RECREATION FINANCIAL REPORT

Recreation Center records show numbers consistent with this time of year.

NEW BUSINESS

Phil Bures reported the following new business:

- A. Baseball Wrap up
 - 1. Bleacher Covers had a person approach Brandon at one of the tournaments to let them know that he had some materials that he was willing to donate to the City if it would work for this project.
 - 2. Coach Pitch to pitching machine. Phil is looking at a change in the youth ball program to switch from coach pitch to a pitching machine. This will allow us to join a league and split the boys and the girls. Phil thinks that this step will better prepare our players for the next level.
- B. Pool – All is going well at the pool this summer
- C. Tackle Football – Sign ups have started for this season. There was some question as to whether there would be a 3rd/4th grade league this year, but we are still taking the registrations just in case. Phil seemed to think even if there was not a league that he could find some games for that age group somewhere.

OLD BUSINESS

- 1. New Playground Project- We did not get the grant so the project has been put on hold for now. As we look for other grant opportunities.

With no further business to discuss Brandon made a motion to adjourn the meeting Dave seconded and meeting was adjourned at 6:30 p.m. Next meeting July 12th 6pm.

Submitted by Phil Bures Recreation Director.
