What's New

Our little libraries will soon be installed. One at the Community Hall and one at Helicopter Play Park.

The hall got a new coat of paint upstairs as well as new handrails and trim.

New trim lighting was installed outside. This replaces the old Christmas lights.

Thanks to Jeremiah and crew for all the work to “spruce up” our hall.

Don't forget to check our website, Facebook and our community sign for upcoming events.

The Alberta Emergency Alert and 511 system has been updated. Download the 511app to give you updates on all road conditions.

Recreation News

Our Pickle Ball Group held the Second Annual Tournament this summer. The winning trophy went to Owen and Mark. Congratulations. There are some options for pickleball over the winter, please e-mail bvdrecreation@gmail.com if you are interested. Regular outdoor will resume again in the Spring.

As soon as the temperature drops we will begin work on our skating rink. The rink is a lot of work, so a big thanks to those who helped flood and shovel last year. Anyone interested in helping us this winter please e-mail us. Also, if anyone has an old snowblower they no longer need, please let us know.

We will be hosting a WINTER FESTIVAL this year. We are hoping for late January, early February. Watch for more information on our website and community sign.

Gathering Gardens

Our community gardens are all cleaned It has been another wonderful year of good gardening in the Downs. Thank you to Les and Esther for taking care of the upkeep and maintenance this summer.
