# Day To Day Itinerary

## DAY 1 • Stockholm, Sweden

The “Venice of the North,” spanning 14 small islands in the Baltic, Stockholm is the largest city in Scandinavia and architecturally one of the finest in the world. For a taste of the city, take a walking tour of Old Town, and particularly the Royal Palace and beautiful Riddarholm Church; take in the views from the observation deck in the Town Hall; or visit the Vasa Museum, on the island of Djurgården, displaying the almost fully intact 64-gun warship Vasa, that sank on her maiden voyage in 1628.

## DAY 2 • Tallinn, Estonia

On the southern coast of the Gulf of Finland lies Tallinn, the capital and main seaport of Estonia. Though the city has been bombed and pillaged many times throughout the ages, much of the town as it was in medieval times remains. Atmospheric streets serve as home to the palaces of Castle Hill. Ancient convents, steeped churches and handsome guild houses are all preserved as they were in Tallinn’s Old Town area, which was named a UNESCO World Heritage Site.

## DAY 3 & 4 • St. Petersburg, Russia

St. Petersburg was the capital of the Russian Empire for over 200 years. Peter the Great’s “Window on Europe” is known as Russia’s artistic and intellectual center. Tour the many cathedrals, including St. Isaac’s Cathedral, with floors of different-colored marble and a remarkable array of frescoes; and the iconic Church of the Savior of the Spilled Blood. Noteworthy historic sites include The Peter and Paul Fortress, the first edifice built in the city. To complete your Russian experience, take a day trip to Moscow or a half-day trip to Catherine’s Palace in the countryside.

## DAY 5 • Helsinki, Finland

The capital of Finland, Helsinki is also the cultural, commercial and political center of Finland. Easily-navigated and an architectural delight, Helsinki has spacious streets and many gardens and parks. Beautiful neo-classical buildings surround town squares and the cathedral is probably the most recognizable of Helsinki landmarks.

## DAY 6 • Riga, Latvia

Riga, the capital of Latvia, is situated on the Baltic Sea coast and was ruled for more than 700 years by Germany, Sweden and Russian. The Historic Centre of Riga has been declared a UNESCO World Heritage Site, and the city is particularly notable for its extensive Art Nouveau architecture

## DAY 7 • Klaipeda, Lithuania

Klaipeda, or Memel, in Lithuania is situated at the mouth of the Curonian Lagoon where it flows into the Baltic Sea. During World War II, this city was captured by the Soviet Red Army, but unlike the rest of East Prussia, the Memel Territory was not considered part of the Soviet occupation zone.

## DAY 8 • Cruising the Baltic Sea

## DAY 9 • Berlin, Germany

Warnemünde is a sea resort and situated in the Northeast of Germany at the estuary of the river Warnow. Being a center of maritime traffic, the district of Warnemünde comprises numerous navigational aids, the oldest of which is the lighthouse built in 1897. Warnemunde is also our gateway to nearby Berlin.

## DAY 10 • Copenhagen, Denmark

Copenhagen, the royal capital of Denmark, is one of Europe’s oldest capitals. It was a fishing village until the middle of the 12th century, but then grew in importance after being fortified in 1167. Because of its harbor, it soon became a place of commercial importance. Theaters, museums, art galleries and musical entertainment are among the attractions that make Copenhagen memorable.
