

# STAR GATE BABYLON

## PLEIADES STAR PYRAMID COMPLEX PATTERNS

The purpose of these charts is to show that as the sacred geometry had a significant role in positioning temples, pyramids and ziggurats at key points on Earth. These were a reflection of the geometry in other extra-Earth locations such as in Cydonia, Mars and the constellations. As the Creator of the Universe and all things, YHWH is the Great Mathematician. The Universe is replete with such mathematical and geometric intricacies. Perhaps the very patterns that are on Earth mirror the Heavens that those from such location came from at some point in time to divulge certain aspects of their secrets and power to the fallen race of Humanity. Due to the Fall of Mankind, certain aspects of the Creation, Earth and Angels are subject to sin and evil. One such man was Nimrod. As the 'Stargates' that comprise sacred geometric in such location as Babylon and Ur, for example... will such sacred knowledge be used in these Last Days as they were in Nimrod's day by an attempt to build a Tower of Babel or Stargate? Nimrod attempted to pierce the veil of the spiritual dimensions with such sacred geometry and magic. The combination would trigger an energy that the Earth ley-lines and energy points would converge to open 'gates' or portals into the spiritual dimensions.

In the case of Nimrod, having heard 1st from Noah of the Garden of Eden, perhaps his attempt to build a tower was not to reach the 'heavens' literally in terms of altitude but in dimensions though such 'Stargate' in Babylon. The temple complex of Babylon is a mirror pattern of the Pleiades and that of Cydonia, Mars with astonishing precision.

### Pleiades

### ORION, THE MIGHTY HUNTER

According to the Bible, Nimrod was attributed as being Orion, an archer, a hunger that opposed the LORD, or against. It is also believed that he might have been genetically a hybrid as many attribute the Epic of Gilgamesh as being Nimrod, a demigod, a giant perhaps. He comes from the 2nd son of Noah, Ham's line down to Cush. This branch of Noah later migrated to what is now Africa. Apparently the Genesis 6 plan by Lucifer to contaminate the genetic DNA of Mankind continued right after the Flood of Noah.

### NOAH

I remind you too of the angels who didn't keep their position of authority but deserted their own home. The Lord has kept them in eternal chains in the underworld until the judgment of the great day. In the same way, Sodom and Gomorrah and neighboring towns practiced immoral sexual relations and pursued other sexual urges. By undergoing the punishment of eternal fire, they serve as a warning. —Jude 1:6-7

### INTER-DIMENSIONAL PORTAL

Ancient Babylon has been built up with 3 prominent mounts or 'towers' that configures a sacred geometric tetrahedron. Babylon is built on a major Earth energy ley-line. At certain days of the year and of the day, a combination of the energies of the Sun, Moon and Earth with this position can open up a 'gate' through magical evocations and help from demonic forces.

Nimrod is attributed to have started the infamous Mystery Babylon the 'great' religious system. It is a false religious order in place of GOD's Truth. It is the unholy trinity of Nimrod, Semiramis and Tammuz, the son, born on December 25.
