

## Flawless

Sometimes we let our preconceptions about God's influence in our lives tamper with what we think we hear from Him. Our relationship with God influences how we hear God. I pray that at this moment of time you will understand on a greater level that He is infinitely loving, and believe what He has spoken to you.

As I prepared to write, I heard "My Word is flawless." A palpable peace came down and filled me with a wonderful reverence at the magnificence of our God. His Word is flawless. He is forever flawless.

"Every word of God is flawless; He is a shield to those who take refuge in Him" (Proverbs 30:5).

God is speaking to you today. He is telling you "My Word is flawless."

What He has spoken to you is FLAWLESS! Every single word!!!

Definition of Flawless:

- Having no defects or faults, especially none that diminish the value of something
- Legally sound
- Having no discernible blemishes or shortcomings;
- Perfect

He desires to not only speak to you today, but for His spoken Word to change you. The God of the universe desires to speak on every page of your life. He is saying:

"My Word always brings change within you. My Words are always flawless. Even within life's circumstances My Word is at work within you, around you and through you."

Friends, be encouraged! God Himself has multiplied His wondrous deeds and thoughts toward you and none can compare with Him!

God will, in His time, fill your circumstances with His presence. In the meantime, as you wait for the full manifestation of that Word in the natural,

let His comfort come through His spoken Word. Grab a hold of this!!! Don't let go! Stand firm in the truth. His Word is flawless.

His Word has no defects.

His Word has no faults.

His Word does not diminish over time.

His Word does not diminish in value.

His Word is not just legally sound, it is legally binding!

His Word has no discernible blemishes.

His Word has no shortcomings.

His Word is perfect!

Rejoice in the truth. Don't you know His Word is always available to you? His Word doesn't change. He speaks with absolute truth and power. He reveals the deepest secrets to our hearts.

When God speaks it is with great force, great glory, great assurance and His Word, when embraced, brings great hope.

His Word always comes with great transforming power at the exact moment of time He speaks it. Your view of God's spoken Word must remain focused on the truth- His Word is flawless.

I pray this refills you with a fresh sense of God's reality.

I pray it brings a deeper renewed assurance that He acts within the history of your time.

I pray it strengthens your faith that He is for you, cares about you and uses His power to watch over you.

I pray that today you have a divine encounter with the Flawless One.
