Thanks for PTREA

I like PTREA because we learn more about Jesus and what happened to Him. I think that PTREA is helpful because it helps us learn more and to enjoy Jesus' story. Jesus gives us a lot of miracles to be happy.

Tania B.— HB

You should come to PTREA, because you get to do amazing crafts and learn all the miracles that Jesus did. Remember most of all, Jesus loves everybody no matter how they look. God bless you and everybody you love.

I love PTREA, because it shows me how to shine and brag about the Lord. It also lets children of all ages be able to worship the Lord. If you are at a school (Christian/not), you can learn about Him. We want as many people as possible to go to heaven —ALL brothers and sisters. We need PTREA, so that as many people as possible can come to God's kingdom of joy, happiness, love, faithfulness, kindness and so much more. Always have faith and trust Christ in all situations. It will lead you to the right path.

Rhtan P. — MB

In PREA, I've learned about God. My favorite thing in PTREA is playing silly games. I love Jesus, because He created me.

Sophia — JG

I like PTREA, because it shows so much that we don't know about God. It shows what kindness, generosity, and education that He has done for us. Even though we could be bad, God will forgive us if we pray. I like that PTREA taught us that.

Iang P. — RP

I learned a lot in PTREA. I learned how God risked his life for us. Also, I learned how He lived and what He ate.

MaKenna G. — MB

I Love God and Jesus!

Why I love God — I love God because He made all of us and He listens to our prayers. Also, He saves people when they are in danger. Without God, nobody would be here. He makes animals and matter. He helps everyone and He will answer our prayers. That is why I love God!

Ava. A. — GV

I love Jesus, because He is my Savior; and He loves me and I love Him too. AND HE ROCKS TOO!

Cora T. — CY

I love Jesus because, He cares for us. He is the answer to our prayers. If it was not for Jesus, we would not live today. I love Jesus. We all do! God and Jesus live in each of us.

Trinity C. — HB

I love Jesus, because he created me. My prayer to God is to keep the world protected. I've learned that God sent Jesus so He could tell everyone that He will protect us and that He will help us.

Mallory G.— JG

I love God, because He protects us and He saves us when we are dying or sick. He loves us and He makes us feel good when we are down. He loves us and our parents and protects them. He calms us down when we are angry, so He helps us. Do what is right in the eyes of the Lord..

Sadie P. — MB

If I grew up with Jesus, I would look after Him, protect Him like I was His guard. I would do all of this, because Jesus made me and He saved me from sin. I hope everyone gets to know him and be thankful for his kindness.

Victor C. — AL

I love God and Jesus because They think I'm amazing just the way I am. Also, They take away my sins.

Emily S. — HE

I Love God and Jesus! (Cont'd)

God did miracles, and died on the cross for us. We are all here because of Him. We all love each other, but God loves more than we could every love one another. I love God so much. He has given me faith and encourages me when I am scared. God is amazing.

Libby G. — GV

I love Jesus because He has given us miracles that we don't expect. In the past, He has done the same. He also died to cleanse our hearts from sin. Lul M. — SE

Jesus, Jesus, I love You so. I hope you take care of my loved ones. You make me think anything is possible. You died on the cross for me, because You love me and I love You so.

Annabelle S. — DM

I love Jesus, because He saved my life by dying on the cross and cleansed me of my sins. Now I am going to heaven with God.

Johnson T. — SE

I love Jesus, because He answers me each time I ask Him a question. Jesus also loved me just the way I am! Jesus died for us!

Emely V. — DM

I love Jesus, because He made me. Jesus gives us food to eat and water to drink. Jesus died for us, because He wants us to go to heaven. I love Jesus, because He gives us life and He loves us so, so, so much. I love Jesus because He loves me when I am good and He loves me when I am bad, and He forgives all the people.

San C. — WV

Roses are red.
Violets are blue.
You are the Lord.
And I will always pray and love you.

Katelyn S. — SE

I love God, because he forgives us and gave His life just for us. No matter what bad things we do, He always forgives us. I love PTREA, because we talk about Bible stories and verses.

Hannah T. — RP

I love God, because He saves us when we need help. He helps the homeless people, too. God is our Lord and He is good. Do I know that God is beside me? Can I see God? Well, I cannot see God, but I know He loves me and He is always beside me. These are the reasons why I love God.

Par K. — GV

My Favorite Bible Story/Verse

My favorite Bible stories are when the little boy went to Jesus so he could be healed. Also, when the sick lady touched Jesus and she did not get in trouble.

Shaniya — WV

My favorite Bible story is in Matthew, because Jesus was born so that he could die on the cross for us; therefore our sins are forgiven and we can be with God.

Lily H. — HE

My favorite Bible story was when Jesus cured a man of leprosy. I love Jesus because He loved and cares for every one.

Julie F. — BE

My favorite story is when God made things in 1 — 7 days. I like this story because it is very interesting and cool! It makes me go "Wow."

Ngun C. — RP

I Believe in God & Jesus!

Everything in life is God's plan. From the biggest moments to the smallest moments. God loves us no matter what we do. Like a boomerang, we always come back to His caring arms. He always comforts us, no matter what. From a loved one dying to the smallest cut, He loves us along with everything on the planet. He gets angry, but very slowly. He is the kindest, most perfect person in our lives.

Avanell T. — HE

My prayer to God is to be raised to heaven to be with all my family that has passed away or who I haven't met yet. I want to meet them or see them again. They are special to me and If I were able, I would go back and forth to heaven so I could see them everyday.

Chloe P. — JG

I believe in Jesus, because He can make anything happen and makes miracles to save lives. He is the creator of the world. He made everything in the world.

Huge A. — WV

I believe God, because He is our Father and He created the world. He wants us to treat each other the way we want to be treated and I love that about Him. My last reason is that without our Father God, we would not be living here.

Mikayla P. — AL

I believe in God, because without God I feel like a dry creek without water. He is apart of my body in my heart, and He is good to talk to and tells you the truth about Life and He loves you.

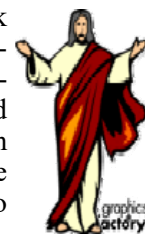

Alayah D. — AL

?? ? ? ? ? ? ?

If I could ask God a question, it would be "How did He make the world and the people?"

Marcos H. — CY

If I could ask God a question, I would ask "What is life? Who am I?" I believe in Jesus because He saved us and He is a wonderful person. Jesus is my Savior. I would do anything for Him. Nothing would get in my way, because Jesus is my Savior. He gave His life for everyone, so I shall do anything for him.

Angeline — CY

Dear Parents,

As you can see from what students have written in the "Pathfinder", PTREA continues to sow and nurture seeds of faith, hope and love in the students of Perry Township. It is our privilege to share the love and knowledge of Jesus with them. We hope this will make a profound difference in their lives.

PTREA is **FREE** for all students. Although it costs approximately \$50 per student to provide this program, the costs are covered by the caring donations of parents, churches, and civic organizations of our community.

If your child has benefited from this program and you would like to have a part in helping PTREA to continue, please enclose your tax-deductible contribution in an envelope and return it to your child's teacher or mail it to PTREA at the address listed below. **Your donation will be greatly appreciated and ANY amount is helpful to keep our program going.**
