## **PRESIDENT'S MESSAGE**

As I write this message, fall is descending upon us. I truly like this time of the year. I just do not like what follows as in the cold and snow. Harvest is just beginning. I ask of everyone to be safe and careful. Even though the weather has not always been good, we can expect a decent crop in Iowa.

In July, I came across information showing Iowa Chapter 5 was formed in 1992. Thirty years ago! We need to celebrate such! There will be cake and ice cream at the November meeting help acknowledge the event. We will be contacting founding and early members to extend the invitation to attend this milestone. I would like to get as many members as possible to attend this meeting. A thirty-year anniversary only comes one time!

Work on the RPRU24 at Spencer is progressing. We have been working with Howard Raymond from Nebraska to make RPRU23 and RPRU24 the best ever. We still need volunteers and committee chairpersons to make these events successful. Any suggestions are welcomed and appreciated.

See you in November!

President Bob Gehring, Iowa Chapter 5

Respectfully submitted: Paul Schaefer, Secretary

I wanted to start by saying that last March we were all set to attend the Winter Convention in Pigeon Forge Tennessee. We rented a cabin in the woods and was looking forward to seeing many new things, since we had not been to Tennessee before. Then the Convention got canceled and we thought that we would still go and enjoy the cabin. But due to unforeseen events we ended up having to postpone our trip to the cabin to this fall and ended up going in September. We seen many various things, had great weather and enjoyed Sieverville, Pigeon Forge and Gatlinburg. On the way out we spent one night in Nashville and before we left onward to Sieverville we decided to visit Tractor Supply office in Brentwood, TN since one of my son's has worked for Tractor Supply for a number of years in Mason City, IA. We walked into their lobby and this is what we found - a beautiful F-20 tractor and a sign that said "The Roots of a Farm Business" and the story of TSC which started in 1938. I just thought it was so neat, that I would share it with everyone. We had a great time and really enjoyed the area, the beautiful scenery and so much to see. A great way to enjoy family and experience the state of Tennessee.

Hope everyone is having a safe harvest and hope to see you in November.

Pam Olson
