

Preschool Program Overview

Welcome to Kinderprep, where every child's creative journey begins!

Our preschool program is designed to nurture children ages 2½ to 5 in a warm, engaging environment. We follow a thematic academic curriculum, with hands-on lessons that cater to all learning styles. Our philosophy recognizes that every child develops at their own pace, so we challenge each student according to their interests and abilities. Small class sizes ensure that teachers provide plenty of one-on-one attention, helping children grow socially, emotionally, and academically. By the time they complete our program, students are confident, independent, and ready for Kindergarten.

Program Details:

- Full-day schedule: 7:00am to 6:00pm
- Academic hours: 9:00am to 3:00pm
- Open to children ages 2½ to 5
- Year-round program (12 months)
- Summer attendance is optional after PreK-4 or Kindergarten graduation
- Adventure Camp available for children entering Kindergarten or 1st grade

Enrollment Information:

- Registration is ongoing, subject to availability
- Main enrollment period is January for the upcoming summer and school year
- Space is limited, so early inquiry is encouraged
