

Tipping vs. Tithing

What return
do we make
to the Lord:
a tip
or
our tithe?

Tithing
is up front;
tipping
comes last.

Tithing is from
substance;
tipping is from
leftovers.

Tithing is a
major decision;
tipping is an
afterthought.

Tithing arises
from prayer;
tipping stems
from pressure.

We tithe to express
devotion;
we tip to avoid
embarrassment.

We tithe because
we want to;
we tip because
we have to.

So, take a tip
from Scripture--
TITHE !
