the Swedish Festival during the opening ceremonies at Richard M. Wood Memorial Park following the parade. Queens will also work at a lemonade stand at the Swedish Festival.

Queens **will be required** to make many appearances throughout the year. They are also **required** to participate in fundraising events, service projects, and other local charities.

We encourage our queens to be involved in extracurricular activities. We try our best to make sure we work with our queens' schedules as much as we can. Queens are only allowed to miss 4 events during their year reign. (The following are excluded from the 4 absences since we do not have any control over the scheduling of the following-Butterfly Bridge event, the queen's prom, school sports games/practices, dance competitions, softball games. If a queen is sick and has to miss an event a dr. excuse must be given to the director. We do ask that if our queens cheer or play a school or little league sport that those absences not be excessive because of that sport. If our Miss and Jr Miss compete in Blast they must turn in a list of queen events to the Blast directors. If at all possible they will not be allowed to miss a queen event because of Blast practice. We want being a queen to be a top priority and commitment during their year reign. Please consider all of this before you sign up. If you have questions about dates of events please contact the director before sign ups. If the Miss Queen fails to fulfill these duties, and misses more than 4 events she will not receive her scholarship when she begins college. All queens are subject to giving up their title to the first alternate winner if she misses more than 4 unexcused events. Please also see the queen rules/attendance policy attached to this application.

Queens will not be allowed to participate in any other county, state, or national pageants or local photogenic competitions during their reign as Swedish Festival Queen. If the queen participates in any photogenic contests outside of the county she may NOT turn in a photo with her wearing her Swedish crown. This includes any pageants that are close to the end of their Swedish reign. If you hold a national or state title at the time of our pageant you will have to give that title up if you are crowned as one of our Swedish Queens.

For further information please call or text Swedish Queens' Director Amy Jolley at 205-294-9803, or email at swedishfestpageant@gmail.com.
