All orders must be placed at least 3 days prior to pickup and paid for in advance. Prices are subject to change without notice.

Special orders are encouraged. Our pies are made fresh every morning from the freshest ingredients possible. We hand roll each crust individually from our own homemade dough. We use fresh fruit and cook our fillings from scratch. This is why you should order your pies several days in advance. This way, you get what you want, when you want it. We do not take same day orders.

About our Products

Our pies are made with the freshest ingredients possible. We bake with real, natural ingredients such as butter, whole milk, cream, eggs and sometimes various nuts. While a product may not contain nuts, it is processed on the same equipment as nut products. If there is an allergy involved, we suggest that you do not take the chance.
