Re: MHS Skipper Marching Band
Sponsorship & Advertisement Opportunities

To Whom it May Concern,

I am writing today as the MHS Band Boosters Sponsorship & Fundraising Chair on behalf of the 150+ members of the Mandeville High School Marching Band. Each year our marching band, color guard, concert bands, and jazz ensemble show steady growth. Contributions from community partners, such as yourself, to our program go toward acquiring new instruments, uniforms, sheet music, storage, and ever-increasing transportation costs. Ongoing support from local businesses and kind individuals is crucial for the continuation of daily operations of a program of this scale.

In return for your support, we offer several networking and promotional opportunities that provide business advertising and promotion throughout the school year. We will proudly endorse your business by displaying your logo on our band's website, social media postings, and all seasonal band printed publications and programs. This year we have additional opportunities for enhanced community exposure: half-time band performance sponsors for all home games (including playoffs), a band sponsorship banner that will be displayed at each home football game by 1,000+ attendees, and top-tier band trailer sponsorship. Our 24' band trailer sponsorship would spotlight your business' logo massively, on the 8' x 7' rear panel. Band trailer sponsorship gives you a moving billboard throughout the Northshore for football games, parades, and statewide competition travel - where we go, the trailer goes!

March with us through the best season yet, become a Skipper Band Booster sponsor today! Attached you will find we offer various levels of sponsorship and appreciate all contributions to our program, including in-kind donations. Have another idea how we can partner together? I would love to discuss any ideas on how we can mutually benefit from working together to keep these kids playing beyond the "Friday Night Lights." MHS Skipper Band Boosters is a 501(c)3 tax-exempt non-profit organization and donations are tax deductible.

Thank you in advance for your consideration of this request. If you have any questions, or require additional information, please contact me at your convenience.

Kind regards,

Members of the MHS Skipper Marching Band

SKIPPER MARCHING BAND SPONSORSHIP INFORMATION

Here comes the Mandeville Band!

Whether at home, away, parading down the streets, or competing statewide, their music echoes far and wide. Close to 200 members strong, the MHS Skipper marching band is one of the largest, most respected, and awarded bands in the parish and state. Through music education, the MHS band program provides physical and mental growth, discipline and dedication, teamwork, and adversity – all while personally becoming a better musician. Many former MHS band students advance to collegiate band programs throughout the state and nation, including LSU, Southeastern, Tulane, ULL, La Tech, ULM, and Northwestern.

Mandeville High School's Skipper Marching Band goes far beyond the "Friday Night Lights"

The band participates in several marching band festivals from the end of September through November, performing their halftime show. The band competes against groups from across the state and often travel across the Gulf Coast and often wins awards in: Guard, Percussion, Drum Major, and Overall Band. This year the Band will be joining the USBands Circuit as well as participating in many local band competitions throughout the fall.

"March with us through the best season yet! Be a Skipper Band Sponsor!"

The MHS Skipper Band Boosters is a 501(c)3 tax-exempt non-profit organization and donations are tax deductible. Your generous contribution and financial assistance will greatly aid in sustaining the ongoing growth and competitiveness of this program. Your support is highly appreciated; in exchange, depending on the selected sponsorship level, we will repeatedly showcase and endorse our community partners throughout the school year. We have various sponsorship packages available and appreciate any contributions made to our program.

Thank you for your support!
