## How Cedars-Sinai can also improve your financial health.

A Cedars-Sinai Charitable Gift Annuity doesn't require a second opinion. Not only will it allow you to meet important personal and financial goals, it means we can continue the quality of care so vital to the community. You and/or a loved one can receive a lifetime of payments earning up to 11.3%, earn a charitable deduction for a portion of the value of the gift, secure partially income tax-free payments, and save on
