and maintaining the 911 GIS map that relates directly to PSAP, a part of the emergency system, in order to support all emergency services.

Conversations with Steve Cotton have raised awareness for the need of communication with the public. Efforts are being made to improve this. This office is also in the dark at times and feedback from the public can help tremendously. Communicating changes happening in your area with me would be much appreciated!

Thank you!

Pam Neelley
