

Messages Compiled from April, 2016

How Prayer Fails

April 1, 2016

The precious peace and grace of our Lord Jesus be with you all, Heartdwellers.

You know how it is when you get busy with the world and it's difficult to finally get your mind to settle down and get into worship? I'm just getting the edge back on my prayer, after all my "busy work". And during worship, I was finally

able to focus and really enter into that sacred place with the Lord.

We were dancing on a large, open ballroom dance floor. I could see my dress, which was slightly full and a rich, midnight blue color. It had stars trimming the bottom edges and coming halfway up the under-lighting fabric. The outer layers of the dress were sheer fabric and the bodice was satin, coming almost all the way up, and then sheer fabric to my neck and wrists, and was tastefully studded with TINY, tiny stars.

I take the time to describe the dress, because it was designed in Heaven, and who would think there are evening gowns in Heaven? There's not even an evening in Heaven! But there are evening gowns. Since the Lord has taken the time and trouble to give me such a beautiful garment, I think it should be shared with you, because He surely has something like that prepared for you as well!

His face became clear as we danced and I realized I was dancing with Holy Spirit, yet I didn't feel distant from Him, as I sometimes do. He smiled, and I felt so relaxed and at home in His arms. We were on some sort of outdoor dance floor near a lilac bush in full bloom. Wow, He knows how much I love lilacs! After a few moments, Jesus cut in and danced with me. I was singing a worship song to Him in my heart. You're probably familiar with that song, "Draw Me Close To You."

"Draw me close to You,
you are my desire.
And no one else will do.
'Cause nothing else can take Your place
To feel the warmth of Your embrace.

And every time that verse came around again, He would take my face in His hands and accent the verse, "You are My desire, no one else will do, cause no one else can take your place..." and looking into my eyes so sincerely, I was overcome with thanksgiving and joy that I could mean anything to my God.

And I won't go into any depth here but as I have shared with you in the past, He has taught me that there is a place in His being where each person, unique as they are fulfills a desire in Him

that no one else can fulfill. And that's why He is so grieved when He loses a soul to the enemy; that is a part of Him that is gone forever.

I was quietly thinking of the Rapture - and kind of complaining, you know? Nothing anything out loud, but it's like, "It's taking so LONG, Lord, so long! So many disappointments. I am weary, weary, weary of all the delays. Oh, when will You ever come?"

And that's what I was thinking, supposedly to myself. But when you're in His presence - forget it! Nothing is "to yourself." He sees and hears it all.

And He broke into my private little conversation, looking down at me with great compassion and He said, *"I know how you feel."*

I answered, "You do?"

"Yes, I know exactly how you feel."

But how could You?

"Because I wait for you to come to Me, with your whole heart, in prayer. I wait and I wait and I wait. And I listen to you telling Me, 'I'll be there soon, Lord!' and I continue to wait. Sometimes days. So you see, I do know how you feel."

Oh, that's terrible Lord!

"I know."

Well, what is it like when I finally come?

"Heaven." He answered emphatically.

I smiled. I was also thinking, 'I don't want to be one of those who teaches about God and isn't in love with Him.' Loving and serving Him is one thing...being in love? Well, that's quite another. I always want to be in love with Him.

He continued, *"I'll tell you one thing though, it will be when you least expect it."*

ohhh... Oh, Lord - stop teasing me!! I wondered to myself, 'When could that possibly be? What circumstance could that possibly be? Maybe I'll be asleep? I wouldn't be expecting Him if I were asleep...'

Right around that time, I saw myself in a wedding gown and we were dancing all over the dance floor. I was going to put "Draw Me Close to You" on repeat again and He said, *"Let Me pick the next song."* He chose Terry's song, "We Glorify The Lamb," and I worshipped Him.

Afterwards, I asked Him, "Lord do you have anything to say to us?"

"Indeed I do, sweet Bride. I know how you have all waited, and waited, and waited for Me. I know how you feel because I wait and wait and wait for you to come to Me with your whole heart, your whole mind. That can at times be a very long wait. I understand the undercurrents in this world that pull you into its vast ocean. And I want to tell you, you must exert great force in swimming out of its undertow."

I don't know if any of you are familiar with that aspect of the ocean, but sometimes there are very dangerous undertows. And you can get out in, maybe five feet of water, and all of a sudden you're feet can go out from under you, because there's an undertow under the current of the water, on the bottom of the water. You get out there far enough, and it'll just drag you. That's why some beaches say, "No swimming. Dangerous undertow." So, that's what He means by the "undertow." Once you get caught in that, the only way to get out, that I understand, is to swim WITH it, but sideways, so that you somehow make it to land. You can't...there's no way to swim against it. It's way too powerful.

"Interesting You should say that, about an undertow. The last two days I have deliberately ignored e-mails and the internet because I wanted You to have that time."

And He replied, *"And you have seen how difficult it is to escape the seductive power of 'you need to do this, you need to do that.' It is a guilt tactic the enemy uses to take you away from Me. 'You haven't answered your e-mails, you haven't checked the channel, you haven't done the dishes, etc. etc.' Yes, guilt works. That is, unless you are more clever than the enemy."*

"Clare, for the last two days, I have given you a grace to swim away and out of that undertow, that undercurrent that so quickly swallows you up and draws you far out into the ocean of this world and away from Me. I have helped you keep in mind, 'One thing only is necessary and Mary has chosen the better part.'

"You see, this is what it takes My Beloved Brides. The Kingdom of Heaven is indeed taken by the violent - those who do violence to the myriads of petty things that come to mind each day, nagging for attention from you. They are things that may have a purpose in your life, but if you watch carefully, you will notice that come up strongly during prayer time. They come against you and press on you to abandon Me and do other things."

"At prayer time, you begin to still your mind and focus on Me. That infuriates the demons who say, 'Oh no you don't! You haven't hung the laundry, you haven't made that call back, you haven't listened to your messages, you haven't made dinner.' And on and on."

"They will use anything they can against you to force you to withdraw from prayer. Anything. And the more responsible and diligent you are, the more perfectionistic you are, the more you will say to yourself, 'I shouldn't be praying now - I haven't finished my housework yet.'"

"I want you, My Brides, to put those voices out of your heads and treat prayer time as the greatest responsibility you have. Because it IS. Many of you have been raised, no - MOST of you have been raised to see 'free time' as a reward after you've done all your chores. Most of you equate prayer with 'free time.' Not so! Prayer should come before any work that is not a timely necessity, like getting the children off to school. The world's priorities are upside down. And

who do you suppose arranged them that way? If you cannot get a good person to do bad things, get them to neglect prayer and that will begin their moral decline.

"Put demands before them from relatives and then spike those demands with guilt so they can't turn them down. It was not without good reason that I said that those who love mother, father, wife, husband and children more than they love Me, are not worthy of Me.

"There will always be demons to inspire dissatisfaction with some family member when you don't bow to their demands. Are you willing to face them off and lose their affection for My sake? Obedience is not something you give to everyone. You are never under any obligation to obey something when it violates your conscience or the Gospels. For this, great discrimination is needed. It is so easy for the devils to twist priorities to cause guilt. 'Honor your parents' does not mean sin for your parents. 'Honor your husband, your wife', does not mean sin for them. You are under no obligation to live the life your parents want you to live, rather you're to follow Me in your life path."

I just want to explain what the Lord meant by that last statement. I knew a lady who was in her 30's, and she wanted to be a missionary so badly, but her mother didn't want her to go and be a missionary. So, she lived a life that her mother wanted her to live instead of living the life that she felt called by God to live. And, in a godly household, of course we are to obey, but if ever you're drawn off in a different direction by the Lord in the household.

Say, for instance, your parents want you to be a doctor and you know that the Lord's calling you to the mission field - you're not under any obligation to please them. You're under the obligation to please the Lord.

The Lord continued here, *"When moral obligations come into conflict with family, so often excuses are made just to avoid confrontations and keep the peace. If you are living with a non-believing spouse, parent, or family member don't fall into the trap of being self-righteous. Find peaceful ways around confrontations when you can, but if push comes to shove, stand your ground and honor Me. Many times I am working with a hostile family member to give them an example and bring them to Myself.*

"The devils will continually stir up strife to deprive you of your prayer time. So, be prepared in the long run to stand for what is right."

Well, Lord, what about saying the binding prayer?

"Yes. Binding and loosing prayers are very effective for stopping demon traffic in your home. As a believer, living in your house, you have rights over evil and you can pray against it and receive angelic assistance. But you are somewhat limited by the workings of evil spirits that are there by consent of the others who live in the house. Still, your prayers are powerful and very often whoever you are praying for, removing their demons and their company, they don't know what hit them. Just all of a sudden, the oppression and impulse to do evil leaves - with no explanation.

"This is the heritage of the children of God. Freedom from oppression and the constraints of the enemy. There are many, many times when I am testing your courage and your charity, and so it

is essential that you remain close to Me so that you know the season you are in. Is this a time to be conciliatory or a time to stand your ground?

"I am telling you these things, My children, because many of you live in oppressive environments and are confused about obeying your parents, your husband or providing for your wife. Whenever a request comes to you that compromises your conscience or inspires guilt, beware. It is the ploy of the enemy.

"Really, what are you willing to suffer for Me? Are you willing to fall from favor in the eyes of man? Call to Me in these moments and I will instruct you and lead you out into an open place where you can find peace in My presence without the entanglements of men. Never fear to call evil what is evil, never fear to stand when you know what is right. It will sooner or later bring you into confrontation, so the sooner you master your fears, the more freedom you will have in the long run. Remember: I am always with you, beside you, in you, and I will come to you and give you comfort for the wrath you incur on My behalf.

"I love you, I guide you, I am with you. You are Mine. Let no man insist they have the dominion over you. You are a child of God."

Prophetic Dreams 4-2-16, WWII, Korean Invasion, Family Stays Behind

April 2, 2016

The faithful and encouraging presence of our Lord Jesus be with you all, Heartdwellers.

So, tonight I'm going to share with you some dreams. I had a dream about 2 hours ago, which is going to be at the end of this message. But we've been collecting a few visions and dreams that have been sent in to us that I think are very relevant, and will be very helpful and encouraging for all of us who are waiting for the Rapture.

Okay, the first one is from one of our listeners:

May the Sweet Love of our Lord Jesus be with you. A quick note to let you know that two of the major works the Lord was waiting for are here now. They are two movies. [Miracles from Heaven](#) and [God's not Dead 2](#).

Do you remember that you asked Jesus if you were going to have time to finish the thumb drive and Jesus told you, "Yes, they will be in distribution when the rapture happens." Well any day now. They are starting to be in distribution and the movies are out.

And just a note on that, guys. This week they'll be on Amazon for sale. Sometime this week. I can't tell you exactly when. And when I say "sale", I don't mean for profit. It's just going to be the charge for shipping. We had several people come forward and pay for them. But Tethered, the Tethered thumb drive and the Tethered Album will be on Amazon and iTunes (the album) sometime this week.

She continues here:

Before your message came out today, yesterday afternoon after work I was praying but spent my time crying for doubting God's word on the Rapture. (Boy, haven't we all been doing that?) He said it will be weeks and not months. Many of us have been expecting His coming earlier, I was telling Him, like if I was someone that can question His decisions. He said weeks and not months and it has been almost two months since that day He told you that.

I cried in repentance Then He gave us that sweet message today.

Well, almost two months, is not months!! (I wrote to her.) And He said He was increasing the time by tiny increments until everything was distributed. We still have this week ahead of us for them to get out. The thumb drives and albums are just being shipped to Amazon now.

So, when I had my head in the pillow last night, (she continues) before I closed my eyes, I asked Him about the Rapture. Will I go? He gave me the most magnificent dream ever.

I was with my husband and all of a sudden my body began to shake and immediately I was transported into some sort of carriage. Then into a room with both my parents that are dead. In my spirit, I asked the Lord, 'Is this the Rapture?'

He answered, "Yes."

A few seconds went by and my daughter (that doesn't want to hear about the Rapture) showed up in the same room.

He said, "Yes, it is her."

A few more seconds and one of my brothers showed up, too. The other one never showed up and the Lord said, "Remember, He doesn't believe in Me as being My son any more. He became a Jew," so he stayed behind.

After a few more seconds I asked about my grandson, he is three.

The Lord answered, "Don't you hear his footsteps?"

I stayed very silent, and I heard his footsteps. When he came into the room it was like a whirlwind brought him. He was all dirty from the Ascension and he just shook himself like dogs do and all the dirt was gone. There he was playing with grandma and giggling with her.

Then I asked about my son. No answer at the beginning but He replied, "He, too, has stayed behind."

The weird thing is that he preaches the gospel. I have never heard him preach because he lives in Puerto Rico. We can use Facetime in our phones, but rarely happens. I don't know what church he goes to. He never talks much about it. When I told him about

Jesus' messages through you, his answer was they were not from Jesus. You know how it goes. I will not say much to him. I just pray until my heart breaks. I know Jesus has everything under control now.

Then I saw my husband on Earth, walking with his mother after that. The Lord is so good. I have never had an encounter with Him like you have, but He gives me dreams instead. Very sporadically .

When I woke up from the dream it was because I was giving thanks to the Lord. I woke up and my husband was laughing and playing with my grandson. I'm so grateful for that dream.

Now, she had another dream on October 2014 before her trip to Israel. This is how it went: Jesus showed me a war in DC. At the beginning, I thought I was in a castle but now I know it was the White House. As the dream was going on, a bookshelf appeared and disappeared with books in it. Then the dream kept going on.

The General of the army invading the land had a clipboard with everything that was going on written. As the war was going on in our land, that General was explaining to me why all of it was happening. Of course, some dreams of the Lord, He doesn't let you remember everything, and this conversation was one of them.

I remember after seeing all the destructions and bombing that went on, we ended in DC. The White House was almost nonexistent and they were changing flags on the top roof, from the American flag to a black flag. The bookshelf kept appearing until the Lord allowed me to read the title of the books on that shelf:

The Book of Life

The Book of the Living

The Book of Tears

The Book of Remembrance

The Book of Truth

Then I heard His voice telling me, "

Is time to open them". And I woke up.

Okay, here's another one, from a different listener:

My first dream began last January 2015:

I was on a ship that went across the ocean very quickly. It stopped outside a statue that was ugly and black. I said to the angel standing next to me on my right, "That's not the Statue of Liberty, I don't know what that is."

Then I saw further across in the distance, the actual statue of Liberty and said, "There it is! You see? That's the real one. I have no idea what this ugly statue is."

The ship then moved forward at great speed to a city completely under water. I realized that this was New York City and only some of the tops of the tallest buildings were shown. In all of the windows and in the sky, there were thousands and thousands of white doves.

I just wanted to remark on that for a moment. At first, I thought it might be the symbol for souls that had lost their lives. But when we were in ministry in Columbia, one of the visionaries had a dream of the Great Earthquake and all the buildings were leveled. They were all rubble, so you couldn't tell where anything was anymore. Except there were clouds of doves perched in different places. They recognized the doves and the pigeons as having lived there in that area, and that's how they knew what area of the city it was, by spotting the birds.

So, if the birds totally lost the city to live in, then they would be hovering or landing wherever there was a place for their feet. So, I'm not sure what the white doves mean.

Then, she had another dream in February:

I saw a brilliant blue sky and white light was flying through the air. I first thought it looked like a shooting star and then I said to myself, "No, it's a rocket of some sort." The dream then immediately moved to a nuclear rocket on its side and it had a red star on it. I recognized this to be a Russian symbol. The dream then quickly moved to me watching television, and on the screen I saw Obama talking but I didn't hear what he was saying.

And another dream she had:

I had a very quick dream of overhearing a conversation. I heard the name Miami and then a voice said in my right ear: "Now you know!"

This one was in New York:

After that, I was in the sky looking down at a bridge in New York again. I could see people doing their normal things, busying about as they do there. Suddenly, the water moved back and up and then gushed right over the people. I was then taken to a shop somewhere in New York. I was looking out of the window. I could see a blond-haired woman, with blue eyes. Her hair was pinned back. She was pushing a push chair across a busy road. (They do that in New York City, by the way...)

She stared directly at me. All of a sudden she looked to her right and fear crossed her face. I started to scream at her, "Get inside, get up, get high . . . don't stand there!" I saw the sea swirling down the street towards her.

(I have prayed for this woman).

Yes, guys - whenever you have dreams like that, do pray for the people you see.

And here's one about the Mark:

I saw three children playing. A boy amongst the other two children had light brown hair with blue eyes. He was pulled away from them and stood in front of some adults. One of them injected his right hand with a microchip. He turned around to face me. His eyes had become glossy as if he had no soul, no connection with the world or people around him. The other children continued to play, but he just stood there.

Another dream she had:

I was in a school and saw our enemies waving their weapons at the children and teachers. I saw one dressed as a Muslim, she was young and was holding a handgun in her right hand. She was pushing the Christian school children to the left and letting the

Muslim children move on. The dream then moved to seeing waves crashing on a beach. I picked a newspaper up. I saw the date. It initially said June 2015. A line was drawn through this date. Another date was written with 2016.

Wow! Well, we all know that the Lord gave us mercy this last June. So, that's another confirmation.

On January 7th, 2016

I walked into my kitchen with my husband. I could see what I was wearing. All of a sudden, I started to glow. I turned to my husband and said, 'I love you.' I then disappeared instantly and I watched my clothes drop to the floor, my watch hit the floor last and made a clunk sound as it hit the floor.

Wow! That's amazing!

Then, on January 8th, she saw a headline of a newspaper. It read 'Israel in siege.'

January 9th: She was attending a party in her dream. People were talking about some dreadful event in the world. I looked at a newspaper on a table. Headlines read: "USA at war." I saw a photo on the front page showing aircraft moving down from the north of USA. The article went on for three to six pages.

Some women were talking and saying "How awful this was." I said to them, "That's not what you need to worry about. You need to be right with Jesus because He is coming to take His people. So I suggest from now on, every moment, give your life to Jesus, as we have very little time."

Well, she had a few more here, but I'm going to move on to the next listener who had some dreams:

Dear Clare and team. I remember when you gave a message about how some of us will be left behind to lead people to Christ by "choice". It was an agreement with Jesus we made before we were even born. It spoke to me, but what happened next totally confirmed it.

A few days prior I was asking the Lord a lot of questions like this: Will you convict my family that Halloween is evil? (This is a mother speaking, now.) Will you tell me if I am pleasing to You? So, the other night my 7-year-old boy had a slight fever and went to sleep for about 5-10 minutes. While sleeping he was mumbling: "Do you know what a cross is?" (lol...wow!) And I answered, "Yes, I do". He repeated: "Do you know what a cross is?" And I said, "Yes!" Then he said: "Do you know what a crown is?" I said, "Yes, I do." Then he said: "They are the same thing!"

At that point, I knew something's up. Who was he talking to? This was deep stuff!

So, I woke him up and at first he was groggy. After that I asked him who he was speaking to and he said: "Jesus, Mom. Doesn't everyone do that?" I said: "NO....!"

I asked him a lot of questions, of course. He said Jesus had nails in His hands and feet with tears in His eyes. He was beautiful and bright. I asked him what Jesus had said about me:

He said, "Your mommy is going to do something amazing for Me some day." Then I asked him about my teenage daughter, who isn't the most loving these days. He answered: "Jesus said that all of my daughters and my husband will be great saints some day and will die for Jesus."

And so will my son and I. And that his grandparents will become great saints because of my husband and I. Jesus cried when he showed him hell because He said He hates for people to go there. He also told me He showed him 2 towns by the red sea (Sodom and Gomorrah). He said that after God's children are all in Heaven, God will send fireballs to Earth to kill all the bad people.

And that's when Jesus was sad because so many souls will go to hell.

Clare, I have always had a calling to be a preacher, but so far not many doors have been opened.

Well, you know what? A LOT of doors are gonna open for you VERY soon! Very, very soon. Oh, the Lord give you courage. What an amazing future!
So, at this point I got to my dream, that I had tonight:

Ezekiel and I were at some kind of small gathering in a dining room adjacent to an old Catholic church. The priest there was putting away vestments that are used for their prayer services, and talking about a bishop. I had the sense they were preparing for a church event involving other priests. But we were with a group of people, some of whom had just been released from prison.

Somehow I understood that one of the men, a very rough looking character was planning to rob the church and waiting for his buddies to show up at the door. It was a rather poor neighborhood with an amusement park not too far off and a large trailer park neighborhood. I went outside with one of the women to warn them that I felt there was going to be a robbery that night from the ex-inmate and his friends.

We walked down a long lawn and were standing on the driveway of the church that wrapped around the building but it was on a hill. Below us was an ocean - more like a bay, because it was very still water, and I could see land on either side. And a beautiful sunset had just faded.

I turned to my friend and said, "What a beautiful place! I would love to live here." As I said that, a flash of light happened about 12 miles away on the coast. The flash expanded slightly but kept rising in a column, then a bulbous part kept rising and then another bulbous part and then it expanded into a mushroom cloud. A relatively small one. I didn't hear the sound, I only saw the light.

The two of us stood there dumbfounded and then we saw people emerging out of the bay waters, one by one, coming up onto the beach. It was so dark I couldn't tell if they were wearing camo or black, but I caught the features on one man and they were Korean. We were being

invaded!! It seemed like we were in Florida, in a protected cove and the explosion happened to the right of us as we were looking out over the water. We could have been north of Miami, but it was not a huge explosion from what I saw or the open ocean. More like a cove on the Gulf of Mexico. And possibly we were facing Houston, I don't know.

And just a note here, I have had dreams before of North Korea invading the United States and being in the South, like Mississippi, and Arkansas and that area. Snipers hidden in the forest and they were North Korean.

Before I woke up I heard, "They will be eating, drinking, marrying and given in marriage." Luke 17:27 And I thought to myself, 'And getting out of jail and planning their next robbery, as well?'

Then I awoke.

So I asked the Lord, "Do You have you anything to add to this, Jesus?"

He began, *"I loathe the day this comes. With all My Heart I wish there were a way to avoid this. I wish things could be different. But because of the prayers and repentance of a few (in relation to the total population) many will be spared the sufferings so common in war. I have been slowly removing many from the zones of the worst sufferings, but the entire country will be affected. Commerce will stop, there will be food shortages, water shortages, disease and widespread panic and fear. The poor will suffer terribly because there will be nothing left over for them."* Lord, is this what you wanted to talk to me about?

"It should be obvious." He said. *"I hear the grumblings on all sides, 'In the last days mockers will come with their mocking, and saying, "Where is the promise of His coming? For ever since the fathers fell asleep, all continues just as it was from the beginning of creation.' 2 Peter 3:4*

"I am giving you these warnings because the time is so near. Just as you experienced shock while you were looking out over the water, so shall this whole nation be in shock while your troops are scattered all over the world and unable to defend their own land.

"This, too, has been orchestrated to America's demise. Yet, had you bowed the knee America and repented for your fellow countryman, the worst could have been avoided. But there simply are not enough righteous ones in this country to turn back the tide of evil.

"And so it comes."

And that's the end of the dreams and the message.

Miami Soon to be Bombed & No Greater Love

April 3, 2016

The peace and sweet presence of our Lord Jesus be with you all.

My heart is a little heavy tonight. As the Lord was talking about Miami, and Ezekiel got a message from Him. I'm going to share that with you in a moment. But as I worshipped the Lord tonight, we were on a dance floor and I was dancing with Him during worship. But He was very quiet. He had a white shirt on, with a collar, which I don't see Him that way very often. Kind of a formal looking white shirt, but it had a regular collar on it. And I was having a really hard time connecting with Him emotionally. But as we were dancing, 'cause normally I feel His heart and His presence and it's very sweet - but He was very subdued tonight. As we were dancing, blood began to flow from His wounds, and I understood that He was suffering deeply. He spoke to Ezekiel tonight about Miami, which I will share with you in a moment. I asked Him to please connect my heart to His, that I might share in this burden.

The Lord began, *"It is no mistake that Miami came up tonight, Clare. My heart IS very, very heavy about what is yet to happen there. I wanted Ezekiel's message to get out tonight so that those who live there and frequent this channel would have a peace about what is coming.*

"Yes, it is horrific, but I will indeed remove them from their bodies rather than seeing them suffer. Some will suffer but that is not the portion of My Bride. She is caught in the midst of the chaos only circumstantially. She is not meant to suffer this. Yet even the guilty I will show mercy to. What concerns Me more are the unsaved."

Lord, I know I'm weak, but I want to stand with You, pray with You, comfort You - but I just don't have it in me. Can I please have the grace to pray as I ought, even deeply from the heart?

"You are too caught up in the world, My Love. You need to forsake yourself in many things. But I will answer your request because you desire it from the heart and regardless of your weaknesses I want to draw you in, closer to My heart to share in My grief. It is a lonely place. Why do you suppose I had you pray the Stations of the Cross? There are many, many graces there, many graces to align you with My heart and the sorrow I carry for the lost. Would you pray that everyday? I will bless you with My sentiments and you will be very well connected to My heart."

Yes, Lord, I will, and also I will study how to remove myself from worldly distractions.

He answered, *"May I say, you have much improved? I do not want to discourage you, but there is still more you can do without; getting this done, getting that done. I'd rather you be done with 'getting things done', if you know what I mean."*

I do, I have been feeling this for days. Thank You for making it so clear.

"I want you to be ALL Mine. Let the world go its own way, but you cleave to Me. Oh, there is so much comfort in having you truly present to Me, resting in Me, being still before Me. It is a place where we can truly commune with one another and the less you have to do with the world, the better, and closer we become."

And I just want to make a note, here. Here, He is talking about things that are not really necessary but would ordinarily be things to get done, like repotting plants, washing windows, deep cleaning the house. I've been setting these things aside because I know we are not to be here much longer and I would rather spend that time with Him. But still I get tempted to do a couple of things, just that I would do every year at springtime. As it is now, I don't even leave the house to go shopping since Valerie helps me with that. As a result, I have more time for all of you and the Lord.

By the way, the Stations of the Cross is a prayer I learned when we attended the Catholic church. It is a meditation on the Passion of Jesus. Historical tradition has it that Mary went about looking for the places where Jesus shed His Holy Blood and cleaned it up, rather than leaving it to be trampled underfoot. It is a meditation on the different events that occurred as He was carrying the Cross. And a lot of those events are written in the Scriptures. It is said that, while she was in Jerusalem, she continued to frequent those places and pray.

The meditations are the events along the way, such as: when He was condemned to death, when He embraced the cross, when He fell under the weight of the cross, when He met the women of Jerusalem and told them not to weep for Him but for themselves, when Simon was assigned to carry it, when He was crucified and when He rose from the dead. All these things are written in the Scriptures and remembered in the Stations of the Cross prayer.

It is a beautiful devotion and I have rarely felt as close to the Lord as I do when I commemorate His Passion in this way. I also find His strength to suffer persecution, rejection and other things we go through on Earth, knowing that He made the ultimate sacrifice and still loved His enemies. I remember, for instance how He was condemned to death though innocent when He stood before Pilate and I pray "Lord, as you stood before Pilate, you offered no defense but rather willingly allowed false accusations to be hurled at You and yet You still loved. Please grant me the grace to love those who unjustly accuse Me."

Then I pray the Our Father and go onto the next meditation. Although most traditional Catholics have several other prayers that they pray with it, I very often get deeply into the struggles He had carrying the Cross, which was more than He could bear - and they conscripted Simon of Cyrene to carry it the rest of the way. At this station of the Cross, I pray for strength and charity to help others carry their crosses when they become too much for them.

I have avoided this prayer in recent years because it was so painful, but now He is asking for it, and I will obey. Yet there is a certain sweetness in meditating on what He suffered for our sakes. And I am absolutely positive He suffers this same way in the spirit over the divisions in the church, martyrs that are tortured and killed, children used as sex slaves and all the awful things that go on.

Some people would say, "But that's over with, He's risen." Yes, He is risen but He must watch as His people are tortured and murdered and He cries, He weeps bitterly for those who are suffering, so compassionate is His Divine Heart.

Jesus continued at this point, *"This prayer is so pleasing to Me, because it offsets the false teachings of prosperity that have infiltrated the church. Did I not say, 'Deny yourself, pick up your cross and follow Me?' Yet, today, where is the Cross being preached? All of you, My children, are much in need of strength to persevere as Christians. The Bride must fully resemble the Groom and I did not come on this Earth to satisfy My earthly, fleshly cravings. I came to serve and to die for You. I died for you and opened the gates of Heaven for all eternity - and now I ask of you to deny yourselves and follow Me. Is that so unreasonable?"*

"For these light and momentary troubles, you are rewarded with an eternity of bliss. But I have not called you to come to Me alone. I wish for you to bring others with you, and this is truly a labor calling for sacrifice and steadfastness. When people see your generosity in following My example, they are moved to come to Me; they see your motivation as Love for Me and your brother and that draws all men to Me. The abundant life is not meat and drink, but righteousness, peace - even in chaos, joy - even in suffering. Yes, indeed, this prayer strengthens you for the journey."

"Yet your journey, My Brides, is coming to a close. So do what you can for the hour will soon be upon you when you can do no more and you will regret what you didn't do. Look to the courage and strength of those who are suffering martyrdom right now and strengthen your feeble arms and failing knees. Rise up and shoulder your cross, much fruit is coming forth from its midst."

And then He wanted me to share the message for Ezekiel with you.

Ezekiel began: My Jesus, you have asked for us to sit with You tonight, and simply wait on You and keep You Company. Lord, what is on Your Heart and Mind tonight?

Immediately, I am seeing You and I, Lord, standing out in some sandy marsh grass, just at the waterside of an inlet outside of Jacksonville, Florida. It is about 7pm, and the sun is very low on the horizon, leaving a light misty hue as the tide goes out. There is still sufficient, early evening daylight to be able to see for miles down the coast, and You are searching the skyline for something. Standing beside me, with your traditional robe and outer layer, You have placed your hands upon your hips, occasionally stretching up on your toes to look a bit better over the sand hills.

I follow Your gaze off to the right, looking south, and suddenly - far away in the distance it begins to appear. A small plume of smoke ascending, growing higher and wider by the second. We have not heard any explosion type of sound, only a muffled "Poof" accompanied by a slight rise in the sand beneath our feet - hardly noticeable at all.

My immediate thought is, "Miami"! In fact someone just sent us a dream in which warplanes were flying overhead, and she distinctly heard the name, "Miami" Inside of me is a sinking feeling, Lord, and I am sick at heart now watching what was only moments ago a far away column of smoke, and now it has become a massive, fully defined Mushroom Cloud. There is no mistaking it. Only one thing could cause that kind of cloud, and it still be perceived 340 miles away. Is this the bombing of Miami that you showed us a few years ago?

"Yes, it is." Jesus replied. "I had prayed and prayed that somehow, all of this could be averted. But as it is, time cannot stand still forever. I have given every warning, every Grace; called for

and received every fast offering and sacrifice, throughout the world from My faithful ones. In the end, the fathomless oceans of My Mercy have mostly been spurned, ignored, and scorned. I sent them Prophets, Teachers, signs in the Heavens, and signs on the Earth.

"I would have moved the whole Universe for these, whom I love deeply with all My Heart. Many of My Prophets and Teachers they persecuted brutally. Many of My servants have been cruelly tortured in every way imaginable, and yes, many have paid the ultimate price. After excruciating sufferings and defilement, these faithful and innocent souls came under the long and drawn-out agonies of the most slow and horrid deaths. Yet, even before the blade touched their necks, they were gracefully transported out of their bodies, and mercifully rescued in the last moment.

"For with My own hand I drew them up and into My most Merciful Heart, the last and most sure refuge of the soul. Hundreds of onlookers testified to the faces of these martyrs looking up with radiant angelic smiles, even praying loudly and boldly, yelling to those who watched in the crowds 'Save yourselves from this wicked generation! Give your lives to the ONE, TRUE GOD, Jesus Christ, King of Kings, Lord of Lords! Savior, Redeemer, and True Messiah!'

"One such precious daughter, seeing Me coming, simply repeated My Holy Name: 'Jesus, Jesus, Jesus!' as our hearts and eyes met, and I tenderly drew her into the safety of My most loving arms, cradling her beautiful soul to the bosom of Her God. How could they have known, as they awoke that morning, that these would be the last hours of their life here on Earth? And that, within an instant of time, they would be so wonderfully transformed and surrounded by the entire company of Heaven, with all of its glories, and forever elevated to the high altar of martyred saints. These were days unlike any other days, save those throughout history, when the greatest love that can ever be shown is indeed exposed in all of its brilliance and grandeur. For no greater love has one than this; to give one's life for their God, and for souls. I tell you this: these occupy the highest places in Heaven, eternally praising My Holy Name and that of My Father. They are before the throne of God Himself, and forevermore will abide with Him there."

There are No Losers In My Kingdom

April 4, 2016

The blessings of the Lord's wisdom be with us all, Heartdwellers.

Well, He had an interesting message tonight. In our last message, He'd asked me to pray the Stations of the Cross, which I did. And He asked me.

He said, *"Thank you for praying the stations. Did you feel Me present?"*

In the beginning, yes I did, Lord. I really felt Your presence.

"Well, I was there the entire time, and even holding you, though you did not perceive it. I hold you a lot, Clare. You need comfort, because in your own way you are a very fragile soul. What people see when they look at you is not your strength, but Mine."

Lord, I've always believed that. I've always told my children that as well.

"And it's always been true. You are strong because I live in you and we are One.

"Now for the message. I did not mean to scare you, Heartdwellers. I meant to inform you and let you know that I AM IN CONTROL of what happens. I miss nothing, not even a mouse living in your basement. I am simultaneously aware of all life and the consequences of every action, so I am counseling you not to be disturbed at what you see or hear or what I tell you. Rather it is meant to increase your faith that all is in My control.

"On that note, your obedience to Me is everything. The part you play, even moment by moment, is determined by Me because you have given your lives to Me. I know how to get you into the right place at the right time for the most fruit to be harvested for the Kingdom. Therefore, all that is needed is your obedience and grace will do the rest.

"But you cannot be obedient if you are not listening to Me, 'Very Carefully.' Listening is one thing, listening 'very carefully,' is quite another. As you spend more time with Me your ability to hear and be aware of what I want for you from moment to moment becomes highly tuned. In this way, you will bear the most fruit for the Kingdom."

Lord, I am having struggles hearing and seeing You really clearly. My heart is beginning to ache because I miss you SO much.

"And the tragedy of it is that I am right here beside you, living in you, guiding and planning your day. Sending the right person at the right time to diffuse situations..."

Yeah, there was a situation today, and I said, "Yes, that had Your fingerprints all over it. She is an obedient vessel."

"A very good example for you, too, I might add."

I know Jesus, I'm not missing that point at all. I am taking it all in. Please help me to put it into action.

"We are working on this together, Dear One, it is a joint venture in cooperation with My Spirit. What is good is the attitude of your heart.

"My dear ones, don't you know that it is your attitude towards My instructions and corrections that determines your spiritual growth, not your ability? I ask for supple hearts that are eager to obey out of Love for Me. With this kind of heart, I can do anything. It is the disposition of your hearts that makes the difference.

"You worry so much about your mistakes and failures, but I am using them all. And in some instances, I deliberately allow them to humble you. I cannot pour My finest wine into cracked vessels: vessels cracked by judgment of others, harshness, un-teachable-ness, stubbornness, pride and self-will. First the vessel must be made whole and docile, then I can pour My finest wine through it.

"But I want you to understand - I know before you fall that you are going to fall. I have already made a provision for your recovery. But what makes it hard, if not impossible, is when you run from Me after a fall, because of shame. I knew what you were going to do before you ever did it. I tried to stop you, but you weren't listening very carefully. Now My entire purpose with you is to restore you to grace.

"Repentance must always follow a fall. Before you do anything else, come to Me on your knees and repent for having offended Me. I am there, precious soul, I am there to comfort and forgive you. Don't run. Don't listen to the suggestions of the enemy that say, 'God will never forgive you for that.' That's a lie! I am waiting for your sincere confession of sorrow for having hurt Me and others by your behavior.

"So often a soul imagines My anger, when in fact it is My sorrow that responds to your sins. I sorrow for you, because I love you and I know the damage that has been done to your soul, and My first and only thought is reparation - that is, to repair the damage and restore you.

"In the meantime, the enemy is screaming in your ear, 'You are hopeless, you are lost, you cannot be forgiven. Give it up, you'll never get it right. Come on, you might as well get some pleasure out of your life since you're going to Hell anyway. You'll never be good enough for God, you're a loser.'

"There is no such thing as a 'loser' in My Kingdom. Rather, there are those who were willing to change and those who were not. I never leave a truly contrite soul on their own. I always pick up the pieces and help them to begin again. I always offer new graces to build you up so you won't fall again. I always counsel you about Pride so you won't open more doors. There is no such thing as a loser in My Kingdom; rather, it is one who is willing and one who is not willing. The rest is in My Hands. Disposition of soul is EVERYTHING.

"With the willing soul there is no limit to what I can accomplish, with and through them. With an unwilling soul, no matter what graces I give them, they will squander them and fail. It's just that simple. And here I'm not talking about weakness - all of you have weaknesses. Here I am talking about a mindset that says, 'I've always been this way, and I'm not about to change, not for you, not for God, not for anyone.' These are the souls that end up in Hell or in the outer boundaries of Heaven. They did just enough to be saved, but never truly loved Me. They always did just as they wanted, without regard to the greater things I might have had in store for them. In essence, they wasted their lives and were barren of fruit.

"If you are one of these listening to this message, and you hear My voice calling to you, this may be your last opportunity to be saved. It may be your last opportunity to make a real commitment to Me and give your life over to Me. The next time you see Me may very well be at the Great White Throne judgment when you will be assigned a place with those who repeatedly refused My invitations and spurned My graces.

"I love you, I am for you, I will forgive you, but you must make the decision to be for Me and not for yourself. If today you hear My voice, harden not your heart."

And that was the end of His message and I was quickened to look up that Scripture.

Revelation 20:11-15

And I saw a great white throne, and him that sat on it, from whose face the earth and the heaven fled away; and there was found no place for them. And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, which is the book of life: and the dead were judged out of those things which were written in the books, according to their works. And the sea gave up the dead, which were in it; and death and hell delivered up the dead which were in them: and they were judged every man according to their works. And death and hell were cast into the lake of fire. This is the second death. And whosoever was not found written in the book of life was cast into the lake of fire.

So, I want to encourage you, Heartdwellers. If today you hear the Lord's voice, don't harden your heart. Please, turn back to Him.

And for the rest of you who are really trying, this message - the hard part of this message is NOT for you. So, please - don't freak out or get sucker punched! This is for those who are really, really fighting God and not cooperating with Him. This is NOT for the weak people, or...all of us are weak in some area and we fall. But we need to get back up! And that's not for us, it's for those who don't care. They don't care what they do with their lives, they're just going to continue doing what they feel like doing. And they're the ones that, especially this message about the Great White Throne Judgment comes in. So, if you know anyone like that, please pray for them. And I'd like to take a moment to pray this prayer with you. If you have offended the Lord by being stubborn or wanting your own way all the time, and have spurned His graces. Please, pray this prayer with me.

Have mercy on me, O God, according to your unfailing love;

blot out my transgressions, and cleanse me from my sin.

For I know my transgressions, and my sin is always before me.

Against you, you only, have I sinned and done what is evil in your sight;

so you are right in your verdict and justified when you judge.

Wash me in Your Blood, and I will be whiter than snow. Let me hear joy and gladness;

let the bones you have crushed rejoice.

Hide your face from my sins and blot out all my iniquity. Create in me a pure heart, O God, and renew a steadfast spirit within me.

Do not cast me from your presence or take your Holy Spirit from me.

Restore to me the joy of your salvation and grant me a willing spirit, to sustain me. (from Psalm 51)

I give my life to You, Lord Jesus and ask You to come in to my heart and take over everything. Amen.

Why You Are Hated

April 5, 2016

The healing presence of our Lord Jesus Christ be with us as we listen to His sweet voice and His wisdom.

In spite of my many mental distractions, somehow because I called out to Jesus for help, He reeled my mind back in from its worldly preoccupations, and drew me into His secure arms. And I worshipped Him.

My mind would wander from time to time, but He continued to draw me back. Finally, after a while, I felt the necessity to just talk to Him.

So I said, "Lord? Can we talk?"

He answered me, *"To your hearts content, My dear one."*

So, I turned the music off and sat with Him. I confessed my fault - well, to explain, I've got these Kindles that are loaded with all kinds of things for the left behind. For any of my children that might be left behind. When I went to Amazon to look for something, some really interesting books popped up that I thought would be really helpful. I downloaded them onto all the Kindles and realized, 'You know what? You're getting distracted. You were getting up from your nap to come in here and pray - and here you are.'

So, I felt pretty guilty when I came into prayer. I said, "Lord, I am so sorry for my foolishness, my sickness, my shallowness. Oh, how I hate being this way - so easily distracted and drawn off course."

He answered me, *"But it does keep you humble."*

Well, if humble means being disgusted with myself, yes. It does...

"You should never be totally happy with yourself, lest you fall into complacency."

Ok.

"No, really. These falls are definitely working to your favor to keep you lowly, humble and oh-so-aware of your weaknesses. It is the souls who think they are strong and have it all together that are headed for the worst fall."

"Your shortcomings, Clare, are My gift to you. Can you believe it? I really, really mean that."

They're a gift?? Well, I never looked at it that way, exactly. I thought my faults were displeasing to You.

"Which is more displeasing to Me, a little OCD behavior - or Pride?"

That's easy. Pride.

"Yes, Pride, and for that reason it is better for you to have faults and weaknesses, human nature."

But Lord, You really hurt me the other night when you said that I was still too worldly.

"Would you rather I lie to you or say nothing?"

When He said that, I really thought about it. And I said, "Must I be honest? Well, now that you mention it, I'd rather know now while there is time to improve than find out later that I was deceived about myself."

"Yes, you see. This serves a twofold purpose, to remind you of how weak you really are, My Darling Clare, and how much I love you anyway. And to reveal the truth: you need to improve and I am here at your side willing to help you. In fact, even tonight, I helped you pull away from a serious distraction. You see, My Love? I am helping you - while keeping you well aware of your shortcomings to protect you from Pride. How can you be proud when you know all these things about yourself? You simply can't. So, I continue to illuminate your conscience so that you will see the truth about yourself."

My mind began to drift on the outrageous and evil things being said about me lately on the Internet. And though I did not say anything to Him, He addressed it. Sometimes I think He puts those distractions in my head so He can answer them!

He continued, *"Were your enemies to walk all over you with your faults they would be justified, but unfortunately they are way off base and even laughable to those who know you. But you enduring in patience, without hostility, is witness enough that I am truly living in you, Clare. No one could endure these things without supernatural love and come away still praying from the heart for their enemies."*

Well, after He said that, my mind shifted to the BIG question...you know, the one we all ask ourselves every day: how much longer, Lord? But I didn't say anything. Of course, He answered my thoughts.

"Yes, I hear your musings. 'How much longer Lord?' I hear you. And I say to you, I said 'tiny increments' and I am still saying 'tiny increments'. As long as there is a little hope, a little fruit and more conversions than falls, well, tiny drops of Mercy are still holding the door open."

"You must choose your allegiance: your audience... or Me?"

Oh, Jesus, that's not even a contest. You have won my heart for all time and as long as Your grace continues to hold me fast to Yourself, You will always come first.

"Then you must stop asking Me and be satisfied with the answer that tiny increments are holding that door of Mercy open for the stragglers. And until the Father says, 'ENOUGH!' you must continue in patience, no matter how ostracized and criticized you are. As long as I am happy with you, Clare, what does it matter?"

I just don't want little ones to be scandalized Jesus...because you said weeks not months.

"I did indeed say that and afterwards I said 'tiny increments.' Do you know what that means?"

Ummm...tiny increments... Hours? Days?

"No. Minutes."

MINUTES!!! ???

"Yes, Beloved, only minutes. Do you understand how Big My Mercy is? Do you understand that as long as life's breath continues on in a soul and they are on the edge of conversion? Do you understand, I have extended the time in increments...but increments of minutes?"

Wow. That's really amazing, Lord!

"It's really My Heart of Love for the lost, Dearest. If you understood the true depth of love I have for the lost, you would be totally perplexed that I could allow anything injurious to happen to them, let alone an event that will swallow up the innocent along with the guilty."

Lord, I feel as though You are truly speaking Your Heart to me.

He smiled, *"Indeed I am, My spouse, indeed I am. So, what is it to you if you are called names and calumniated with fabrications and lies - does it matter, Clare? Truly, does it matter even in the least little bit?"*

Well, it does in the sense that I now resemble You and what the Pharisees said about You.

"Yes, you've learned your lesson well. The Bride must resemble the Groom. Let them carry on, but you keep your eyes on Me, follow Me. Oh, this is so highly pleasing to Me. Do you know what truly good company you are in?"

I pondered that for a second. The Scripture: "Rejoice and be glad, for your reward in heaven is great; for in the same way they persecuted the prophets who were before you. Matt. 5:12

I thought about that and my heart just melted, as I know I'm NOT worthy to be included in that group. What an honor!

But I said, "Oh, Jesus, You are so kind to me. But what about the little ones, that are turned away and scared by these lies?"

"Some I will convict that these are total lies. And some I will lose. Yet there are still doors into My Kingdom that have yet to open. Pray for them. I will lead and guide them, but they must be sensitive."

"Do you know why you are most hated by your enemies?"

Discernment?

"That you teach others to come to Me to learn how to discern is huge. But that is not what you are most hated for. They hate you for your love and the way you portray My Love for you and for all souls. That is why you are most hated. You have broken down the walls of legalisms, therefore people can no longer be manipulated by guilt.

"The powers of darkness have labored for hundreds of years to present Me as a judgmental God who is constantly looking to the sins of the people and telling them they are guilty and have no hope. They have put a hook in the mouths of the people to manipulate them, to steer and to crush them. And you have taken the hook out and set them free, by telling them and demonstrating to them, My Love is greater than their guilt and My Love leads them to repentance. It restores hope and leaves the enemy with no legalistic religious leverage with which to manipulate souls.

"This was the great sin of the Catholic Church: manipulation. I wanted souls to be drawn to Me out of love, not fear. I lived My entire life without inspiring fear or guilt in the souls of all men and women. The only judgment I meted out was to the Scribes and Pharisees, whose hearts were blackened by political and financial gain, even to the point of Baal worship. How could they recognize Me? They were of their father, the devil.

"So, now history repeats itself and those with a controlling religious spirit have found their way into every denomination with their lust for control. The entire game plan from the enemy is to make men feel so guilty for their sins, they withdraw from Me. Or refuse to even approach Me. How common is it that you have seen and heard people say, 'I'm not good enough for God. When I get good enough for God, I'll turn to Him.' And of course, that never happens. And the religious spirit is the vehicle to do that. What I have taught you goes against that grain, and so you are hated.

"That I would treat you as My Bride, with whom My Heart is intimately entwined, and that I feel that way about all My People, is abhorrent to them. That I can live through you is still the most frightening aspect of true faith. God can live through men and the devils cannot stop Him. And men can be taught by God - that releases you from the yoke of slavery and self-interest man is so addicted to imposing through religion.

"It is written in the prophets, 'AND THEY SHALL ALL BE TAUGHT OF GOD.' John 6:45

"All through the Scripture the espousal relationship is proclaimed and if you are married to God and go to Him to live the life of faith, how can you be taught to follow men's ways? How can you be manipulated?"

"...for thy Husband is thy Maker." Isaiah 54:5

"I betrothed you to one husband, (Paul said) to present you as a pure virgin to Christ." II Corinthians 11:2

"And I will betroth you to me forever. I will betroth you to me in righteousness and in justice, in steadfast love and in mercy." Hosea 2:19

"...as the bridegroom rejoices over the bride, so shall your God rejoice over you." Isaiah 62:5

"That is another reason that the demons toy with discernment and make the sincere believer seeking intimacy with Me, frightened of falling into error. Yet if a soul's heart is set on Me, I will guide and lead them ultimately, through every deception and impediment. If you trust totally in Me, knowing that I will accomplish My will in your life, you will not abandon the path of intimacy when your discernment fails. Rather you will humble yourself and draw ever nearer.

"You see I established pastors and teachers to teach the people how to know, love and serve Me. How to seek Me until they find Me. And to help them stay on the right path with mature leaders assisting them to correct their course in life. I did not create pastors to hand-feed the flock and make themselves the only source of food. No, absolutely not!!! This is how error enters in: one man interprets for all the others and makes rules which set up legalistic societies again. Just like the Pharisees. Groups that rely on knowledge, politics, influence and control.

"No. Pastors are created to father children, to help them grow in the faith and learn to hear and obey Me, not to hear and obey man. Yes, obedience is useful for the extremely immature, but a good pastor will lead His flock to water and allow them to drink at their own pace. Yes, he will bring forth from the storehouse of age, the wisdom of God, but his first responsibility is to lead them to Me so that I can pasture My flock."

And then the Lord brought to mind Ezekiel 34

"Son of man, prophesy against the shepherds of Israel; prophesy and say to them: 'This is what the Sovereign Lord says: Woe to you shepherds of Israel who only take care of yourselves! Should not shepherds take care of the flock? You eat the curds, clothe yourselves with the wool and slaughter the choice animals, but you do not take care of the flock.

You have not strengthened the weak or healed the sick or bound up the injured. You have not brought back the strays or searched for the lost. You have ruled them harshly and brutally. So they were scattered because there was no shepherd, and when they were scattered they became food for all the wild animals.

" 'Therefore, you shepherds, hear the word of the Lord: ... I will remove them from tending the flock so that the shepherds can no longer feed themselves. I will rescue my flock from their mouths, and it will no longer be food for them.

I will tend them in a good pasture, and the mountain heights of Israel will be their grazing land. There they will lie down in good grazing land, and there they will feed in a rich pasture on the mountains of Israel. I myself will tend my sheep and have them lie down, declares the Sovereign Lord.

Ezekiel 34: 2-7, 14, 15

Lord, that implies that they will not be manipulated by guilt or fear, but loved and nurtured.

"That's the plan. I am calling My Shepherds to rescue My sheep from the shadows of guilt and the barrens of fear. I am calling them to love the sheep and teach them how to seek Me until they find Me, and how to feed off the pastures I lead them to. This you are doing and this is why you are hated.

"But never mind, all of that will soon come to a close. Just strengthen your resolve, Clare. I have told you tiny increments, and that means minutes to Me. Any minute. The decision is still in My Father's hands, but I know the door is closing and He is the only one to say, 'Enough.'

"So find your peace in that and cleave to Me. Shall I say, it will be a surprise to us both? But for now? Minute by minute is all that remains."

Opinion is No Substitute for Discernment & Tethered Album

April 7, 2016

The precious peace and joy of our Lord Jesus be with you all, Heartdwellers.

Well, I have some very good news! The CD Tethered, actually the 4 CD set is now on Amazon. And for those of you who are not familiar with what that is, it's kind of a spiritual survival kit for those left behind, that are tethered to the Earth, that weren't taken up in the

Rapture. It has comforting and encouraging songs, teachings and meditations - like a forgiveness meditation and so on, on it. And it's going to be very, very helpful, calming and encouraging for people who are almost suicidal in their grief when they're left behind and they've lost family members. So, this is the reason why we put it together.

We've paid for the cost of all the work done for it, which faithful members of our Youtube Heartdwellers family have contributed, so that you could get these almost at cost. I don't know that we'll be able to do another run at that price, because a lot of money was used to get these produced. But they are there now, so take advantage of it. I really encourage you to consider buying just a few for your relatives and leaving them in key places for them, because they're going to need encouragement really badly. That's what this 4 CD set is all about - to give them courage and to let them know how much they are loved by God. And that He has NOT abandoned them.

You might have to do a search on Amazon for the name Clare du Bois (small "d" u, space, Capital Bois.) That will bring up everything that's on Amazon, except for the Tethered thumb drive, which they haven't received yet. And oddly enough, we'll be in "computers". They didn't want to put it where we needed it to be.

So, that's the good news. I would ask all of you, please, do me a huge favor? Would you please rate the CD and our books? Because here's the thing: we have new believers, or people that come along and they look at that and they don't see any rating, or a low rating, and they're not going to be interested in experimenting and trying it. But if we want to reach new believers - and there's a lot of thumbs up, a lot of good, good ratings with a nice comment of substance. You know, not just an "oh, it was good" But rather, explaining a little bit about what it did for you. If we leave comments like that, then other people are going to come along and see that and they're going to say, "wow! This is what I've been looking for! I'm going to give this a try." So, please, try to do that, will you? And possibly if you can leave a link to our website or our Youtube channel, that would be nice, too.

So, those are ready for you any time.

And just so you know, those of you who have tried to download the thumb drive contents and are having trouble, we've got issues! And we're working on those, to help get them straightened out. But my thought is, if it were me and I were trying to do that, I would download little bits and pieces and then clear my history on my browser and reboot, and then try again. And do that every time you download a bundle of things. That might cut off all the problems. At least until we get it fixed and then it will be easier.

Moving along now to the message.

The Lord began tonight, *"Here we go again, on the unbelief merry-go-round."*

Those were the Lord's first words to me when I came into prayer, because I've been getting pelted all day about the Rapture, right? There's not a day that goes by that I don't get pelted with that, but I work my way through it, because the Lord is trustworthy. As I go back and look at all the "altars" that I've built to Him - all the prayer altars. Every time He's come through, there are altars in my heart. Just as the Hebrews used to do when the Lord did some wonderful thing for them. I go back to those altars in my heart and I recognize: He's been faithful, for what? Twenty five years. So there's no reason to doubt Him at all.

But nonetheless, being human, that was the first thing He said to me, *"Here we go again on the unbelief merry-go-round."*

I admitted it, and I said, "Yes."

He said, *"Because you haven't spent enough time with Me."*

And I said, "No... because You've called it off so many times."

"Oh, you're blaming it on Me, now?"

Uh huh.

"Well, that's very bold of you."

Jesus, it is true.

"You're right, no one can argue with truth... not even you, My Love."

I'll try.

"Yes, that's right, too. You just might try...only to prove that it's true though...never for any selfish motive, right?"

I thought I'd have a little "funny" with Him, and I said, "Jesus, You're always right..."

"Except when I'm joshing you...you were supposed to say 'wrong' in that case!"

"Well enough, let's get down to business."

I so look forward to hearing from You, dear one.

"I know. I know you aren't feeling well, Clare. I know, My Love, and I am holding you and keeping your head up for this message. I am holding you, I am rocking you. Oh, how I love you. Just cozy up to Me and listen to My heart beat for a few moments."

So I did and the rhythm was so soothing.

And I asked Him, "What is on your heart tonight, Lord?"

And He answered, *"Your sanctification."*

Oh yes, You've caught me thinking about that... I shouldn't be - right?

"No, you shouldn't take your eyes off Me, truth be told. But when you do, it should be to edify your brother or correct yourself. But not laboring or thinking about how to be holy, or how I'm going to make you more holy. That is a total waste of time."

"You're really not making good use of the time when you become self-centered. By that, I mean, when you try to engineer your own sanctification, when you look at others and wish you could be that far along. That doesn't please Me. I have you in this place, because it is the BEST place for you to be. You would not do well in someone else's path."

"And may I say that things are not always as they seem? Where you see another soul progressing seemingly beyond you, you look at what is further along than you are, but you do not look or see the other faults that are hidden. And even if these faults didn't exist, I still do not want you comparing yourself with others."

But Lord what about when You said, "When you see good, imitate it?"

"That's in passing and with My Spirit's anointing, deliberately tapping on your shoulder and saying, 'Beloved, here's a virtue you would do well to imitate.' Yes, then you are to incorporate that, but never sizing yourself up against what you see in others. That is very much to your detriment."

"I may still be moving layer A in that soul, while you and I passed through those lessons a long time ago. Oh, how much I appreciate it when you all humble yourselves and work together, sharing your faults and praying for one another. That is what I designed the original communities to be: safe havens, places of refuge from the scrutiny and judgements of the world. Places where you could grow in holiness, openly with one another."

"When a brother wounds his leg in battle and you wound your right hand, you can help him walk with your members that still function and he can help you write with his members that still function. I designed the Body to work this way, intricately united together, so that the wounded and compromised would have assistance until they healed. However what most often happens

is one suffers a leg wound and is chastised for it to the point that his good hands are no longer useful to the community. He's been written off as too weak, inadequate and immature.

"Oh, don't you see, My People? You don't throw the baby out with the bathwater. Just because a soul is faulty and weak in one area, does not mean he is no longer useful to the Body in others. This is the attitude that many of you apply to My ministers. If you find one thing wrong with them, you write them off. How sad. How would you feel if I found one thing wrong with you and wrote you off as a total failure? And unworthy for Me to work with? Yet this is what you do to My ministers, who I must tell you, out of the thousands, NONE of them has arrived. You will always find fault somewhere.

"Now, the secret of receiving ministry from anyone is discernment. And how do you learn discernment? By many hours sitting at My feet and listening to souls with your heart. That is where the real acid test is. When you hear the heart of others you will know truth from error. You even suppose that because one moves in a gift, everything they say must be truth? No, no, no. You must go deeper. They may have a gift - but they might not have the Truth. Again, you must listen with your heart. Filter it through Me, I will let you know when you are listening to truth or error.

"But this skill is not gained by squeezing Me into 30 minutes in the morning. Nor is it gained in corporate body worship, running to Bible studies and conferences. It is only learned in the silence of your heart where I speak to you. When you sit in silence, I speak to your heart, and soon we are dialoging back and forth, having a real conversation. This is how you learn discernment, listening to Me."

And on that note, guys, I just want to encourage you to write down your thoughts and feelings and listen for a still, small voice to reply to those thoughts and feelings. And it may very, very well be the Lord. And then you write down what He is saying. Just write it down and then go back in a few minutes and re-read it. And I think you'll find that you were hearing from Holy Spirit or the Lord.

Jesus continued, *"I am telling you this because many of you are fooled by false piety. You judge as man judges, not as I perceive from the heart. I have an aversion to falsehood, but you have to be listening very carefully to My heart as you listen to the vessel. You will feel a subtle joy and conviction when I approve, and an awkward sense that something is not quite right when I disapprove.*

"If you gain your discernment in crowds, talking with others, listening to different opinions and different teachers - what you will end up with is not discernment, but OPINION. And when your opinion doesn't agree with what the vessel is saying, it'll set you on edge. But that doesn't mean that I am not agreeing with what they are saying. You have to go deeper.

"Opinion happens when you compare notes and decide on what seems right to your logical mind. Opinion is no substitute for discernment. Discernment happens when you are tuned into My Heart... 'My sheep know My voice and another they will not follow.' Just about all the Pharisees had strong opinions about My ministry. They had consensus, but they did not have discernment - or they wouldn't have crucified Me.

"So, My dear ones, I want you to be fully equipped for every good work, and discernment is second only to love in ministry. Love without discernment will result in misplaced action. Discernment without love will result in harsh judgement. You must have both, and you will have both when you spend quality time leaning your head upon My Heart and listening to Me. And worshipping Me. Either in the silence of your heart or alone in your room.

"Until you know that you have this gift, be very careful in your judgment of the teachings of others. If you do not know, then it is wise to come to Me saying, 'Lord, I don't know. Please show me.' Never form a rash judgment about the content of a vessel's ministry. Always come to Me, wait on Me and I will reveal truth from error. Then you will be able to drink from the Living Waters rather than the polluted waters of men's opinions."

War, Comet, Tsunamis, Rapture, Jesus Speaks on Order of Events

April 8, 2016

The courage and wisdom of our Lord Jesus Christ be with you all, Heartdwellers.

Tonight, I ran across - or was brought to my attention a certain prophecy about an asteroid. And the Lord has not spoken to me in great detail about that. Neither has He spoken to me about the timing. So, needless to say, I was a little confused on how all the pieces of the puzzle fit

together in terms of when would the Rapture happen.

So, I came to Him and I said, "Lord, I don't know what to make of all these things. It is so confusing. We didn't go looking for it, but it came to us. I know You give different pieces of the puzzle to different prophets. I just don't know what to think?"

He answered me immediately, and He said, *"Would you like Me to clarify it for you?"*

I wanted to make sure it was Him and I wasn't inventing something. His face became clear as He lifted my chin and said, *"I am speaking with you."*

Oh, thank you, sweet lover of my soul. (He melted when I said that.)

"This is not my favorite subject, but I don't like to see confusion amongst My People, either.

"There indeed will be a comet and it will hit Puerto Rico. Millions will be killed. For this My heart grieves."

Lord, please overwrite my ideas, my concepts and my opinions. And don't allow me to get into this at all. I really just want straight answers from You. So, please speak to me in such a way that I do not insert one thing. ('cause I have my ideas and preferences, and I know they can get in the way.)

He answered me, *"Alright then, this will happen before the Rapture."*

Before the Rapture? (that was the LAST thing I wanted to hear!!)

He confirmed it. He said, "Yes. Why do you think I sent you that dream?"

He's talking about someone who had a dream a year ago, and finally posted it to our channel in the Comments section. And it was another one of those things that I couldn't quite make the puzzle pieces fit with the knowledge that the Lord had given me. So, I was waiting for Him to put everything in order.

And this is what the dream said:

I was with my family in our house in northern California and we were deeply concerned. Terribly hard times and disasters had taken place in our nation, and we had managed to get through it all, but something had occurred in the east and was heading our direction that was beyond our ability to survive. We knew we only had a few seconds to live. I looked at my husband and two teens and said, "Let's ask Jesus to make us ready to meet Him." We all bowed our heads and as I started to pray, "Jesus, please make us ready to meet You....." there was a loud EXPLOSION OF POWER from within us and we were instantly glowing! I couldn't even see any distinct features of our bodies because we were all like bright white glowing stars!

Try looking at the sun--- we were that bright!!! I knew that it was the power of the Holy Spirit within us! It was the power of the resurrection of Christ exploding in us and totally changing us! Like we were wired with all the voltage of a star and God threw the switch!

Then there was a loud boom like a clap of thunder and I saw a blue streak of lightening go through the very center of all of us and instantly we were shot out of our home like rockets going at light speed.

We WERE light and we were traveling at the speed of light. I couldn't open my eyes, but I knew when I did, I would find myself in Heaven. Literally, in the blink of an eye!!! I just shouted out, "Praise Jesus!" I just couldn't stop praising Him! I woke up with so much joy and peace and excitement! !!!

That was the end of the dream.

So I said to the Lord, "That was so I could get it. So, you sent the dream."

"That's right. So I could fill you in. You see, the bombs will throw the Earth off its axis; it will reel like a drunkard. Foolish men, did you think your children would survive this? The Earth will be a very different place in the aftermath of this comet. But you will not be there to experience that. Just as in the woman's dream, you will be translated and taken from the Earth. Just as Ezekiel dreamt, I will swoop you up ahead of this monstrosity, just as in his dream."

And then, this is Ezekiel's dream:

December 6, 2015

We were on a highway in a convertible with the top down, going west. All of a sudden strong winds started blowing from behind us from the east. I turned to see what it was

and there were dark clouds rolling and swirling in the sky. At first they were grayish and overcast, then they turned to dark, black storm clouds with loud rumbling that saturated and totally overtook the air - it was SO loud and ominous, almost like it had a life of its own. Screams were heard. This blackness swept up everything in its path. The sky above us and out in front of us was clear and sunny like a typical southwestern day.

As the clouds continued to churn and roll they started to take a strange shape and began forming into the well-defined image of a skull. All the clouds in the image were moving at a high speed, almost as if it were going to overtake us. You could hear people screaming behind us as this thing cloaked them in darkness.

At this point, we were accelerating and driving very fast to try and get away from it, along with several other cars. Suddenly, from the NE, you could see a large white horse galloping in the air. It became very clear and there was a chariot behind it and many other horses and riders. As it got closer, you could see that Jesus was in the chariot, wearing all white with a crown on His head. He outran the clouds and the skull and came in behind us. He was waving His arms almost like He was herding sheep and getting us grouped in and moving forward. You could still hear the awful screams and shrieks from behind the Lord's army where blackness was overtaking them.

The Lord and His army had formed a barrier between us and the devastation and we were gaining some distance ahead of it, moving really fast. I had the sense that we were either up in the air or that we were about to be taken up in the air. That's where the dream ended.

The Lord continued, *"Well, now you have some details. Are you settled about all of this?"*

So, the sequence of events: Dome of the Rock, World War3, Peace Treaty, Comet, Rapture?

He answered, "The war will put the Earth in the line of impact for the comet. Miami, the comet - all in the same day. You will not be here for the darkness and the wind."

I made a mistake in rendering this on the first video. What the Lord had said was the order of events was correct, except the peace treaty would not happen until AFTER the Rapture and we would not be here to see that. Just wanted to clarify that for you, because I had forgotten to say "no peace treaty because we were gone." There will be a peace treaty, of course. But we will not be here to see it. We will be gone before then. You will not be here for the darkness and the wind.

"The Earth will be re-ordered: physically, electromagnetically, climate and features. This will be man's doing, Clare. I never intended for this comet to hit Earth. It will happen because ignorant men listened to demons and allowed pride and greed to overrun their consciences, thinking that if they destroyed 2/3 of humanity, somehow the Earth would be a better place to live. (that is with nuclear war) Little did they know that filling Hell would cause the Earth to expand and their underground cities would become their underground tombs."

And I answered Him and said, "Ok, so you are saying, first the Dome of the Rock being destroyed will precipitate WW3, then when Russia bombs Miami, and North Korea invades from the Gulf of Mexico, that very same day, the comet will hit the Earth and we will be Raptured?"

He continued, *"The comet will graze the Earth and keep on going."*

Keep on going?

"That's right. It will inflict a gash and continue out into outer space again. It will not stop here. It is 2 miles in diameter, very large. You need to understand there are debris and gasses traveling with this and that will do much of the damage. It will survive past the Earth."

"This is not fear mongering, My Love. This is simply fact and consequence of man tampering with the Earth, and yes. CERN will also have to do with it as well."

"The enemy is exultant over this event, knowing that Hell will be filling up very quickly. That will contribute to the shifting of continental plates, land mass movement, earthquakes and devastating tsunamis."

Lord! How do you prepare for such events???

"Put your trust in Me. Confess your sins, forgive your enemies, and stay repentant. Scatter works of mercy all around you, waste no time coming to the aid of your neighbor, whoever they might be. And most of all, pray for Mercy."

He continued, *"You were right to equate the final judgment with works that will either condemn or balance the weight of a human's existence on the Earth. Yes, the Book of Life will be opened, the ledgers will be brought forth and although I paid for your souls in full, your merits during your lifetime will also be weighted against your sins."*

"This is the second judgment which is not meant for My Bride, but for the souls waiting in the bowels of the Earth because they did not accept and live for Me. This will be a time of extreme sorrow for many. Souls either harken to My warnings in the spirit that 'they have been judged and found lacking,' or they ignore the warnings, sealing off their own access to their troubled conscience so it will trouble no more."

"People of the Earth, you who have not received Me into your hearts, do you know there will come an hour when you stand before the Judge of Heaven and Earth? Do you know that your conscience has been warning you throughout your lives that something is seriously amiss inside of you? Do you know that there are consequences to ignoring Me? I have knocked and knocked at your door, but you refuse to open to Me. Now you are in the anteroom of horrors that are to come upon the Earth, and many of you have obstinately locked the door and ignored Me."

"If you die in this state, you will never see your relatives that accepted Me, again. You will never see your beloved pets that I sent on loan to you to comfort you in your sorrows. You will never see your grand-babies again and you will live in the Lake of Fire with the Devil and his evil angels for eternity. Not an hour, a day, a week or a lifetime, but forever. The choice is yours. You know"

you are not right with Me. Your spouses and children and parents have told you about My love over and over again, but you have scorned and rejected Me.

"I cannot help you in the day of trouble. It will be too late. You will be petrified at what is coming upon the Earth, heading your way within hours, if you even have that warning. There will be no escape for you. It will be so sudden that your mind will be jammed in overload. You will not repent or receive Me then. Rather you will be dragged by demons down to Hell where you will be assigned a place of torment, where worms eat your flesh and it grows back, only to be eaten again. Where fire burns with excruciating pain, only to heal again and be burned again. Over and over and over again throughout eternity.

"So, I am making this final appeal to you. I do indeed love you. Every blessing in your life came from the generosity of My heart. I will forgive you for those crimes against mankind if you will but admit your fault and ask Me to grant you the grace of repentance.

"Some of you have run with an evil crowd your entire life, you have stolen from the poor, murdered the innocent, incarcerated those not guilty, and done everything in your lives from a motive of serving yourself and your children. But nonetheless, I went to Calvary and laid down My life for everything you did. Now I am inviting you to repent, because when these catastrophes - which even some of you have been involved in planning...when they occur, there will be no time left for you to repent.

"So, I am asking you - speak to Me, I am listening. Tell Me, 'Jesus, I know I have sinned. I know I have avoided facing what I've done and indeed I know there is little time left. Forgive me, have mercy on me and receive me into Your Kingdom. I know You died for my sins. From this day forth, I turn my back on my sinful ways and with Your help, I will live my life for You. Amen.'

He continued, *"What is necessary here is that you say this with all your heart, you truly repent for the evil you have done, you truly want to change and give your life to Me, the Son of the Living God who died for you and rose again. Without true repentance, there is little hope for you. Reach out to Me but one step forward and I will draw you into My everlasting and loving arms and you will find peace for your soul. My children, do this now. There is little time left and for many of you, there will be no time when calamity hits the Earth.*

"Repent now and I will forgive now. And regardless of what happens on this Earth, you will be in Heaven with Me for eternity."

God Will Provide For Those Left Behind

April 9, 2016

"Place no confidence in the flesh. Do not imagine for one moment that you can provide or take care of yourself without My intervention...or more properly, without My complete control. When you place confidence in your own flesh: your ability to defend yourself, your ability to provide for yourself - you set yourself up for failure. There are those who are going to walk into the Tribulation with

empty pockets and not a place to go, no food, no preparation at all. And yet they will be fully provided for every step of the way.

"When a soul puts all their confidence in Me, I am free to provide everything they need. Rather than providing and surviving, be about My business and all these things will be added unto you. Your insecurity and panic do nothing but give the devils permission to sift you, wear you out and cause you to move prematurely right into the enemies' waiting arms. But with your focus on bringing souls to Me, I am free to provide all you need. My faithfulness is your rear guard and covering.

"It is a lack of knowledge of Me that causes others to dive in and apply themselves to providing for their own needs. When you know Me, you know I have already provided a way out, complete with food, medicine and cover that will make you invisible to the enemy.

"This is for the benefit of those left behind, Clare. For the most part now, I am going to be preparing them through our times together."

...my mind drifted onto the seismic charts for Yellowstone I saw today. Unbelievable. There were just these solid bars of color rather than the usual squiggly lines that reflect an earthquake - really amazing. And I was thinking, 'Nibiru is bringing these Earth changes on and they knew all the time this was going to happen.'

And the Lord answered my thought, *"Yes, they knew all along. But rather than provide for the masses, they are counting on the catastrophic conditions to wipe out portions of humanity that do not fit into their genetic code."*

He continued, *"But let's get back to what is important here, My Love. The focus must be on charity and virtue, trust and faith in My ability to provide. Without these pivotal attitudes, they will not succeed. My protection can make you invisible. My protection can turn wild beasts away. My protection can save you from the ground giving way beneath you. My protection can provide water and food when there is none. I can do all things, and I will, for those whose agenda is to gather in souls to the Kingdom. Those who give and lead unselfishly, those who are honest and caring for others, these are the ones I will supernaturally protect and provide for.*

"Many I will add to your numbers that need salvation. Their eternity is hanging in the balance and if you make their eternity your priority, I will cover you. Souls are going to be racked with confusion and fear, not knowing up from down, so severe will the trials be on the Earth. They will be so thoroughly disoriented that nothing can calm them down but a supernatural grace. A healing grace, laying hands on them and praying for My Peace to descend upon them.

"And for you who are called to heal, I live inside of you. Place your hand on the injured or suffering and imagine My hand moving from your heart, out through your hand and onto the soul. I will do the rest. All you have to believe is that I AM and I LIVE IN YOU. This is all that is required for a complete healing of even the most dramatic sicknesses.

"Do be baptized in the Holy Spirit. Do pray in tongues. Do sing over people in tongues - you are speaking MY language and I am praying through you, the perfect prayer. Do not allow anyone to discourage you from speaking in tongues - the devils will use self-conscious, insecure and poorly

informed souls to try and stop you from using this powerful gift. Don't let them. Now more than ever you need to pray in tongues. I will for some of you give the interpretation while you are praying which will inform you of what your true opposition is, be it man, beast - or even your own self.

"There will be a great need for supernatural wisdom, so many different opponents will be coming against you. I will warn you of them if you make prayer your absolute priority. More than life itself, you need quality prayer time with Me. No one in your group can go without prayer. The ones who will not pray will be the weak links in your chain. They will betray you and make poor choices under pressure. Better that everyone stay in prayer and allow those who will not pray to go elsewhere - that is, once you have done everything in your power to bring them to Me and still they will not acknowledge or choose to live by My standards. Let them go, they will only bring trouble upon the other members of your group.

"Towards the end, when things get the most chaotic, you will need to cleave to Me with all your heart and lean not on your own understanding or devices. I will inspire you with the proper steps to take, even in your dreams I will come to you and instruct you. Understand that the closer you draw to the end of events, the more chaotic it will become and the shorter the time before your deliverance. Pray for strength, courage, wisdom, compassion and peace. It is by your faith that you will be saved, the flesh avails nothing. Everything depends upon faith and trust in Me alone.

"You will witness people breaking down completely and unable to cope any longer. They will retire inside of themselves where they feel safe. All you can do for these is pray and be compassionate. My grace will carry them. They will be among you as the sick and disabled. Do all in your power to tend to them, do not grow impatient with them or cast them away - they may be your saving grace. Because you took care of them, I will take care of you.

"However, if you must leave someone behind, give them a portion of food and water, pray for them that I will take over their care and commend them into My Merciful hands. Do not walk about in guilt - you did all you could and now it's My turn. You will be tried to your uttermost limits and when you reach those limits turn to Me and say, 'Lord, take over for me, I am at my end.' And I will give you the strength to carry on. Remember that My power is made perfect in your weakness. This is My chance to show you just how much you mean to Me and who I truly am in you.

"I bless you now with the peace that passes all understanding, courage and endurance. Run the race to the finish line. And remember, that in all situations I am with you and will not desert you. No matter what you face, I'll be there with you."

Evading Capture, Jesus Instructs Us

April 10, 2016

May the Lord give us courage and hope, Heartdwellers.

I began tonight's prayer with, "Jesus, there is so much I want to understand. But mostly I want to hear what You want to talk about."

He answered me, *"Very well, then. Let's discuss war, famine and pestilence in this country. The horses of the Apocalypse: famine deliberately engineered is coming, disease deliberately engineered is coming. Much death and destruction is looming over this nation. I have not yet allowed it to touch down, but everyone has a sense that it is coming. Not many understand it is the sins of this nation that will bring it down.*

"What this country has sown, militarily, it shall reap. Instability, famine, fear, atrocities, all these things are waiting in the wings to be turned loose on this nation. I have warned people for years, upon years, upon years and only because My mercy has delayed it. I have not been taken seriously by the general population, so eaten up with greed and accumulating goods are they, even those who call themselves My own.

"But when the fabric of this nation dissolves the only ones to escape will be those who follow Me without wavering. And yet there will be martyrdom for some. That will be a crown, not a punishment. For a while after the devastation hits there will be unprecedented conversions until the government can regroup and begin the regime of the Antichrist. Many have already been conscripted to his service in underground cities - those that survive that is. Many have also been trained and readied for induction and it is just a matter of time before they swing into action.

"Military defeat is key to placing America under one world rule. Though the communists and other regimes are used to bring this nation down, in the end they, too, will yield to the one world rule. In short, all are working together, networked into a massive conglomeration of nations under the strictest control of the Antichrist. As things become more organized and young adults are enthusiastically offer their lives to the world government, things will become tighter and tighter and stricter and more difficult to slip through unnoticed. This is when the mark will be instituted.

"The Jewish people will be the leading, number one force of evangelization world-wide. They will be dedicated to bringing in the reign of Messiah upon earth. Neither family nor life will stop them in their zeal. Rather they will be on fire and infused with a special anointing to carry out My will."

When He said that, I thought of a certain person who is a completed Jew, and he is totally amazing. Just as on fire as he could possibly be. I mean..."get out of my way, here I come!" Totally yielded to Holy Spirit, he's really quite amazing! Oh, this person is something else. My goodness, love and devotion and obedience to the Lord, which I have personally experienced as outstanding and extremely up front. Not the laid-back style of approaching the unsaved, but rather a flaming torch daring the waters of complacency to snuff it out. I do not see discretion in this soul as much as ramped-up obedience to whatever Holy Spirit's agenda is. WOW. That's all I could say. And this person is a completed Jew.

The Lord continued here, *"The most opportune time to escape government control will be immediately after the disasters, because many will be presumed to be dead. That will be before organization sets in, although that will happen very quickly as food, water and medical necessities will be offered through their agency and they will take down names and numbers for future reference. In this way, they can catalog very quickly who is still living. By offering necessities. Those who do not come forth, they will assume have been killed.*

"They are relying on people's vulnerabilities for them to come forward for aid. Those who have no need for that will more easily escape being brought in captive. In fact, in many places that are feeding stations, people will be detained and placed in holding facilities. At first, this will look like benevolence on the part of the government, when in fact it is merely a way to dispose of them. Do not, under any circumstances, go forward for aid."

And at this point as the Lord was talking, I saw something like a Red Cross vehicle taking people to a Triage or hospital unit which is behind barbed wire. The people thought they were getting medical treatment, but they will actually be incarcerated until their fate is decided.

Oh Lord this is heavy dark stuff, so heavy, so dark.

"I know, but I am forewarning you who will listen here. I am telling what is planned for those who find themselves left behind. The only way to escape at this point is to rely totally on Me for healing and food. One good rule of thumb: eat what the wildlife eat, watch where the birds and bees (if you can find any) go for water. Many will lose a great deal of weight living on a foraging diet. But there will be times when I will miraculously intervene and provide food when there is no hope for food.

"Remember always, only two things are needed for a healing: a sick patient and a believing Christian. When that Christian calls upon Me to heal, whether it be out loud or quietly from the heart, I will reach through them and heal those who are sick. Nothing more is needed.

"Healing has become some sort of Miracle Cult, where people with the 'gift' are worshipped rather than what it truly is, the natural consequence of Me living inside of you and every other believer who has opened the door of their hearts to Me.

"A word to the wise: children will betray parents, parents will betray children. You cannot rely on blood ties, human nature will fail you. There will be so much fear and betrayal that no one can be trusted unless I personally impart the witness to you: they are for real. As was done in one country, men with machine guns crashed through a church service and declared, 'All of you who are Christians, line up against that wall. The rest of you are free to go.' More than half the congregation left. Then the men put their guns down and said, 'Good, now let's have church!'"

"Yes, it will be very much like that, except out in the wilderness. Not in churches, which will be seized by the government and taken over for their own purposes."

As the Lord was speaking, I saw barbed wire fences enclosing mega-church parking lots, but the wire was on the inside and it was obvious that those inside were captive.

He continued, *"My people, even if they should bring you before the executioner for your faith in Me, be not afraid. In seconds, I will embrace you for eternity. Mercy will surround and anesthetize you in those last moments. Supernatural peace will also engulf you as you are led forth to execution. I know it is hard for you to accept now, and even some of you tremble in fear, but I tell you the truth: it will be much harder for those who must live hidden lives, than for those who come to Me early for their faith.*

"In any case, I will be at your right hand and waiting for you to join Me in Eternity, where I have Joy Eternal planned for you, and you will forever be joined to me.

Your Tomorrow is Not Guaranteed

April 11, 2016

The Blessing and Grace of Our Lord Jesus and His Holy Spirit be with you as you listen to this message.

I was given a link to this video and found it very sobering. Much more sobering than I could have stated it. This young man is a Christian who sought God about the afterlife. He has a really, solid testimony. The Lord revealed to him first hand what many will experience when they die. And the last few messages have been about massive, massive catastrophes where millions of

people are going to die, and the Lord is really trying to get our attention.

Because, all around us are people who are unsaved or compromised, and these won't be ready. These souls that are compromised or don't know the Lord, they're not going to be ready. Please help them get ready. Encourage them to watch this young man who had the Out of Body experience, standing before the Judgment of God. And if any of you are in a state of compromise now, God is calling you back to Himself, before it's too late for you.

So, going into the message, I had been struggling with a situation for days and even weeks that brought deep sorrow to my soul. And I knew the concern was over the state of that soul and their salvation and eternity were at risk. All I could do is groan in pain as the Lord showed to me the edge of the abyss they were standing on. There were several facets to the situation, some of which impacted me directly, but my heart was riveted on what Jesus was experiencing. And that was about their salvation.

At one point during worship I placed My hand on His Heart and just cleaved to Him, putting my final trust in His grace, and I realized some of you today are being pulled in two different directions. There is a battle going on for your souls. Your conscience is deeply troubled, but you are not aware of how serious your position is in the eyes of the Lord.

And I believe that's why He led me to this film that I shared with you before the message. The tiny sins darken the soul and lead to little sins, which lead to medium sins, which lead eventually to the BIG sins and the death of your soul. Satan does not tempt us with big sins at the start. He begins small, very small, so small that our conscience barely responds. Once he has mastered our conscience on that level, he goes to the next level and if you manage to muffle and justify the objections your conscience makes, Satan continues the process of what will ultimately be the death of your soul. Not all at once with murder, but little by little with tiny compromises, he draws you into a pit of sin and we anesthetize and ignore the twinges of our conscience.

If we cannot resist the little sins, how will we endure the hour of trial that is to come upon the whole world. Some of you have lost our perspective. We are living for today and not considering the consequences of tomorrow. Our lives may end tonight! And where do we stand

before God in this very moment? No one is guaranteed a tomorrow and the Lord has warned us, millions will perish in the judgment that is to fall on the Earth.

Some of us have been honorable Christians in the past, but having been sifted by the devil. We now find ourselves steeped in sin, unable to break from the very thing that brought us to this state. We have been weakened until we no longer have resistance to sin; we suffer from guilt and remorse because we are no longer the person we once were. Where we stand before God, right now, is dangerously close to the abyss. What we choose in this moment will become our tomorrow.

Just the thought of these things caused me to cry out to the Lord for His mercy.

After a while I felt a release and He said, *"Your heart is My pillow."*

Huh. I said, "Oh, how sweet."

He said, *"I find comfort here. I find caring and focus on what is truly of importance to Me, not the flesh, which matters for nothing, except to sustain the spirit's temple. Oh, Clare, I long to hold all My vessels unto honor close to My heart. I long to hear the pure beating of their hearts. I long for them to be detached from the material things of the world. And I am so glad you are going in that direction. Just be vigilant, you have many enemies. But as you can see, I have not allowed them to do tremendous harm. A little here, a little there. Just to keep you on your toes."*

"I want My Brides to know that as they wrestle with their flesh in confronting the future events, I am ever so pleased with their decision to stay faithful and committed to My Will for their lives or even their deaths. For death no longer has a sting, not for My holy ones that have given Me their all as I gave them My all."

"Do not be surprised at the fiery trials you are going through now, Beloved Brides. I am yet removing layers of corruption from your souls and your garments. Do not be discouraged with your sins, I knew your weakness before you fell. Did I not allow you to fall to reveal to you how weak you truly are?"

"Your beauty is not in what you have accomplished or made yourself, these things in Heaven are but filthy rags from Earth and will not accompany you to testify to your sanctity. If you shed them on Earth and put aside your masks, I will reveal your real beauty. Your outer appearance is merely a corruptible shell that will wither and die. It is the inward beauty of a loving soul dedicated to living for Me and not herself/himself that shines. If you do not have that, you have nothing."

"These are things only I can accomplish in you with your cooperation and willingness to be vulnerable and to see yourself as you are before the citizens of Heaven who are looking in on you all, cheering you on, hoping you will cooperate with grace to become the great beauties I created you to be."

"These times are the times that will separate the wheat from the chaff. Those that are sincere from those who are in it for personal advantage. If you have been alive in Me and you join ranks with others for selfish advantage, your heart becomes darkened and closer to death. Yes, you

can look quite alive in your body and be dead inside, compromised to a point near to the death of your soul.

"My Children, I do not judge you on your performance, but your motive, the purity of your heart, the love you put into each action. That is what shall be weighed in the balance when you arrive here.

"Some of you listening to this will come before the Judgment Seat, where all your works, good and bad, will be exposed and your fate for eternity will be determined. To you I say, you are facing choices in this very moment that will determine the rest of your journey, your life path - whether you will live a life of virtue or a life of sin, whether you will serve Me or serve the Devil, whether you will die in virtue or die in sin.

"I am coming back. This is no time to play with fire. This is no time to compromise. Rather this is the time to renounce and repent of your sins and compromises. This is a time to embrace brotherly love, extend a hand of help, live for the good of others, not for your own advantage. This is a critical season. Many of you listening will be facing physical death this year. If you are not right with Me, come, come to My loving arms and though your sins be as scarlet I will wash them white as snow.

"You are not guaranteed life tomorrow. Yet Heaven and Hell lie directly before you. Choose this day who you will serve, and if it is Me, you have only to ask for the strength to break from your sinful past, and I will enfold you in My arms with great compassion and forgiveness. However, if you choose to continue on in your sinful ways, I have warned you, death is at the door and your tomorrow is not guaranteed. Do not sell your souls for a trifle.

"Repent, break with sin, come to Me. I will restore you and rebirth you into life eternal, fully equipped to live a holy life, from the inside out.

"I am here for you. Come."

You Are the Light of the World

April 13, 2016

May the presence of the Lord bring you great comfort and endurance this day, Heartdwellers.

I spent a great deal of time tonight, along with Ezekiel, in just keeping Our Lord company, feeling the heaviness and pain in His heart over the unsaved in this late hour.

Then I came into worship. At first I could not see His face clearly, and struggled for a few moments, even questioning if I had done something to displease Him. And I just got this impulse to ask Him to show me His face clearly. Well, immediately He did! It was so clear I wanted to stop what I was doing and draw it!! So, I began our time together by thanking Him for this grace.

Thank You, Lord, for making Your sweet Face so clear to me.

"All you had to do was ask."

Why didn't I think of that before?

"I don't know." (He smiled knowingly.) "A little bird must have told you."

And, why didn't the little bird tell me before?

"You ask too many questions." (He quipped.)

I know, guilty as charged.

He began to speak, *"I want everyone who is carrying their cross and laboring to know that the end is in sight. They need to know this, Clare. The journey has been long and extended many times, but now we are nearing that window of time when it must be accomplished. The Azuza prayer rally has made its mark on the Heart of the Father. How very edified He is to see this response in His people. They shall not go without their reward."*

And what He's referring to here is, one of our listeners had asked me, "Won't this make an effect, this prayer rally?" I think it was going on in two different parts of the country. Won't this have an effect on the Tribulation, or on the Judgment? And so, that was in the back of my mind when He said that. And I hadn't gone looking at the news or anything, to know anything about this prayer rally - it was just brought right before me.

So, He answered me and said, *"You see, you do not have to go looking. I bring things before you."*

And I thought, 'Wow. I hope she's listening.' By the way, Heartdwellers, if you want a question answered, please don't ask me! Ask Jesus to answer it for you and He will. He'll bring it up.

Jesus continued, *"Even as was told to the child Nathan, everything could be softened by the repentance and prayers of the people. That is exactly what has happened. And there are others around the world who have responded in like kind. All in all, the judgments are being softened. Yet there are still places that are slated for destruction. New York is one of them, Tel Aviv another. There are no cries of repentance coming from these cities. In fact, their lewdness continues to grow and assert itself in the world. Shall I not put an end to these places? Lest Sodom and Gomorrah cry out for justice."*

"Yet, I love these souls dearly and see the crooked ways they have been formed in."

What He's talking about here is, Tel Aviv is the world capital for homosexuals. So, that's why He's pinpointing Tel Aviv and New York is probably a close second.

"Yet, I love these souls dearly and see the crooked ways they have been formed in. Some from childhood, others from choice. And there is a genetic code that makes one more sensitive to this aberration, but never was it intended to be expressed in same sex relationships. They are an

abomination to Me. Rather some are more disposed to celibacy and with that calling have a very specific grace to be detached from sexual involvements, for the greater good of mankind. But the enemy has inserted his reasoning, drawing them into sin, justifying that decision.

"There are many who would argue this point with you, but I am giving it to you straight: there is oftentimes a genetic reality underlying this leaning; but it is no different than a normal person committing adultery or fornication with the opposite sex. Morality is a decision that must be made and lived by and much homosexuality is demonically provoked and inspired."

Oh Lord, this is such a sad and dark subject for me. I have seen so many torn apart by this lifestyle.

He continued, "In the end, it is the logic and the demons that conspire to draw a soul into this sin. And the sins of men against women and women against men, Satan has so cleverly manipulated. But I must say that same-sex relationships can be equally, if not more, in conflict and dysfunctional. That is not the answer to a happy marriage. It is by My will and My choice that a holy relationship is formed. I, alone, know the path a man and woman must travel in this life. I, alone, know what they will pursue and not pursue. And if they do not know Me and seek Me to bring them the right mate, well... divorce or unhappiness is ultimately the fate of those who do not seek Me in their choice of marriage partners.

"I will say that arranged marriages have greater staying power, even though they are not ideal, because the culture has firm boundaries they are held to. This is expected to be a contract between two adults that is the fabric of the culture, so divorce is seriously discouraged. I am not saying they are happy lives, but they are more free from the frivolity of emotions.

"But I want to return to the events at hand. I know these crosses you have carried for months now, My Bride, have grown weighty. And I also know how they have paved the way for the salvation of many that had no chance. I also see the tremendous growth in you who have willingly taken on Simon's cross on My behalf. You do not see it, but so much progress in holiness and brotherly love has been made in your lives, and your reward continues to grow, although I know that is the last thing on your minds.

"But I am here to tell you that we are nearing the end and every prayer and act of repentance on behalf of sins committed is making an impact and changing the intensity of the judgements in severity and scope. It is also playing a part in the lives of families who have intercessors. There will be extended mercy for their loved ones, because they loved much and cared enough to pray for those they do not even know. They prayed because of the ache in My heart and therefore I will move in sovereign ways to protect the ache in their hearts, the destiny of their loved ones.

"So, continue to grow in stature, My Brides. You are growing into the realms of My Love, into the depth and width and breadth of My Love for mankind. You are becoming more like Me every day and when I snatch you up from this sinful mire, you will barely recognize yourselves, so steeped in glory will you be.

"Carry on, My Dear ones. You are changing the course of history with your prayers. Carry on. I bless you now with My peace and inward joy to calm your fears and stabilize you in the events

yet to come. Let that joyful light, the joy of My countenance shine out from within your hearts. You are the light of the world."

This Is My Darkest Hour, Stay With Me

April 14, 2016

May the Compassion and steadfastness of Jesus be with us as we listen to the message of His heart tonight, Heartdwellers.

I wanted to mention, before I got into the message - for those of you who have a zillion distractions during prayer and worship...I have a couple of suggestions that work for me and really help. One is to keep a pencil and pad nearby and write down any "to do" things when you think of them and then go right back to prayer. A lot of times our mind is spinning, spinning, spinning and when it begins to slow down, forgotten things register suddenly in our minds like popcorn.

Another is to ask the Lord to help you enter into worship, and at the same time refocus on worship until you can finally connect with Him and He takes charge of your thoughts.

Anyway, that's the kind of prayer time I had with Him today. I was playing worship music and ever so gently redirecting my wandering mind back on His presence, singing those songs in my heart along with the music. The last one by Terry MacAlmon was "How Long", which is about the Rapture. Finally, after about 45 minutes of this, we began to connect, heart to heart and thoughts began to form. His thoughts. At first I thought they were my thoughts, but then I realized it was Jesus revealing His heart to me.

This is what I saw and felt. I saw a young mother with her two children, one in a stroller, the other walking with her on a beautiful spring day in the park. Then I saw another mother going shopping with her children. She was holding a toddler and about to put him in the shopping basket while her other child held on to the handle. They were happy and going about their day. The little girl was excited to go in the store with her mother to see what kind of treat she could get. Then I saw a young married couple walking into the store at the same time. They looked like they had graduated from college; obviously they were really in love with one another.

As I pondered this scene, I realized how sweet and precious it was, how innocent it was as they were going about their everyday activities.

Then all of a sudden, it happened: an explosion about 4 miles away. A blinding flash of light, a surge of fire and wind, and they were gone. Incinerated. One moment they were all so happy and fulfilled, going about their lives. The next - in the midst of horror, they were gone.

I began to understand...life was so good for these people, so hopeful, so full of a future, yet in a moment's time it was over. It is so hard for me to believe that this could happen in a heartbeat, and even that all of America could be devastated. Young children in kindergarten, college students exchanging grades on their last exam, young girls mastering the balance beam, teams

getting ready for the baseball season - all innocently going about their business and all of a sudden their bodies were lying charred on the ground and the world as they knew it ceased to exist. Horror of horrors, how could God allow this to happen?

Sure, we know all the arguments about sin and punishment, but what about the innocent ones whose lives are just beginning? What about those who are still searching for meaning in their lives, still searching for God and haven't yet found Him? I was once one of those, in my 20's - not having a clue about God. And all of this changes in a flash. It all seems so brutal and senseless. If I had died then, I surely would have gone to Hell.

Then I began to understand the struggle taking place in the Heart of God. He loves each and every one of these. He formed them in their mother's womb. He endowed them with a spark of Himself and gifts to share with mankind and bring them joy, children to raise. He saw the struggles and things they overcame in their lives. Their good and bad decisions - He was there for those, encouraging them to do the right thing. He knows each and every one intimately, like we know our very own selves. And He loves them as His children. How then, can He let this happen?

As I was thinking these things, Jesus began to speak to me.

"Now you are reading My Heart. Now you are seeing just what I am facing. I never want this to happen, never. I know you are weary, My Brides, but please look at this from My perspective. I never, ever want this to happen. To Me, it is the horror of all horrors. And to compound it, some of those may never see Me or be with Me again in Heaven."

I said to the Lord, "So, what do you do?"

He answered, *"Grit My teeth, let out a deep gasp and allow it to happen. But oh, how I cringe, how I abhor what must come to pass. So, do you understand? Another minute means hundreds of souls come into the Kingdom before it is too late. But then it shall be too late... but oh, how I dread that hour! I want you to have My perspective, My Brides. I abhor what must soon take place, so what is another minute to you?"*

"Hundreds of souls. And when it happens, at least many, many more shall be with Me in Heaven. So I say to you, don't be in such a hurry. I dread this event. Come. Live in My Heart. See what I must see, feel what I feel and understand; while you are looking at a celebration and freedom from this Earth, I am looking at holocaust."

"Do not jump to conclusions here. I did not say I'm changing the timing. Rather, I am asking you to join your heart to Mine and see what I am enduring in these moments. Minute by minute, it is pure torture. Yet at some point, it must go forth. All mankind, busy about their daily lives, will suddenly be thrown into an abyss of excruciating pain and loss, confusion. And be in utter shock, stunned, speechless, unable to think. This is what I face minute by minute, until My Father releases it. And then I must deal with the aftermath. Another horror story, horror so great you cannot in your mortal minds understand all the repercussions."

"Oh, stay by My side, My Brides! Comfort Me as the angel comforted Me in the Garden before My arrest. Wrap your tender arms around Me and comfort Me, for never has there been a time

of travail such as is coming upon the earth, and I dread it with all My being. Yet, My Mercy will take over situation after situation at the appropriate time for each poor soul involved.

"This is what I wanted to talk with you about today. I need your comfort, your prayers for mankind, those who have been made in My image whether they be good or bad. It is not My heart to see them suffer this way. It is not My Heart.

"Please, I am asking you. Stay by My side, give every spare moment to Me. Truly, I am walking the way of the Cross again and to those of you who have chosen to accompany Me, I tell you it means more to Me than I can ever express. This is the darkest hour for humanity; this is what all flesh has dreaded. It will overtake the whole world and throw it into a chaos which has never been known, and never again will be known, until the end of time.

"Stay with Me."

For Your Left Behind Loved Ones/Resources on Amazon

April 14, 2016

May the Lord's sweet presence sustain you Heartdwellers and lead you into all truth.

Well, this is a happy announcement. The thumb drives are now available on Amazon. You will have to search for the Tethered Thumb Drive or Clare du Bois, to find it. They put it in electronics of all places. 'Cause it was in the format of a thumb drive. It's 16gb.

For now, while the supply lasts, these all are paid for except for Amazon's fees. The four CD set is also available and the Tethered Book as well. These materials are for saving the relatives that feel absolutely stunned and hopeless after you are Raptured.

All the important teachings from the last year: How to Get a Word From the Lord, How to Discern familiar spirits, what to expect when you are trying to survive on the run - the Lord's own encouraging words to them, so they will know God is STILL for them, still loves them, still with them and they can rely 100% on Him for everything they need, including healing and the courage to face death if need be.

I have also made The Divine Mercy Chaplet, contemplative version, CD available from Amazon. I want to explain to you that this was recorded and manufactured over a decade ago when we were in the Catholic church. So, for those of you who object to the intercession of the saints, or Mary's intercession, just ignore that one prayer in the beginning. For all of you who are new to the channel, we do not belong to any religious institution. We belong to Jesus, and only Jesus.

The Divine Mercy prayer is all based on Scripture and was given to Faustina Kowalska who was a nun in Poland during the 1930's and died at a young age, the very night the first shot from WW2 was fired. She had interceded against this war as it was brewing and was told by the Lord, that He could no longer hold back the judgment. At that time, she was just a wonderful intercessor and her prayers were very powerful.

Her whole message was on the great Mercy of God and that no one appealing to His mercy would be denied. I can't tell you how many times I've seen a healing manifest when I prayed only for Mercy. Amazing. I'll lay hands on my husband, when he's having a bout of something, and I'll just pray for Mercy - and it's amazing that the Lord intervenes and takes the pain away. So, God's Mercy is the most wonderful and beautiful manifestation of His love.

She was given this devotion because the world was a mess in the 1930's. People had lost the faith, were steeped in fornication and drinking and adultery, at a time when exposing provocative parts of the body became the fashion. Drinking and immorality were at an all time high, and people were dying and going to Hell with no one to pray for them. She was often translated to the bedside of the dying and unsaved, where she prevailed upon God to have mercy. For this reason, it is very comforting to play this in the room of a person who is dying. My mother asked me to play it for her, over and over again as she was passing. She found great comfort in it.

The Lord appeared to Faustina many, many times and she offered her life to Him. She just carried her cross to the end. He promised her, that anyone who appealed to His mercy would find it. Now is the time when this prayer is desperately needed. Even though it was given to a sister in the Catholic church, it is a universal plea for God to have mercy on us before it's too late. This is not a Marian devotion, it is a devotion to the power of God's Mercy.

For too long, all denominations have focused on judgment and punishment so extremely that you can hardly find a man or woman alive who is devout, and who isn't plagued by condemnation and a legalistic spirit not unlike the Pharisees of Jesus time.

This prayer has been given to counteract the deadly poisons of a Religious Spirit that are still prevalent in our culture and turn people off to God on a daily basis. I have found in praying it that as I lift my heart to the Father, He brings to mind groups of people all over the world who are in desperate need of Mercy, especially the unsaved victims of tragedy and false religions. I recorded it specifically for this reason and this time, because we are in the end of times, the end of days. People need Mercy more than ever.

During the prayer for mercy, there is a real sense of being connected with the whole world, even though we are hidden away in our prayer closets. It is as one Christian man put it, "When we pray, we are at the center and hub of the wheel, and our prayers reach out to the spokes and rim of the wheel, and we become more in union with the world than if we were actually out in the mission field on one of the spokes at the rim of the wheel. We become more effective as we pray to God the Father."

There are many Divine Mercy CD's that are really well done and shorter. I'll warn you about that - it's a little long. But for this one, I was led to compose it to bring an extraordinary peace and calm into the room and draw us away from the busy-ness of the world. The music has keyboard, synthesizer, violin, cello, flute, flowing water sounds and orchestral strings. It has already been paid for, it is selling just for Amazon's fees. So, that's under my name also on Amazon.

Moving on, we have a book that is a companion volume to the Tethered thumb drive and the CD collection. The Tethered book focuses more on prophecy and the messages from Jesus about the events to take place during the Tribulation and how to survive. The Lord spends a lot of

time telling everyone what is yet to come and how to keep your faith and how He will provide for you. He also devotes many messages to the wonderful things we have to look forward to in Heaven.

As a matter of fact if you really want to know what He's prepared for you, read Chronicles of the Bride. That's our first book. That's all about our visits to Heaven, Jesus' personality when He is with His Bride, and how very detailed the 'place' He's prepared just for you is. It's a real eye opener on His true nature when interacting with His Bride, one on One.

The Rapture Was Real is a book that really covers the most important teachings our Lord has given us in the past year and a half. From discernment and getting a word, to letters from Jesus to the left behind, to how to prepare your hearts for Jesus and live a holy life, to events that will occur in the next 7 years, to getting along with one another as a group and what can go wrong in a group. It has many character forming teachings He has given us. A lot of things that are not commonly talked about in Christian circles, like true humility, gentleness, and total reliance on God, and how easy it is to pray for a healing. And a final chapter on what we have waiting for us in Heaven.

The other two books, Love Letters To My Bride I and II, are collections of messages for the past two years on our channel, the Still Small Voice Channel. There is a very clear sense of Jesus speaking with us in these two books as He forms and draws us closer to Him, removing the spots, wrinkles and blemishes we have acquired in our lives.

And as a final word on these, we are NOT making money on these, they are strictly there to draw souls into an intimate relationship with their Savior. So, if you believe in the teachings, just for the sake of others who don't know anything about us, encouraging them to try the books, by giving it a rating and a good review will really help draw others closer to the Lord. I know that I don't buy anything before I read all the reviews. So, a specific review and some stars go a long way to encourage others to read our books.

On that note, thank you all who purchased books and taken the time to leave a review, I appreciate that so very much. And in Heaven, the fruit of conversions from these materials is something you personally will share in and bring glory to Our God and Savior Jesus Christ.

May the Lord finish the good work He has begun in all of us. Amen.

You Are Mothers of Souls

April 17, 2016

The Lord is with us to comfort and guide us, dear family.

Well, the last two days have been very dry for me, despite hours spent in worship. The Lord warned me a few days ago that this would be happening for the sake of others.

So, after worship, I began speaking to Him:
Lord, I am here. I know You are taking from me my usual

portion of You so others may be secure and in Your presence. But I am most concerned about a message for our children. Please Lord, will you speak clearly to Me?

After a few moments, He began:

"My Love, I am not distant from you as your heart has allowed you to imagine. I am still here, faithful as always, ready to instruct, reassure and love My children and My Bride. Fear is useless - what is needed is faith. Faith that I am in control, faith that nothing can trespass the limits I have ordained for each and every soul.

"Faith that no matter how bad it looks, there is still a silver lining to that dark cloud. I may be hiding behind that cloud at the moment, but I will burst through again and bring the warmth of My presence to inundate your heart.

"I told you I was allowing this period of My hiddenness from your view, for the sake of other souls who need My security in their lives. They have never known Me this way before. You are a mother, of sorts, and those children that come to the channel are in need of a mother's sacrificial heart. When I allow you to feel empty and barren, it is because I am fertilizing baby souls that they may bloom into a fulfilling relationship with Me. And you agreed to cooperate. So don't forget, when you feel this loss, it is your offering to Me for the young ones on the channel.

"All of you, My Brides, when you have reached out to souls and touched them with Me, expect trials on the heels of that witnessing. Expect hardship and sacrifice. You are birthing children into the Kingdom. You are with your own life cooperating with Me to bring them into our family. You, too, become the mother of souls.

"These children need prayers, teachings, sacrifice and tending to, so the enemy will not pluck them out of the soil before they take root. They need watering and protection from the harshness of the elements. Agents of the enemy are constantly patrolling sites such as this one to discredit those channels and scare new believers away.

"I am so blessed by those of you who took My words to heart and made links to refer visitors to deeper teachings. This is a rare opportunity to be nourished by Me in a non-threatening environment, where they can take their time and drink deeply from the living waters.

"Many attempts have been made to scare them off behind your backs, but I must say some of them have responded with rejection of the lies about this channel. And because they persevered, I have blessed them mightily and they are on their way to a much deeper relationship with Me. Clare, do not allow the loss of some who have visited here to trouble you. You know Me. I follow them wherever they go and eventually lead them to living waters where they may grow into the faith.

"Well, I have shared a bit of My heart with you. My focus right now is very much on bringing souls into the Kingdom, to know Me, born again, and on their way to being established in righteousness. Many have been snatched from the fires and are still very wounded and reluctant, but I entrust them to the loving environment of this channel to be nourished and protected with prayer.

"Please. Please pray for the new believers. You have many here who are brand new to the faith. Come alongside them and accompany them, sharing your experiences, your fears and triumphs so they may be reassured they are on the right track.

"It is My Love that draws them here. Don't let the innocent go without feeling acknowledged, received and encouraged. Remember, you have all been in that place of woundedness and insecurity and found a peaceful home here.

"I anoint you, dear ones, every day to reach out to those around you. Your love for others has warmed and encouraged My aching Heart.

"As the cup of bitterness continues to fill up in the world, this is one place I can come to experience brotherly love. The Love I have so desired for My Body. Continue in this love, no matter how abrasive and ugly the enemy becomes. You will know them by their fruits, and the fruits here are indeed sweet."

Mercy! The Comet Will Only Graze the Earth

April 12, 2016

(revised from original version on April 12)

Well as you Heartdwellers POSSIBLY noticed, there've been a couple times when the video on "Mercy! The Comet" has been put up and taken down. And I'm going to explain to you exactly why. Just so you won't be mystified. And I have a confession to make.

You know how restless you get when things are dry?

You're waiting for something to happen, and there's no rain, no flowers - just dry, dusty dirt day after day in prayer. You're waiting, waiting, waiting for a sign, for more news, more proof, etc. etc. And we get restless.

Well, I got restless. I won't put it on you - let's just say I got impatient and started getting curious.

We have some wonderful people on our channel, that are - when they find something good, they love to share it. And most of the time the Lord doesn't want me following up on links, but I got a little...shall we say, a little tempted and followed up on links anyway. I started checking them, and a couple that someone had sent me. I ran across a few that seemed very plausible and decided to listen to them.

Well...conflict came up. What Jesus told me and what they were told seemed to conflict and I began to question the Lord. Oh, how sad He must have been when I started doing that! He's been so faithful to us, all these 25, 28 years, doing what He said He'd do. Always doing what He promised. How could I do that? How could I be so insecure and question Him?

Well, didn't I tell you guys that He chose me for this mission because I was the worst example of faithfulness and virtue He could find? The most fickle, the least well-equipped? In this way,

whatever good is done, He'll get the credit for. And I've told you this over and over again, because it's true.

And He did it because He wants you to know that whatever your faults or flaws are, you couldn't be worse than me. And if He can use me...He can use you.

So, if you wondered why I took this video down twice now, you'll understand I had first discerned it was the Lord. But I'd been getting hammered by my curiosity and conflicting opinions and information.

Come on, my dear veteran listeners - let me have it. I totally deserve it. "Clare, didn't the Lord tell you NOT to listen to news and the prophets?"

Yep - He sure did... Guilty as charged. And when I did, I began to question the sequence of events in this video and took it down for more discernment. I called in more people to discern it. Well, let's just say that this message has been through the discernment mill! And all I can say is that it's been tested and I'm standing by it. So, it's going back up. And as a matter of fact, I don't care how it disagrees with this one or that one. To the best of my knowledge, this was Jesus talking and I'm standing by it.

And remembering back, last September when everyone said that the world was going to collapse with the Jewish feasts - and the Lord came right up front and told me. I think it was on the 31st of August - "Nothing will happen during September." And nothing DID happen, it was a relatively quiet month. Certainly, the world didn't fall apart. I got a lot of flak for that one, I'll tell you. A lot of fire. Chastised by a lot of different people for discouraging God's people by saying it wasn't going to happen in September. But the Lord didn't want people running around like chickens with their heads cut off in confusion. So, HE brought it up.

That's all I do, when I come into prayer, when I present a message to you. It's from HIM, and HE brought it up, not me.

That said, I'm only human and while we all get a lift out of prophetic words and understanding how things are going to take place, that is NOT the most important thing to the Lord's heart right now. He's concerned with the salvation of souls, and your faithfulness to Him. Living a life that is a witness to His dwelling in you. And using the gifts that you've been given to touch other's souls before the time comes when it's too late. That's why we focus more on personal holiness and reaching out to others than prophecy.

I get four times as many "hits" on the prophetic words as I do on words on personal holiness. And you know, I could really exploit that - if I were dishonest. Just so I'd get more hits. But I don't care about hits! What I care about is getting the message the Lord has out to you. And this is what He wants. He wants us to focus more on personal holiness and reaching out to others. And every once in a while, He'll give us some prophecy.

So, I only bring prophetic words forth when they are given. The rest of the time, I share my weaknesses and God's strength holding me up, so that even the worst among you will feel they have a chance. Because I am so lacking.

So, a couple of lessons were learned here. First - don't go poking around into what others are saying! You'll get a good case of spiritual indigestion!! And don't question what you know is God-given with your human reasoning! Trying to make it fit just right. And thirdly, you are only human. And even the best and most experienced believers have made errors in discernment.

So, the two things I'm really sure of, guys, are the Dome of the Rock destruction and Miami. Those I KNOW were from the Lord. And unless He changes something, I'm standing by those. And this recent one about the comet, to the best of my understanding, is also from the Lord and He is going to mitigate some of the judgment because of the repentance. And He is holding back the events, minute by minute. So, where is the comet going to come from and when? I don't know! And unless He tells me, I'm not going to get curious about it again. God help me! lol... Even Ezekiel was saying, "That looks interesting on the comet, let's watch that." No, no, no, no, no!! I think I've learned my lesson. Pray for me, guys. All I know is that it IS coming, this 2 mile wide comet is coming. He WILL show mercy, because of prayers and repentance. And it may very well be a warning shot for the one Heaven is silent for, for half an hour. There's a HUGE difference between a comet glancing off the planet, ripping through the water and land with a tail of fire and gasses and continuing on out. And a comet that size hitting the Earth square, with a total 90 degree impact. THAT is an extinction level event. But this comet is not.

So, as usual, guys - I'm being totally honest and blunt with you. I struggle, just like anyone else. I'm weaker than most and I know I'm more flighty and distracted and easily provoked. So, if you have any problems with these faults, oh Good News! The Lord can still use you! And you're Rapture bound.

So, here's that video - again!

~~~~~

The peace that passes all understanding, the peace of Jesus be with all of you, Heartdwellers.

I want to share with all of you part of the reading He gave to me today, from *The Rapture WAS Real?!* book that we put out. The page I opened to was 205, which is under "The Great Revival After the Rapture, April 6, 2015."

*"I will be seen during the Rapture. I will not set foot on the Earth. but I will be seen.*

*"Miami is no different than the WWII wars and rumors of wars. Because of the increase of knowledge the damage inflicted will be far beyond and more confusing, disorienting and devastating than ever before. FOR that reason, it will be an hour when I am least expected. You see with all the moons and feasts, I am expected. That should alert you right away that it can't be on a feast day, because you are expecting Me.*

*"Does it not say that when I am LEAST expected I will come? That was meant to be a hint."*

"OK, now that contradicts what people say about knowing the appointed times."

"Sorry."

"Oh Lord, you are indeed Sovereign."

*"I will indeed do things at the appointed time, but I made it a point to exclude the Rapture, so why are you looking to appointed times?"*

"Umm...I guess because it makes sense?"

*"Exactly. And I already inferred that it would make no sense. So relax and stop trying to second-guess Me. I already gave you a very firm indicator, rest in this, Clare. Please do not sow confusion, hold to what I gave you years and years ago. Rest in this. Stop looking to guess what makes the most sense. You are all wearing yourselves out trying to resolve this issue using the stars and moon and the appointed times as your plumb line."*

"Oh Lord..." I was just thinking at that point, 'Boy, I must really be a false prophet...'

He answered without me saying anything: *"You are not a false prophet. I like what you call yourself - My Bride. And does not the Groom entrust His Lady with His secrets?"*

After reading this, and during worship, I couldn't take the music - it was just too distracting and too noisy. And I felt that I must seek out His presence and comfort Him. I felt Him all day today, but I really especially wanted to really be with Him, with all of my attention focused on Him. Ezekiel and I have been feeling snippets of sorrow from His heart and tonight all I cared to do was hold and comfort Him. There are times in our lives and the lives of others when words are not necessary. Just a hug and comfort is all that can be given.

Oh, Lord. Tonight I felt such sick pain in Your heart. And it occurred to me: You have said about the timing of the Rapture, You are extending the time in tiny increments and then You explained to me that that means by minutes. That being the case, at every moment You must re-evaluate and make a decision. Every moment of every soul on the face of the Earth, and make a decision in that moment, whether to go forward to the eventual death of millions - or whether to wait. Oh, how painful that must be!

Jesus began, *"It is still My Father who makes the choice, Clare. He is the one Who must re-evaluate moment by moment, as I stand in the gap. But My heart is heavy with sorrow. What you have seen glimpses of, in Pam's dream, by the ocean in California is the devastation of My heart when it finally all comes down."*

And for those of you who don't know about that vision, here I believe, He's talking about the beach scene, where His heart was so crushed by all the deaths and the Father is comforting Him, there by His side. Oh, how shall we EVER understand these things? The Trinity is so immense, and yet SO personal!

The Lord continued, *"I brought up the timing of the Rapture again, because it bears repeating - so that My Bride can stand steady as she goes. While this fight for lives is going on. You were correct in your observation, that I am trying to get as many saved as possibly can, before the horrendous events. So they will come to Me, and forever be in My presence. Although these events with ISIS have driven people from their homes, the devils could not foresee the movement*

*of My Spirit in these camps to bring them to Me. It is, as always: what was meant for evil, I have turned to good.*

*"I know and feel the anxiety all My Brides are experiencing right now. I especially know the increase in pressure from evil forces. It is as though we are all walking on pins and needles, through a sea of darkness - and I am sorry it is this way for the time being. But even that you may offer to Me as a fast offering, for the souls yet numbered that I am drawing in.*

*"When it finally happens, it will be a surprise to all. My word on this will not fail, or return to Me void. What you in the Earth are now all experiencing are the birth pains. You are in labor with Me for My children. Events will happen in rapid-fire succession. The Dome of the Rock, the invasion of Israel, exchange of nuclear bombs, the invasion of America.*

*"The final straw will be Miami, and the other locations - mixing all of these together, plus the renewed efforts of CERN. All of this together will put the Earth in the path of this comet, which was foreseen by John. But because of the prayers of the faithful ones, up until this hour, it will glance off this planet and keep going.*

*"This you may share with all that prayed: you have moved on My heart and indeed our Father has heard and responded with Mercy. It was going to be much, much worse. That is an important bit of news for those who have been expecting the worst.*

*"This is the heart of My message tonight: Mercy has been shown.*

*"I give you My peace and My strength now, and I bless you My Bride and My children. Know that your prayers stir the heart of My Father and will bring yet more mercies. Continue to pray for the world."*

## **When The Lord is Painfully Silent**

April 18, 2016

The sweet peace of Jesus be with you all, Heartdwellers.

Well, I just put up that asteroid video again, and I want to share with you something about my experiences this week.

And the Lord has a message that's pretty interesting, actually.

I have been struggling with doubts and discernment lately. You might say, 'What's new about that?' Well, it has been much more intense and the Lord has been distant. This is by far the most painful of trials. And I know some of you are suffering the very same things. Thank God for Ezekiel, who recognized my state and for my prayer warriors and all of you who have held me up in this trial of dryness.

So, when I came into prayer today, I was in worship for several hours. I finally just had to seek a word from the Lord and hear His voice.

So, I said, "Lord, please don't leave me without anything to share. Lord, please have mercy on my soul."

He answered me, *"Do you know how much good I am doing with this sacrifice?"*

I can only imagine.

*"Much good, very much good. Right now there are people on your channel that did not know Me or My voice, and now they know both. And they know that I am with them and I will never forsake them. I would say that is very much good, wouldn't you?"*

Yes, Jesus.

He lifted My chin, *"Clare, I know how much this hurts you, as it hurts Me. But all My saints had to pass through this gate of unknowing and sheer faith, that I might shower their graces on the weak and lonely. See? Right now you know I'm talking with you. Doesn't that give you some measure of comfort, My Love?"*

Our eyes met and His were twinkling with compassion.

And below us, I see a demon looking very much like a filthy crocodile, with his eyes on me and snarling.

*"Yes, that is a demon of false accusation and condemnation, standing by and waiting to attack you and take you under, roll you in his mire and stick you under a ledge until you're good and rotten.*

*"This is what he does: look for souls that are either under correction or being sacrificed for the sake of others, as you are now. Yes, he waits for the right opportunity and then strikes, leaving the bitter poison of isolation and condemnation.*

*"But you have been this way many times before and you know how to handle him, don't you?"*

Yes, Lord - ignore his slimy lies. Renounce him and actively trust that You are using this trial for the Kingdom. That's always what I end up doing.

*"Very good!" He answered. "That's exactly the answer I was hoping you would give Me, so I could tell My Brides that you, too, will be tested in this manner. Do not suppose for one moment that I have abandoned you, because I have not and I will not. You are dying to yourself and giving life to others, like the seed that falls to the ground. The consolations meant for you as you reach out and seek Me in worship and you long for Me, those consolations are being passed on to the truly desperate and needy.*

*"In this moment in the world, there are many such as these. There are those who are breathing their last under the rubble of earthquakes. They have never known Me, but I am visiting them because of your offerings and your prayers.*

*"You see, when you entrust Me with all that is yours - your everything - I dispense grace and mercy where I will, but so much is handed over to Me in the gift of your life. You have said, 'Jesus, anything for You.' And I have said, 'I will have you with Me in paradise someday, but for now I need your sacrifices, I need your consolations, I need your physical infirmities, yes, even those. They are your cross, your Simon's cross.'*

*"You say to Me, 'But you did save us for once and for all' and you speak the truth. But now, someone must pray that this gift of salvation is delivered to the poorest of poor, the dying, the lame, the sick, the drug addict, the victims of tragedy, all who are languishing without knowing Me and without any hope.*

*"True, I have visited some of them many times in their lives before, but they were not ready. Now they are ready. And those who have yet to know Me, because of your offerings, are now coming to know Me and discovering the love and joy of their lives. With that discovery, they are happy to die to be with Me and another soul is snatched from Satan.*

*"So, this is not a punishment, as you imagined."*

I just want to mention here, how many of us think the Lord is punishing us when we can't see or feel Him? Ahh...and the devil's always standing by, the accuser of the brethren to jump in on that that and say, 'Yep, you're guilty. You're worthless.'

*Anyway, going back to what the Lord was saying, "So, this is not a punishment as you imagined. You should know better, My Clare. We have been down this road before, many, many times. But I know your frame, I know your forgetfulness, and I know those who visit here are hungry for truth. Yes, they long to know the meaning of suffering in their lives. They are under the impression that I am a punishing and vindictive God, when we know that all suffering is from Satan not Me. But what he meant for evil I turned to good and I despoiled him of yet another soul.*

*"All of you, dear Dwellers in My Heart, you know now that everything you experience, I turn to good. Nothing, absolutely nothing escapes My notice and how many times do I in fact hang on that cross of suffering with you? How many tears do I shed when you go through all these things and offer them to Me with a grateful heart? Millions of times a day, I am garnering gifts of love from My people to be shed upon the hearts of those who do not know Me.*

*"Despite this sense of absence, know that I am always with you, always comforting you and seeing to your needs, admonishing and dispensing graces to you. Yes, especially the graces to endure this dark world without the sweet touch of My consolations, that I might shower them on the desperate with no hope.*

*"So you see, My beloved, that crocodile continues to hiss at you and whisper his foul breath, 'You're no good, you're a failure, your God has rejected you, He has withdrawn and deserted you and left you sweltering in your own mess.'*

*"Oh, how far from the truth. You were going along so well, flourishing even, and I asked for a sacrifice and your spirit gave consent. And here we are now, talking about it, because all of you need to be reminded of this dynamic - especially in this hour when sufferings are intensifying."*

I cut in and said, "A lot of people have been posting fear that they have abandoned, and they won't be raptured, even imagining sins or weaknesses being sins." That's a spirit of condemnation, that's not the Lord.

He continued here, *"It simply is NOT true that I have abandoned them, when in actuality, I have graciously accepted their loving sacrifice and showered those consolations on the ones who are perishing. How perfect is that?"*

*"So, I ask you all - are you in this moment suffering? Have you lost a loved one? Have you been misunderstood and lied about? Have you been beaten and left for dead? Have you loved and labored and poured out your gifts on others and been denounced?"*

*"These are all thorns in My Crown, My Brides. It is being woven into the perfect headpiece for the one who resembles Me: My True Bride. All these evils have been allowed you to prove your love, your forgiveness, and draw those detractors closer to Me. You have only to see how they treated Me, though I did nothing wrong, to understand why you are receiving insult and injury for the good that you're doing."*

*"How many times have I said it, 'The Bride must resemble the Groom.' Indeed, you do resemble Me in all these sufferings. But understand, there is a purpose for it all. I waste nothing of My Brides' loving gifts, I use them all. And someday you will meet the fruits of your sufferings on this Earth, and there shall be great rejoicing in Heaven."*

*"In the meantime, we are moving closer to the time when the clock will strike midnight and it shall be accomplished. So, please let the sweetness of this message wash over you and remove the sting of suffering, alienation and hopelessness you have felt in the past. You have done a great work for Me, in bearing up under trial and continuing to worship and hope in Me."*

*"I bless you now with a vision of Heaven in My arms. You are My joy."*

## **Get Ready For Your Journey**

April 19, 2016

The Lord Jesus is preparing us Heartdwellers. He's on His way and wants His Bride ready.

The past week He has been somewhat hidden from me in order to shower consolations on souls who have never known Him. Today He gave me the grace to move past my fears that He was not with me because I couldn't see Him, and I was at peace about that.

So, when it became time to be listening to Him, He immediately said, *"I'm here."*

Lord, I'm not even trying to really be with You, rather my heart is set on worshipping You, even without a response. And that seems to have really taken the sting out of missing You.

He replied, *"Yes, you know I am here, and you are finding your joy in just worshipping Me without anything in return, and that works. In fact, it works very well. Although I will not leave you in this estate for very long, for now it is a precious gift of love from you, My Bride."*

And I am happy and at peace about it. I know you are here by faith, and it is enough. Thank You, Jesus, for this grace.

*"You're welcome, My dear one."*

So, what is on your mind for Your People, Lord?

*"Getting ready. Getting ready to meet Me. Preparing their hearts before My mirror and asking forgiveness for what they see that is not right."*

*"All these years My people have gone one of two ways: being constantly guilty or constantly OK-like, 'nothing wrong here.' But now I am asking for a deeper look. A more candid look, not glossing anything over. It is incomprehensible to you, My children, the demands of personal holiness. Because of My mercy, much is overlooked. But rather than be shocked, as that young boy Nathan was when he stood before his audience and his sins were revealed. I want you to spend time with My Holy Spirit and ask Him to reveal the darkness still inside of you."*

*"When you discover it, I don't want you going over the deep end. I already knew it was there. All I want for you to do is confess it, ask forgiveness and make a resolution in your heart to avoid those sins and pray for the grace not to repeat them. You see, though you fall and are not perfect, because you confess and work on it I will forgive you and continue to pour out the graces you need to finally overcome your faults. You do not have to be perfect but you do need to be perfectly repentant."*

*"The heart of this exercise is preparation and readiness to face Me. So much will be forgiven and removed on the way up to Heaven, but I do insist that you forgive everyone that ever offended you. I don't want this experience marred by unforgiveness."*

*"What may help you in that area is that whoever was a challenge and injured you, had My permission. I am not the author of evil, but I did allow it as a challenge in loving others and dying to yourself. So, ultimately you can only blame Me for allowing it. Therefore be sure that you forgive the person, that you forgive yourself, and that you forgive Me. Cover all three bases. Ask Me to remove the root of bitterness you allowed to grow in your heart and defile it. There most certainly is a root of bitterness in every one of you. It is your job, with My Holy Spirit to identify it, renounce it and pray I will remove it."*

*"This exercise should not take you long, and it will not hinder your going into eternity. There are many of you that could be detained for unforgiveness. If you have bitterness in your heart, it is the ugliest of stains and will show right on the front of your wedding gown. So, be sure to rid yourself of that. Disarm it. By that I mean, refuse to allow it to pull you into a fury. Renounce this"*

*anger and unforgiveness in My Name, and refuse to connect with it. If you are faithful to make an honest effort, I will surely be faithful to totally remove it.*

*"Selfishness is another flaw that you should repent of. Look for those times when you could have done something for another but didn't bother. Either because you didn't want to or you didn't feel up to it. Do you know that many times I heal a malady because you went out of yourself to give, even when you were sick? There is a dynamic here.*

*"Satan knows ahead of time, sometimes, that a test is coming, or that you will rub shoulders with someone really in need. So he sends demons to push all your buttons, get you upset and distracted so you miss the good deed you should have done. This is oh, so common. When you see a multitude of things pushing your buttons, be on the look out for the 'why' of all those distractions. Is there someone coming to you for help, is there a meeting planned, is there an occasion of some sort?"*

I would just like to say something here. Before ministry appointments? Oh, my goodness. We get barrages of provocative situations to wear us out before our appointment. This is so typical. I remember all the way back, I can remember these occasions all the way back 25 years ago, where the enemy tried to get us upset before an appointment.

Jesus continued, *"Understand that the demons also have limited energy, so they pick their opportunities to trouble you according to the importance of what is coming up in your life. If it is very important and they know about it ahead of time (which they mostly do because they alert one another that such and such is going to happen or so and so is on the way) they quickly put 2 and 2 together, seeing that there is an occasion of virtue and helping another soul in need. They try to distract you or get you to cancel the meeting. Or they wear you out so you have nothing left for that person I'm sending you. Who, by the way, was very important to Me.*

*"Another thing to be aware of in selfishness is the self-important attitude, 'I'm too busy for the likes of you.' The 'you aren't important enough to me to stop what I'm doing.' attitude. This is abhorrent to Me. Now we are getting into PRIDE, which is truly at the root of all evil. Selfishness will lead to Pride and self-righteousness. Look for those times when your conscience twinged and you ignored it. Those are very good indicators of hidden sin.*

*"My Beautiful Bride, I am not saying these things to make you feel badly. I am saying them so you will stand clean before me. Sin is dirty. Unconfessed sin continues to be dirty. But sin confessed and forgiven exists no longer, it has been cancelled out. I want all My Brides to have their sins cancelled out.*

*"Self-will, selfish ambition and jealousy that cause you to follow your own path rather than Mine, are also important to confess. If you are not sure, better safe than sorry. Better knowing that you recognized it than hiding it and having Me bring it up. Oh, so much better.*

*"Here is a list for you to use in checking your behavior: Fear, Pride, Jealousy, Judgment, Anger, Laziness, Greed (acquisition), Gluttony, and Lust.*

*"Pay particular attention to those things that you do habitually when you know in your spirit you should be doing otherwise. They are an indication of disorder in your life and idolatry, because you put them before Me. These are indeed wrinkles in your dress.*

*"As I said before, this is not to discourage or reprimand you. It is to prepare you to meet Me without spot, wrinkle or blemish.*

*"A spot is something you allow to defile you, something you watch you shouldn't have watched, something you said you shouldn't have said, a feeling you engaged that you should have rejected.*

*"A blemish is an indication of inner contamination of the spirit. It comes up because something isn't right inside. It could be an attitude that contaminates everything you do, like selfishness, fear, retaliation.*

*"A wrinkle is formed by a long-standing habit of sinful or disordered behavior. Having to work on Sunday, because you are in debt over your head, is the symptom of a wrinkle. The avarice caused you to want and to buy, then to pay it off you must deny Me the time I ask you to set aside every week for rest and rejuvenation with Me.*

*"Some of you are forced to work on Sunday or the Sabbath because that is the only work you could get. I am not legalistically condemning you for this. Did I not pick grains on the Sabbath? Did I not heal on the Sabbath? There is an attitude of heart that is so greedy that every spare moment is used to procure what is wanted."*

Wow...do I know about that...

*"There is another attitude of heart that sets aside another day for Me when the appointed days are taken up out of necessity.*

*"I wish for you not to get into arguments about which day of the week is holy. I will not instruct you on this, because it leads to a religious spirit. I want your heart, not your lip service and obedience to the law. Yes, I can hear the stones flying through the air now. This attitude of heart is deadly to a personal relationship with Me. You will note, it was the scribes and pharisees that refused their hearts to Me, because I did not support their Sabbath rules in a way suitable to them.*

*"Do you know what one of their main concerns was with Me? I threatened their income from the sale of sacrifices and coin changing. Yes, they garnered quite a nice income on all that went on in the temple precincts and their greatest threat was that they no longer would have an income from these illicit activities. That is a wrinkle. The habit of having more and better caused them to twist their consciences in order to provide for their excesses.*

*"Some of you, especially the young ones, will over-react in fear to this. Please, My precious dear ones, this is not condemnation of you. It is to make you aware of the righteousness of God and how very deep it goes. Most of you do not have properly formed consciences. You were not raised on the Word in a holy household. So I must take you back to those roots and reveal to you how some of the things you were never taught are important.*

*"But I am not a legalistic God. I am full of mercy, understanding and forgiveness. I want your heart. I want you to love Me, to trust Me, to come to Me and speak with Me about your weaknesses, your sin and insecurities and fears. I want to help you overcome these things.*

*"If you have something you cannot change and you fear it is displeasing to Me, talk to Me about it. I will help you. It may not even be wrong-doing on your part. It may very well be from the father of lies, who is continually trying to make you feel badly about yourself.*

*"Yes! Condemnation is his favorite tool. Why, you ask? Because if he can convince you that you are bad and worthless, and that I am a severe judge, you will avoid Me and never come into My arms and trust Me.*

*"So, do not over-react to this message. Rather take it as a checklist. You are going on a journey, you need to get your things together. Work on your list and I will help you with each thing you are afraid to face. Use your Bible Promises to verify whether something is right or wrong. Watch for things in your environment, a sign from Me: a bird singing, a heart shape in your food or a leaf on the ground. A love song in the store, a sweet wash of contentment suddenly flooding over your soul. These are ways I encourage you and show you that I am not only with you but I approve of you and all your efforts are indeed pleasing to Me.*

*"So, what I am telling you, in a nutshell, is simply prepare yourself in repentance to meet Me. Just as you would wash and shower before a big event, wash yourself in My love and forgiveness. Don't be afraid to confess anything. Remember, I was there when it happened and I will forgive what you confess. Let's do this together.*

*"I am all for you, I will sustain you in your weakness, I will not abandon you. I love you deeply, do not be afraid."*

## **The Deep Things of God**

April 20, 2016

The sweet peace of Jesus be with you, Heartdwellers.

I've been struggling with a certain coldness in my heart. I want to 'feel' my prayers, I want to be present to the sufferings of this world in my prayers, but I've felt so flat lined and detached. This has really been bothering me, it makes me wonder if I really love and have feelings for others. So, I've been asking the Lord to give me that

grace and I believe He is beginning in this message.

After worship and communion, and the Stations of the Cross prayers, I sat quietly before the Lord and He began by asking me a question.

*"Do you know why I wanted you to pray the Stations of the Cross with Me?"*

No, Lord. I don't.

*"I want you to enter into My Passion more fully. There are parts of your heart that have iced over, Clare. They are too sensitive and you've chilled them to stop the hurting. But I need to reawaken those parts of your heart. They need to be fully alive, My Bride, in order for you and I to be in perfect union."*

Oh Jesus, the very thought makes me sick at heart.

*"I know. That's why you've closed them off. But when you did that, you also closed off other parts of your heart I need fully functioning and alive. So, just be patient with Me as I reawaken them. You will not regret it."*

Yes, I remember from years ago, it can be excruciatingly sweet to enter into Your passion and meditate on what you went through.

*"Well, I want you there with Me.*

*"Do you hear Me, My Brides? So much of My living example has been written off and buried. So much has been sealed up and labeled a no-go zone. 'Jesus died and rose again and now He's not on that cross anymore.' That is what has been accepted as the norm.*

*"How far from the truth that is! As long as there is one human being unsaved or hurting, the wounds of My crucifixion remain open, bleeding and throbbing. Men have closed off that part of My life, because it is too painful for them to look at. But in so doing, they have discouraged access to the deepest mysteries of My incarnation. This place, where I want you to go with Me, contains all the answers to your suffering in this life, including the grace to endure without bitterness. When you accompany Me with the way of My cross, I accompany you along the way of your cross, and My example gives you the courage to press on.*

*"In this place there is open access to the inner chambers of My heart, the preciousness of your salvation, what I undertook for you. Who I truly am, and that My compassion knows no boundaries. Neither does My Love. In this place, you will come to know that truth, not with your intellect but with the full force of your human emotions which I created you to have and enjoy and bring you into a depth beyond logic, beyond reason and beyond the intellect.*

*"God is Love. That is what is said about Me. But to know this love, you must journey in My heart and experience Me. When Rick Joyner dreamt of the different rooms in Heaven, he was experiencing the treasures of My passion, and exactly what that accomplished. But I will say this - you as humans will never know the depth of love I had and still have, that caused Me to descend from Heaven and submit My Holy flesh to corrupt men in this corrupted world.*

*"The fruits of these meditations are magnificent beyond the finest and most flawless gems. The pricelessness of the whole world and activity of My Heart for humankind are revealed through them. What I accomplished is a mystery I long to share with My Bride. That is why I have called and requested that the stations be prayed.*

*"When you enter into the mysteries of My cross, you are reliving the sentiments of My mother's heart the day I was crucified. She was indeed the very first Christian and responded to My mission with her whole heart. She invested her entire self in Me, Clare. And with Me she longed*

*for the redemption, even to the piercing of her heart, that the thoughts of many may be revealed."*

As an aside, I just want to say the origins of the stations of the cross is a devotion patterned after what Mary did the day the Lord was crucified. She followed along the exact route that He took and removed the blood from the ground, and remembered each step of the way. And she continued to do that every day, to walk those stations of the cross every day in devotion to her Son, remembering what He did for all mankind.

On this note, as I'm learning to contemplate the stations of the cross with Holy Spirit's help, I'm preparing a meditational for you, to help you enter into this place. It'll be very, very simple prayers and a lot of picturing the situation that the Lord was in at each station of the cross. Helping us to enter in and really, truly enter into this place.

The very first song I ever wrote was about what He did for me in His Passion. I'll be using that melody for the background of the recording. So, that's something that is forthcoming.

Picking up where we left off, the Lord had referenced the piercing of her heart, which text is actually written the piercing of her soul in the Scriptures. And then a Scripture was brought to mind.

And Simeon blessed them and said to Mary His mother, "Behold, this Child is appointed for the fall and rise of many in Israel, and for a sign to be opposed-- and a sword will pierce even your own soul-- to the end that thoughts from many hearts may be revealed." Luke 2:34-35

Lord, I have never really understood this. Please, can you explain it to me?

He answered me, "This is the judgment, that the Light has come into the world, and men loved the darkness rather than the Light, for their deeds were evil. For everyone who does evil hates the Light, and does not come to the Light for fear that his deeds will be exposed. But he who practices the truth comes to the Light..." John 3:19-21

Jesus continued, "This was manifested in the Praetorian, '...when the Chief Priests and the guards saw him, they cried out and they were saying, "Crucify him! Crucify him!" John 19:6

*Jesus continued, "At that moment, the contents of men's hearts were revealed for all to see, and My mother's heart was pierced by their rejection of Me. She was in total accord with what had to be done to pay the price for you and mankind. In that moment, though she suffered terrible torments, she gave her consent as well. And people ask why she is so special to Me? They know nothing of her interior life or what she suffered on this Earth for their sakes. But suffice it to say, she was truly the first Christian and totally deserving of that title.*

*"Of those who knew Me, there were no gray zones at Calvary - either I was loved or hated, nothing in between. The rage and hatred of the crowd is not even understood today. I was hated with a passion and the demon infested crowd would have torn me limb from limb had it not been for the Roman soldiers, who had already executed the wrath of Satan when they lashed the flesh from My Body. I should have died at that pillar, but My Father needed Me to finish the very dregs of the cup, and so I lived."*

Oh Jesus, I can barely stand to hear this. Lord, it is just too much.

*"My Darling Bride, I am calling you to enter into My passion with Me, for very specific purposes. All of you, My Brides, have cordoned off your heart from My torments. And how do you expect to know My Love for humankind if you do not accompany Me in My sacrifice? These are deep things. Not all will follow.*

*"But you who are My Beloved ones, cleaving to Me with all your hearts, you must open those chambers and drink from that cup with Me. Of all the delights and consolations I could give you, nothing approaches what you will experience in My Heart of Hearts. That said, for those who cannot accompany Me, I love you all the same and there is no condemnation for those who do not have the stomach to follow Me.*

*"Lest you misunderstand, it is not about the blood and gore. It is about the absolute desolation of My Heart - that those I have created and provided this beautiful planet for and breathed life into them. Those I have blessed with children, food and clothing. Even those I healed of leprosy abandoned Me in the hour of My agony. They sided with Satan's agents and spat upon the ground at the foot of My Cross. Can you imagine that? Taunting, ridicule, contempt, all heaped upon Me during My unbelievable torments as I suffered for them and they knew it not.*

*"Yes, you are beginning to get the picture now. 'Forgive them Father, for they know not what they do.'*

*"I am reaching out to your hearts, My Brides. Some of you in the length of your days have grown isolated in the deepest places of your being. I am calling them forth from the tomb of sorrows. There is healing to be had there. There is forgiveness to be had there. But most of all, is the richest treasure of My incarnation, the sum of which every finely faceted gem on Earth could not approximate in worth.*

*"It is the pristine and pure gold of My Love that awaits you there. Do not be afraid to enter in. I have prepared a place for you there, as well. Come, lift the cup to your lips and share this espousal cup with Me. You are My Bride, and there is nothing deeper, nothing more precious, than the contents of this cup.*

*"Come, drink with Me."*

## **Your Greatest Strength**

April 22, 2016

May the Lord Jesus grant us the strength and Hope to persevere and be victorious in these end times.

He began this message tonight, *"I want to talk to you about cleaving to Me and the sweetness you feel in your heart. Challenges are overcome by those who are in love. Being in love with Me is your greatest strength, in that it makes you want to choose for Me, rather than for yourself.*

*"You perceived rightly at the Way of the Cross, when I kissed the wood before I carried it."*

I had had a vision where, during the Stations of the Cross, where He kissed the wood before it was put upon His shoulder.

*"You perceived rightly at the Way of the Cross, when I kissed the wood before I carried it. I had My eyes on having you with Me in Heaven, in being able to provide a blessed eternity for you and all My creatures. When I kissed the wood, I was looking at My Bride and My people living happily ever after, though they could in no way attain to that level of holiness on their own."*

*"I knew that the ONLY way I could accomplish getting you all into Heaven was through the tremendous suffering of the Cross. And so I kissed and welcomed it. I wasn't looking at the pain, the torture, the ridicule - I was looking at My triumphant Bride coming into Heaven. That's what kept Me going. Everything I suffered was worth that one end. It was truly My Love that nailed Me to the Cross. And it will be your love that will motivate you to keep going when you want to give up."*

*"This is why our trysting time is so key and central to our relationship. Love will triumph when discipline fails. Love will triumph when temptations assail you. Love will triumph when exhaustion would take you down. Do you understand? You are hated because of this. The devils hate the sweet and pure intimacy you have with Me. They hate you teaching that to others. Because the fear of Hell and punishment will keep a soul out of sin, but just barely. And those who avoid sin because of punishment eventually become lukewarm and are of little threat to the enemy and the kingdom of darkness."*

*"However, those who are in love with Me, whose hearts melt when they see My Face, hear a love song, and long to give Me more of their lives - those souls are the most threatening to the kingdom of darkness. That is another reason why so many attacks have been launched at you. Intimacy is the Key to the greatest works in My Kingdom. If you sat behind a desk and taught eschatology, you would be far less threatening."*

*"So, what you do out of obedience bears little resemblance to what you do out of inspired love. You are inspired by Me, but your body is a little past its prime (He said that rather tongue-in-cheek) so you wrestle with numerous problems getting going. We can resolve that, though, with substantial prayer. Both yours and the prayers of others."*

*"The way has been cleared for you, Clare, you have only to grasp it. Remember, the violent take Heaven by force."*

And I took a moment here just to look a little bit at that. It's Scripture about the violent taking Heaven by force. There was an exegesis of it, I just wrote down the high points.

The breaking in of the Kingdom which makes its way in spite of all resistance ...they press forward to join the ranks of My followers, they clutch at the approaching Kingdom as though they were seizing spoils, and make it their own. So eager and energetic, the "violent" are men of eager, impetuous zeal, who grasp the Kingdom - its peace, and pardon, and blessedness—with as much eagerness as men would snatch and carry off as their own the spoil of a conquered city.

He continued, *"I want you to press in, because you have beautiful work to do before I come or when I come... timing matters not. What matters is that you are busy about My business, My agenda, what matters to Me. And when you feel that you can't rise up and press in, I want you to recall our sweet times together. Rest in those for a few moments, and allow Me to renew your purpose."*

*"Love will go where fools fear to rush in. Love overcomes every obstacle, including fear. I see your fear about the portrait of Me...ignore it, do it anyway. Can anything bad come of it? Did I not promise I would make sure it would be finished?"*

*"Do you know what your real issues are, Clare? Behind that reluctance is fear of failure and (I hate to say it) but also sloth."*

Then He quoted a thought that runs through my head frequently, "Oh, there are so many good portraits of the Lord, He doesn't need mine."

The Lord continued, *"Wrong, wrong and wrong again. You may not be as accomplished as the artist you admire, but you have a heart that is genuine. I have revealed Myself to you in ways that others rarely get to see, and this will come through any work of art you undertake for Me. Besides, don't you want to spend hours under My loving gaze as you fill in My cheeks, My garment, My hair??? I know you do -see, even now you are smiling. Yes, I know you well, I know you do. So, don't be afraid to start and don't be lazy."*

Oh thank You, Lord, for calling the question and cheering me on. You give me such confidence to move forward. Now please give me the obedience.

*"Are you forgetting? All your young life you wanted to be an artist, but you could never draw or paint. The very month after you gave your life to Me, (at 33) I gave you the gift of manifesting your visions through drawing, then painting. Every project you have undertaken for Me, did I not see to it that it was done to perfection? Do you rely on your own gift, or on Mine to execute the vision I give you? There is nothing impossible to those who will follow the dreams I have put in their heart. There may be sacrifices involved, but the end result is so worth it."*

*"And I want you to sing and finish that song as well. No shortcuts, just do it. You can arrange your time so you are putting out messages and creating. That is, if you don't get curious on the Internet. I have given you excellent helpers, use them to the fullest."*

*"And now I address you, My Brides, My people. When you gave your life to Me, I began to water the seeds of hope that were built into your DNA at conception. I had a vision of you, I had a work for you, I had plans for you. Many of you are way, way off course from what I created you to do. Never mind that time is short, I am still for you and the visions I have watered in your hearts. And they will be fulfilled, if not on this Earth, certainly in Heaven."*

*"And how do I water the visions? You will feel a certain sweetness when you think of something you want to do. Your mind will go back to it frequently and there will be a certain sense of disappointment that you are not following your heart. Many of you have made choices to support your body's needs, but have left your heart and soul in the dust of this Earth. By that, I*

*mean, you've sacrificed what was precious for what was base. Yes, you have your house and car and trinkets, but inside you are unfulfilled.*

*"I would see you without your house and car and trinkets, and totally fulfilled, operating in the very gifts I gave you before you came to Earth. And there is a secret place inside of you that longs for it as well. I water this place every time your mind drifts there and you feel incomplete and compromised by striving for worldly securities.*

*"Though the world is rapidly approaching radical change, some of you will still be here after the Rapture, and you will out of necessity have to change your lifestyle. That would be a good time to embrace those creative dreams I have given you. It would lessen your grief about being here, as well. It could be the flute, drawing, carving, or creating something you can travel with and work on. It will give you recreation in those moments there is nothing else left to do but wait."*

Lord, I remember, I used to really enjoy spinning wool and weaving. And these projects were so very portable and lightweight. Something I really enjoyed.

He continued, *"Well, in your preparations for the future, do not leave out recreation. Though the times be dire, it will be a welcomed diversion.*

*"I am just watering seeds, My people. I'm encouraging the inner, hidden things you have suppressed to be given a chance; allow yourself to dream. Don't you know that in Heaven you will be given opportunities you never dreamt of to create? Yes, all of Heaven is a blank canvas, so to speak, for My children to express their love for Me. Heaven is a creative masterpiece where everyone gets to participate. And I find My joy in seeing the gifts I have imparted put to use. So, begin to dream and even take steps forward towards the hidden things of your hearts.*

*"When I come for you, you shall be translated into a world of wonder where every moment is an opportunity to live the fullness I intended for you. I have come to give you life and life more abundant. Follow your heart."*

## **Creativity Renders You Responsive To Me**

April 23, 2016

The Blessing of the childlike heart of Jesus be with us all Heartdwellers.

When I began my prayer time with the Lord, I had had to pull away from looking for art supplies. I was really having a good time with that, looking at colors - I like to work with pastels. But I realized, you know - I need to get into

prayer! This is going to go on and on, I'd better drop what I'm doing.

So, I did come into prayer and when He and I began to speak, I said, "Oh Lord, I am so excited to start your portrait..."

And He said to me, *"You are something else, you know? First I can't get you to do it. Then when you finally begin to apply yourself...off you go over the deep end searching for the right materials. Then I can hardly pry you away! What am I to do with you, Clare?"*

Love me like you always have, always do and always will!

*"Yes, that's exactly what I will do. I'm just so sorry you must be stuck in that body 'till I come for you. But you will find, you'll wish you had it when you want to touch those on Earth with your prayers or get them to follow My signs leading them to blessings. Oh yes, you'll see, when people miss Me, just how frustrating it can be. Then (and I know you well) you'll ask Me, 'Jesus, can I just have my body back for a few hours and go visit them?'"*

He continued, *"The secret of happiness is to be happy in any situation you are in. The way the enemy leads people to think that if they only have this, or only had that, then they would be happy. Then they get it and are not happy, and the enemy leads them on another wild goose chase... until some day they wake up and say, as Paul said,*

*"I have learned to be content in whatever circumstances I am in. I know how to get along with humble means, and I also know how to live in prosperity; in any and every circumstance I have learned the secret of being filled and going hungry, both of having abundance and suffering need. I can do all things through Him who strengthens me." Philippians 4:11-13*

*"When you learn to practice that, then you will have 'arrived' !"* He said tongue-in-cheek.

Jesus continued, *"Well, that's why I have asked My people to take up something little to do for recreation. It is not good to over-stimulate the mind, it leads to imbalance. When My mind was heavily weighed down with the condition of My people, I sought out children. Oh, how they restored My heart. Their purity and simple little minds were an absolute delight to Me, and they knew in their hearts who I was. The world had not destroyed their innocence. But in this day, innocence at any age is truly a rare thing.*

*"My People, because of the value that is placed on knowledge, most have lost their sense of wonder and joy with life. The things I give you to bring entertainment and joy are so often overlooked. It is a wonderful thing to be dedicated to Me with all your heart and mind and strength. But many miss the forest for the trees trying to be so intelligent and spiritually advanced. To know all the Scriptures and how to apply them. But to Me, the most advanced among you is the most childlike.*

*"When you come to Me, you must do a lot of unlearning, a lot of tossing out the ways of man. Spontaneity is a gift that has been suppressed in favor of sophistication. Oh, how man wears himself out putting on a front of knowing it all, when indeed he knows so little. It may impress the people around him, but it does not impress Me.*

*"Seeking to be applauded or accepted by men, for any reason, is a like exploring a cave. You lose track of where you came from. You become so lost as you travel down the narrow passageways of conformity you cannot discern the way back to your own heart. Can't you feel it? How does one get out of that?"*

*"The answer is so simple, 'I am the Light of the world; he who follows Me will not walk in the darkness, but will have the Light of life. And this light will be a delight to your soul and truly you shall discover who I made you to be.'"*

That's referenced by John 8:12, by the way.

*"Focus on Me and only on Me and your life in My presence becomes a delight that never ceases to restore you.*

*"This was why Paul was so happy. He had given his life to Me and external circumstances did not affect him, because he was deeply fulfilled in having found the true meaning of his life in Me and the work I gave him. Yes, if you follow Me you will not walk in darkness or confusion. Eventually I will lead you out into the full light of day. It is said that I write straight with crooked lines, and how true that is. I alone know the path you must take to holiness and fulfillment. When you yield your entire life to Me, with no other agenda than to please Me, I can then begin that process. Those who would lose their lives, they are the ones who will find them.*

*"I have brought this up because some of you scoff at the very concept of having something joyful and creative to do at times when your mind is overwhelmed. I did not create man to live such an intense life as you have today. With electronic media, pressures come up against you from all sides. The world's agendas that say time is money - and of course, money comes first - add yet another layer of confusion and alienation from whom I created men and women to be.*

*"Sometimes you need to get your mind off yourself and your problem for Me to answer you. Did you know, major questions get answered in the shower, on a walk, in a quiet moment on the beach? Yes, your mind becomes relaxed and I don't have to use a crowbar to pry the tension off your head so I can insert an idea. You are relaxed, fluid, easily entreated, easily inspired, flexible and receptive. That is why I must sometimes answer you in dreams.*

*"So, please don't scoff at Me when I admonish you to take up some form of creative recreation. I will speak to you in the process of creating. You will come to know just how much like the clay you truly are, and joyfully you'll be able to entrust yourself into My masterful hands as I form you into the perfect vessel to be used at the Kingdom's Table."*

"Truly I tell you, unless you change and become like little children, you will never enter the Kingdom of Heaven. Matthew 18:3

*"I bless you now, My dear Ones, and ask you to embrace the grace of a child's heart. I am imparting that to you as we speak."*

## What's Stopping the Rapture?

April 24, 2016

The Lord bless you Heartdwellers with a teachable spirit and open hearts. I, just like everyone else have been struggling with what looks like a word on timing that is difficult to reconcile with what I believe Jesus has told us.

The only exception that could qualify it is when the Lord last brought the subject up He said, "Minutes, minute by minute." Since then I've gotten numerous people

declaring I said this and I said that. One in particular said "She told us the day the Dome of the Rock was bombed would be the day of the Rapture." No, that's not what I said. You misunderstood. I said the day Miami was bombed. The Lord told me, "When you see the bombing of the Dome of the Rock, drop to your knees. That's the beginning of WW3." So that clarified, let's move on.

It has deeply troubled me that there is still no sign of the Lord's coming according to what He has told me. I had a very heavy burden for it all day today. So, when I came into prayer, I was aching inside and I felt the Lord was going to speak to me about this very topic. And He did! Here's what transpired.

Lord, what am I to tell them? I am responsible before You for every word and I am not feeling the urgency. There is again a lull in my sense of imminence of you coming for us. Please, what am I to tell them?

*"Tell them to stop praying for their relatives. Tell them to stop praying for their country. Tell them to stop praying for the world. Then I will come much sooner.*

*"Am I to ignore the believers that fast and pray and gather together praying for the nation? Am I to turn a deaf ear to My People when they humble themselves and turn to Me??"*

There He's quoting 2 Chronicles 7:14 "...if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land."

He continued, *"It's just that simple as that, Clare. If you are in such a hurry to be raptured, then stop praying."*

Lord the way I see it, forgive me if I'm wrong, there are three kinds of believers: The "weary-in-well-doing," the bridesmaids that fell asleep, but are still waiting for your return. Then, the "true lovers," who also are waiting and longing, but are doing all in their power to bring all mankind to You. Their lamps are still full. They are the ones who are holding back the Rapture, even though they look like the ones who can't wait anymore. And finally, those who have been born again, but are busy in the world and don't want to hear about Your coming. Is this your thinking or mine?

*"It is Mine. I have put these thoughts in your mind, so I could help you see where you stand before Me.*

*"The ones who are anxious and in a hurry for Me to come have not conquered their flesh yet. They are wavering, growing weary and even falling asleep. Their lamps are empty. They react badly when I am delayed, to the point of wanting to give up and fall in with the rest of the world. Not at all concerned about the lost, they do not see. Yes, they give lip service and pray, but they'd rather be raptured now than suffer any more for the sake of the millions who are yet unsaved. They do not see as I see, think as I think, nor feel as I feel. Many on our channel are this way, My Bride. My Brides, I love you, but you must see yourselves in My mirror if what is left of your life is truly an offering to Me.*

*"The ones who are in the forefront of ministry, working hard while the day yet dawns, they are My Lovers. They are the very ones who will be Raptured, even against their will on a certain level. They are so in love with Me and dedicated to My agenda that they pray for the nation and the world, EXPECTING Me to hear them and grant leniency and mercy. These are the ones I am eager to have with Me in Heaven. They are the Bridesmaids with lamps full of oil.*

*"Then there are what I call the worldly and truly backslidden Christians who do what is convenient. They support missions, give to ministries and lead the 'good' life, enjoying certain aspects of the world. They, too, pray - but when push comes to shove, they will bail out or snap to. They are not well acquainted with suffering, not on the same scale as the Lovers are.*

*"Now I will address the readings you got for your service."*

I had a communion service just before I came into prayer.

Before I share that with you dear ones, I want to tell you about the service James, the brother of Jesus, established around 50 AD. Many of the liturgical churches use this form in the present day. I love it because it gives readings from the Psalms, the Letters, the Old Testament, and the New. The form that it comes in is called a missal and I use the one for Sunday, because it has more readings. I use it for a Rhema. I have rarely gotten a service that was not a direct Rhema to my situation with all these different readings backing it up. So, lately I've been taking readings from this missal at random, according to Holy Spirit's choosing. So, now I will proceed with the Lord explaining them to us.

"The first reading. Lord, where do You want to start?"

*"In Peter: But do not forget this one thing, dear friends: With the Lord a day is like a thousand years, and a thousand years are like a day. 2 Peter 3:8*

*"Stop here," Jesus said, "Yes, in Heaven time is altogether different. But when I speak to you, I speak of Earth time because that is what you live and understand. I do not speak to you in the heavenly concept of time.*

*"Continue."*

The Lord is not slow in keeping his promise, as some understand slowness. Instead he is patient with you, not wanting anyone to perish, but everyone to come to repentance. 2Peter 3:9

Jesus began again, "You look at Me and pray, 'Lord have mercy on my family.' Am I a deaf idol or do I respond by granting mercy??

*"You pray the divine Mercy Chaplet; am I again as one who cannot hear???"*

*"You weep over the rejection your relatives give you when they mock you. Am I not weeping with you? Do your tears and agony not move My heart to pity them and give them more grace, more time and more mercy??"*

*"Those who continually say My mercy is at an end, are wrong. My mercy is everlasting from age to age."*

And then He quickened this Scripture to me: The steadfast love of the LORD never ceases; his mercies never come to an end; they are new every morning; great is your faithfulness. Lamentations 3:23

*"My people, you must take into consideration that My heart is pure gold, pure love, pure good. I abhor judgment. I hate having to mete out judgment. You have no way to reckon the pain I suffer at judgment. The murder of innocent children, pregnant women, young children... you have no idea what it costs me to mete out judgment.*

*"So, it shouldn't surprise you that I am anxious to answer prayers for mercy. Have I not been telling you to pray? Have you not been praying for the unsaved and your families?"*

*"So, I ask you to pray, you pray and I ignore you???" Is that the kind of God you suppose I am?"*

*"What did Jonah do when the people were not slain in My anger? Are you not just like him? You prophesied judgment and I relented because they repented...now you want to lay down and die? Are you not all just like Jonah??"*

*"I chide you, My Bride. I am not condemning you, I am drawing your attention to what is lacking before the saints in Heaven. They see this lack and they pray for mercy for you.*

*"And by the way, this knee-jerk reaction you have to anyone in Heaven praying for you comes from the enemy...it is pure nonsense. Literally. Shall not those in union with Me weep when I weep, rejoice when I rejoice, pray when I pray???" You ask your friends to pray for you, but the cloud watching your every move...they can't? As I said - this is senseless.*

*"Just because one church abused this understanding, does that make it invalid? They abused baptism and marriage as well, charging money for it. So, do you abandon baptism and marriage too? I do not wish to go any deeper with this. Seek Me and I will show you the truth. In the meantime, those in Heaven and Earth and all creation are groaning on your behalf.*

He quickened this Scripture to me from Romans 8: For we know that the whole creation groans and suffers the pains of childbirth together until now. And not only this, but also we ourselves,

having the first fruits of the Spirit, even we ourselves groan within ourselves, waiting eagerly for our adoption as sons, the redemption of our body....Romans 8:22-23

Jesus continued, *"Yes, creation groans, just as you groan. Weary of the corruption of this world.*

*"Now, you ask Me when, and I cannot tell you that until the Father reveals it to Me. I have chosen to stand behind the Scriptures. I can tell you other things that will happen on that day, but I cannot name the day. It is being kept from Me. I did tell you that a date had been set, but then I was given more time to gather and I told you time was being extended in very tiny increments. Then I clarified that and said the tiny increments were minute-to-minute. So, time is being extended minute-to-minute.*

*"Do you know what I'd do...if I were living on Earth? I would say, 'Do you know what I do first thing in the morning? I thank the Father for yet another minute to redeem souls. One more minute. I thank Him and I set My sights on those who are beginning to respond. That's what I do.'*

*"So, how do I feel about those who are eager for the Rapture? I am happy they are eager to see Me and be relieved of their suffering, which is only natural. But I am sad to see such selfishness that would have Me leave so many behind to suffer even more - and for eternity.*

*"And those who are about My business, pressing in? They make Me cry for joy. Why, you say? Because their hearts are one with Mine, and they comfort Me with their love for their brother.*

*"Which brings me to this: they are the Early Church at Philadelphia. Yes, they are the ones I have promised redemption and deliverance from the evil days that are to befall this Earth. My people, either you are for Me or against Me. Either you are listening and responding to My pain and ignoring yours, or you are complaining of the very things that will bring you the most merit and glory in Heaven. And joy to Me.*

*"My children, I hear every voice - do you understand?? I hear the voice of the unborn child in the womb. I hear the voice of the aged afflicted with Alzheimer's. Yes. They, too, have a voice. And I hear every voice in between. How, then, do I justify crushing the needy in their anguish? Shall I not long for Mercy from My Father for these? I say these things just to acquaint you with My dilemma, not to condemn you. I want your hearts to correspond with Mine.*

*"Do you know this world should have been thrown into confusion, chaos and war a long time ago?? Yes, a LONG time ago. Do you know many of you weren't as yet saved? Oh, shudder where you stand, you were Hell bound. And now am I to abandon those just like you to the Abyss??*

*"I will not. And I want you on MY side, on My Father's side. Yes, listen up My people, GET MY HEART for the lost and stop tempting your God with judgment on these. Prove to Me that you are My true spouse, that all that matters to you is what matters to Me. Do you know all of Heaven is united to Me in desire and prayer? Well, it is.*

*"So, this is what I am doing. For all of you. And this even benefits the lukewarm, and gives them a little time to wake up. I am giving you joyous things to do for Me. Things you were born to do,*

*I am giving you. I am bringing out your talents so that you won't grow bored and weary but will press in and blossom. You may very well get picked from this earthly garden before you blossom. Such is the nature of timing. However, you will be in the process of blossoming. You will not be sitting beside the road steeped in self-pity and bemoaning your sufferings here. No, you will be rising up to take the Kingdom by storm, with the particular attributes I have endowed you with.*

*"Yes! You will be productive, IF you obey Me. I want you to forget earthly time, because I still do not know the day or the hour and I don't want to look down on a dour bride bemoaning My delay. It is not in My hands. Do you understand? It is in the Father's hands, and in the meantime, I must appease My Bride and get her to focus on the good yet to be done. So you see (I hope you see) I am bending over backwards to bring joy to your lives in these circumstances. Yes, I am pouring it on. Ask and you shall receive. Some of you still have not pressed in far enough to know what it is you can or should be doing. Until that is revealed to you, do whatever your hand finds to do to bring Me to others.*

*"I will lead you by necessity. I will bring needs to your attention. Be sensitive and respond. You do not know how I will write straight with crooked lines. Just be obedient and do whatever your hand finds to do to make me real to others. By your obedience, I will lead you.*

*"Alright, now we come to the crux of the situation. And for this I want you to listen very carefully.*

And He quoted 2Peter 3:10 "But the day of the Lord will come like a thief."

*"Now. Have you ever been robbed? Were you expecting it??"*

*"Right. You were not, it was a surprise. This is just a microscopic scenario of what will happen.*

*"Suzanne is busy at the nursing home. She works there, but also volunteers. She has just organized a musical presentation about Heaven for the senior citizens and is in the middle of getting props together with other volunteers. All of a sudden, she hears the sound of the trumpet and the Earth begins to shake. Immediately, she knows what it is, and she looks up at me and says, "Now? I was just....." but before the word of complaint can escape her mouth, she is taken up into My waiting arms.*

*"Across town, Alex has just begun a bible study in the park. This is his third week. He hesitated to do this for so long, but because He heard that I wanted him to press in, he went forward with it. So, here he is with a group of homeless men who are really beginning to enjoy the simple teachings and gracious meals he's been bringing to them. They are seeing the gospel in action. All of a sudden, they hear a roar in the skies and hear trumpets blazing!! Alex looks up at Me and says, "But Lord, I'm just beginning!"*

*"Two towns away, Lisa has just been abandoned by her husband because of her faith. She has three little ones to take care of on her own now. She's being put up by some friends from the church and at long last polishing up some songs she wrote and learning how to play them and sing. This coming Sunday will be her debut - she's been invited to sing one of her songs to Me, in church. A deafening roar penetrates the house. The children who were napping are all waking up. 'Mom, what's happening?' She puts her guitar down, runs to the window and there I am*

*'Now, Lord? I just mastered this song....' she begins. But before she could finish, she's taken up with Me and her children.*

*"Ethel is organizing a bazaar to help with the medical expenses of a child with cancer. The church is packed with donations and she's just organizing and labeling them with her two volunteers. All of a sudden, she hears the roar and trumpets blazing as well. Her mouth drops open as she's taken up to meet Me in the clouds.*

*"Now, for all of you naysayers. Don't write in to this channel, talking about how Miami has to happen first. I've established that. I'm speaking to you here about principles, not details."*

Then the Lord quoted another Scripture, Luke 12:40. "The Son of Man is coming at an hour you do not expect"

He continued, *"Do you all get the point? Have I made Myself clear? Whatever you see before you that needs to be done, do it! For Love of Me and your brother and you will be joyously surprised in the midst of it. You won't be expecting Me. Just as the Scripture says, you will be taken by surprise!*

*"Why do you suppose I put it that way?"*

And then He brought to mind: "...make every effort to be found spotless, blameless and at peace with him. Bear in mind that our Lord's patience means salvation, just as our dear brother Paul also wrote you with the wisdom that God gave him. 2 Peter 1:5

*"And for My final word to you, I knew this was going to happen. I knew it, I wrote it, and it's been passed onto you."*

*"The bridegroom was delayed a long time, they all became drowsy and fell asleep." Matt 25:5*

*"He was delayed a long time because He was on a search and rescue mission and just when He thought the last one was found, more started coming up out of the crevices of the mountain, running towards Him. What was He to do? Keep on going or stop and pick up the tender lambs in His arms, and bring them home.*

*"You see, the world does not revolve around you. It revolves around the ones who still have not been found. I am not in the position to call the question. The Father IS. And when He sees fit, I will get the call to come get you. Until then I am busy about My Father's business, and I am asking you to be as well, My Bride.*

*"Eternity is assured to you, but for many there is no hope. Remember, the Shepherd left the 99 and went after the one, and you must do likewise. As you are lifting this precious one in your arms, the trumpet will sound, and you, too, will look up into the skies and ask, 'Now Lord? but..'*

*"Know for a certainty, that every time I am teaching you, I am imparting the graces to move on that teaching. To correspond and set your hand to the plow. Even now, I am showering you with the graces to turn your hearts around and wrap them around Mine. I love you, My Bride. We are*

*going to do this together. And on that day you will look at Me and declare, 'Lord, I'm so happy you delayed your coming. Look at these I have brought you for a wedding present.'"*

## **Our Nation's Future Update**

April 25, 2016

The Mercy of the Lord is everlasting. May it overtake us and give us courage.

Oh, my dear Heartdwellers, I feel so badly about my shortcomings. I had a good time of repentance this morning. But now I am working to accept His forgiveness into my heart. I do want to make mention of an error I made in recording. The Lord had basically told me - and this was in the recording "The Order of Events", with the

comet and so on. The Lord had basically told me the Treaty would not be made while we were still here, but after the Rapture, after we had been taken. Well, I did not make that clear in the video about the order of events. So, I'm afraid I made a big boo-boo, 'cause I stated that "the treaty would not take place" - something like that. But what I meant to say was, it wouldn't take place while we were HERE, on the Earth.

So, I am asking a favor of all of you. Please if you see anything that contradicts Scripture, please, please, tell me? It was most likely a failure on my part to communicate what the Lord was saying. And, I want to make something clear here. He doesn't appear to me in 3 dimensional reality. It's a very misty presence at best. Sometimes He makes Himself VERY clear, but that kind of makes me melt, so He doesn't do that too often. But I do see Him as through a veil, darkly - so to speak. I do see Him and I do hear Him, and the situation basically is that I hear Him in a way of understanding, in the way of thoughts that are transferred to my mind. And He leaves it up to me to put it into words.

I knew well the treaty wouldn't come until after the Rapture, but for some reason, (probably He allowed it because of my pride) I failed to communicate that. For one the video was done in a time when I was extremely tired.

So, in order to avoid confusion on the channel, please share it with me when you perceive a contradiction with Scripture. I am afraid I have scandalized many people who have listened to that message and some I may never get a chance to clarify it to. We don't want the Lord's teachings to be discounted because of an oversight.

That said, I'll go on with our little dialogue with the Lord this morning.

*"Jesus, I feel so badly, I have let you down. Forgive me, Lord, and help me to do better."*

*"All is forgiven, just keep your heart open to the needs of others, Clare."*

He hugged me and lifted my chin. *"I am right here, My Clare."*

Oh, I feel so wretched.

*"What? Your humanity surprises you?"*

"No, I know how human I am to the degree You've allowed me to see, that is. Oh Jesus, I am so sorry for my mistakes."

*"Think no more about it, they have been swallowed up in My Sea of Mercy. Now, go about doing good. And especially, work on the portrait. I am with you in this, as you will see Beloved, as you will see. Yes, you will indeed see."*

I'm excited about that!

"In the meantime, my heart aches with these new developments, the things that you shared yesterday. How do I explain them?"

Here I am referring to the emergence of Donald Trump. A leader who could change America, if he were given more time. If our nation were given more time.

"So, how do I explain this Lord?"

'Cause it seemed to me that it was a contradiction to the Rapture. Like, maybe the Rapture would be delayed for four more years or something. Giving America a chance. It was very painful for me, trying to sort it all out. I couldn't wait to get into prayer and get some clarification.

So, here's what He said.

I asked Him, "How do I explain this, Lord?"

He answered me, *"I have already done that for you. You may simply confess that because of your pride, I do not give you all the answers but pieces of the puzzle, then other pieces come together and make the picture complete. But I want you to understand, what I give you is especially pertinent to those who frequent this channel."*

*"I am working with them in a special way. Yes, a very special way, and what I give you is for them to grow in holiness, purity, honor and dedication to Me. Unwavering dedication. There are many very talented souls looking in on this channel and I am coaxing them to serve Me with their gift, while there is yet a little time."*

*"Just like your husband, Satan has made concerted efforts to cause guilt over the very attributes I wish to cultivate in them."*

Yes, I can't even begin to tell you how much the devils pummel him with guilt for sitting quietly and spending time with the Lord, or for his music. They just assassinate him! And he hears their voices very clearly. So, there's constantly a battle going on, every time he picks up something holy to do.

*"For many years when your age group and those over 50 were growing up, the climate was post world war two, there was focus on responsibility for rebuilding society and scorn and contempt*

*for creativity. They were taught that housework, dishes, cooking, laundry and all these other basic things came first.*

*"No, prayer comes first, then your anointing, then the housework. Of course, when you are raising children, your anointing is as a mother, but still, your gifts are not to be suppressed. I gave them so you could serve Me in unique ways, ways that would bring joy. Not only to you, but to others.*

*"Do you know how many people equate prayer with recreation? In other words, prayer comes last after all your chores are done, if you're lucky and have time left over. Oh no, no, no. Prayer comes first, above and beyond all activities. In other words, it should occupy the prime part of your day, whether that be evenings or mornings. Mornings are much better, before your head is filled with the busyness of the world, which makes concentration and reception tuning into Me much, much more difficult.*

*"So, for those who have families, going to bed shortly after your children affords you the opportunity to get 2 hours of prayer in the morning, before they awake. Then you are anointed for your homeschooling, or other things pertaining to their growth.*

*"What I want to discuss is the guilt you are infected with every time you put spiritual priorities at the top of the list. Immediately, you are assailed with demons of condemnation, 'You shouldn't be praying, you haven't done the weeks shopping yet.' 'You shouldn't be playing music, your floors are dirty.' 'You shouldn't be writing, the laundry is not caught up.'*

*"Do you understand? The devils do all they can using every dirty tactic, to get you to put prayer last when you have no strength left, no time left and no incentive left because of exhaustion. You must fight this lie by refusing to buy into it. Rebuke it in My Name and carry on with what is yours to do. Not only will you find your purpose in life, but you will be able to establish healthy work habits for your children. Always pray first, this brings all My blessings and anointing for the day's work. And it aligns you with My agenda.*

*"What you are looking at here is very, very threatening to the enemy. A creative, satisfied and responsible person is very dangerous to the kingdom of darkness. You carry seeds of inspiration that can bring others hope, joy and enthusiasm for life and most of all into relationship with Me. When you find your gift and turn it into a way of life, like Joseph did in the carpentry shop, you enjoy your work, you teach others to reach higher, but most of all when you are where I want you to be, doing what you are to do. You are highly anointed and fulfilled. Satan would see you frustrated, empty, a literal walking dead man, dead to all your hopes and dreams and gifts. That is why musicians and artists of every kind, as well as ministers are so persecuted and denounced for their choices in life.*

*"Well, My main issue here is NEVER allow yourself to be intimidated or convinced that prayer is a luxury! Don't fall for that lie. Prayer is your most important necessity every day. Though the world will not understand, if you want to come into the fullness of anointing for your life, make this the top priority and break out of the mold society calls being 'responsible.'*

*"Now, I know that some of you were upset with yesterday's message. Some of you do not grasp what I laid out before you. Did I say the Rapture was far off? No. Did I infer it? Yes. But I am here*

*to clarify that. It is still slated for the near future. My Brides, I wanted you to get your priorities straight. I wanted you to meld into My Heart and seek My will above all else. I wanted you to know that if you love Me, your agenda should be identical with Mine, and Mine is to save as many as possible before events befall the Earth.*

*"I have hearkened to your prayers, My Bride. A month ago I asked you to press in with repentance and prayer for the nation. Not only this channel, but all through My Body, I planted the word where it would be accepted and acted on. And you all were obedient to apply yourselves to prayer, and as a result, certain things have been mitigated, toned down, cancelled or lessened. That includes your leadership, which is key to your future.*

*"There is another chance being given to America but that does not negate the Rapture and what must yet be fulfilled on the Earth. It lessens it, it does not negate it.*

*"When the young man Nathan was taken to Heaven, he was told,"*

Rabbi: "In what period do we find ourselves now?"

Natan: "A very bad period, that is to say, the Geula (redemption) is very close."

Rabbi: "What is going to happen in this Geula?"

Natan: "It will happen. Some really bad things. But from what I understand, that does not concern everyone."

Someone from the audience said: "Is it clear that it is for now? "

Nathan answered, "It is clear that this will happen in the coming months."

(That was back in September, I think.)

Rabbi, "Is it possible that this does not happen?"

Natan: "If everyone does teshuvah, (repentance) so this does not happen."

Right after that I said, "Lord, please continue speaking to me."

Jesus began, *"Those who repent will be saved and kept from the wrath, those who do not ..."* He became silent and choked up.

*"There has been a lot of repentance in America in the past month, a lot. Still, what is written must take place. Yet, the repentance has caused many events to be delayed. There must be a continuance of repentance, it must go deeper and deeper. Many are not aware of how they have offended My Father, but this will come with the events."*

Lord, what about Donald Trump?

*"He is a good man for the job. We will see. I cannot say anything more about this time, everything has not as yet been decided. But he is My Father's choice for America. Yet the church has much left to do, very much."*

And here I just want to take a minute and say I guess the other candidate's a minister's son or whatever... For some reason, just like the Lord chose Nebuchadnezzar to be king, He's choosing this man (Trump) for America. That's His choice. And it is the result of a lot of prayer and a lot of repentance. I don't suppose he's a Christian, but he stands for the closest thing to moral values that we could get out of any of those candidates as far as I can tell. And he's ready to stand up to the New World Order and to the Elite and just march right through them. And God is with him, I believe that. I really, really believe that.

So then the Lord continued. He said, *"Yet America and the church has much left to do. Very much. Much more repentance on a wider scale. This will happen after certain events. There is much hope, Clare, much hope. Those who have hearkened to My plea for prayer and repentance have turned the fate of this country around. That does not mean it will be easy. There will be much death and many disasters. These still will occur, but because of the faithfulness of the few who were repentant and repenting for this nation, the effects of these devastations will be far less."*

*"You know Me. You know I only apply as much pressure as is needed to get the job done. I hate death. I hate sorrow and loss. I hate suffering, especially the suffering of the innocent. Much of the future events have been cast as a result of immorality and corruption even of My people, so certain things must happen. Yet I will show mercy and much tragedy will be averted. The more My People repent, the more tragedy will be averted."*

*"As has been said, the true heart of this people is not reflected by the leadership - which is underhanded, evil and controlling, only for the benefit of few. Because of this true heart (of the people), because of her giving, from the will of the people, because of that the worst chastisements shall be lessened, and even in some cases, averted."*

*"So now, I ask My People to continue to pray and repent. Engage in those things you know are from Me. Serve Me with all your hearts and strength and hearts and mind. The fruits of that service, even in the little time that remains, will be mighty. You do not see as I see. I see the future. I see how these gifts that have manifested throughout the world will bring much conversion and illumination to those who might have otherwise been lost."*

*"If I have given you the gift of prophecy, prophecy. If I have given you the gift of writing, evangelism, teaching, ministering to the poor - rise up and use your gift, use it until the very last moment of your time here on Earth."*

*"Things like books, teachings, art, music and good works; they will bear tremendous fruit in the appointed time of the Harvest. It is coming. Yes, the Harvest is coming, but it shall be preceded by sorrows."*

*"Do not grow weary in well doing, My People. I know the time is dark and it indeed seems like there is no end to the waiting. But make the most of every minute. Serve, create, admonish, witness, do good wherever you go, and do it in My Name. Oh, how I love My courageous Bride. She is beautiful beyond measure and I long to bring her home and reward her. But first she must*

*make her presence known through various trials. Then all men will see Me and no longer have any excuse for sin. They will see the goodness of My People, and through that I will be revealed to them and there will no longer be any excuse for sin.*

*"Rise up My Bride, rise up into your calling. Stand fast and see the glory of the Lord.*

*"I am still coming."*

## **The Power You Possess & Strength For the Journey**

April 27, 2016

The joy of the Lord is our strength, precious Heartdwellers.

This morning during my communion service, Holy Spirit rose up in me to pray for certain individuals who are going through serious trials right now. I felt the Lord's concern for them as well. I had recently learned that prayers from the previous two days had had an immense impact on the oppression certain people were in. That was very encouraging for me. After the service, I felt prompted to

come and write, and this is what Jesus said to me.

*"I will indeed answer these prayers for others. You see, your prayers are powerful. This is what has been lacking, seeing the evidence and result of your prayers. When you don't see change in things that are out of your sphere of influence...you don't realize what massive affects your prayers really have on situations. This is your problem with prayer. You don't recognize the power that's released. If you did, I couldn't keep you out of prayer, My little OCD Bride!*

*"How important that is! How important even the littlest prayer is, but how much more important is prayer that contends with darkness for the victory. From now on, I want you to continue this routine that is building you up into who you are in Me. A communion service is so very important. Worship beforehand is good. You will feel when it is time to have the service and many times I will come to you and give the message afterwards."*

And just as an aside here, I have always been more free-form in my worship, liturgy didn't come easy to me - proscribed prayers or order in prayer, that kind of thing. Even though...even dwelling prayer has order to it. But I just tend to be more "go with the Spirit and flow" than actually follow any kind of format. But this has been - I could feel it - this has been building strength in me the last few days that I've been doing it.

And right after communion is when I most often see and hear the Lord, outside of worship, when I receive Him and He strengthens me body and soul, as it is written: I am the living bread that came down from heaven. Whoever eats this bread will live forever. This bread is my flesh, which I will give for the life of the world." John 6:51

As an aside... at the risk of being called a Catholic again, (which I am not, listen to my conversion and you'll hear that) I want to tell you that the prayers from the Sunday Missal, the St. Joseph version are so beautifully balanced and Holy Spirit never fails to use them to instruct me. I

mean, it's just amazing. It's like, He's reading my mail. And it presents so many solutions to problems that I deal with.

Anyway, I remember when the Lord was asking us to spend time in different denominations to see what He was doing in each. And we visited and stayed in the Catholic Church for a few years. Now, the very first time I walked into a Catholic church with the serious intention of seeing what God was doing, I was really put off by the brown wooden interior and stiff pews and kneelers.

Remember, I came from a Pentecostal Evangelical, non-denominational background of seven years and that's where I was saved. Anyway, I was SO put off. But I made the commitment to stay and listen. I was absolutely shocked when I heard Scripture being read all throughout the service. I mean, a whole herd of flies could have gone right into my mouth, my mouth was just dropped open. It's like, every time I turn around, they were reading the Scriptures again! Little Scriptures here, little Scriptures there. Longer Scriptures. And I was saying to myself, "I don't get it, I thought Catholics didn't use Scripture???" I thought they were all idol worshippers. Why are they using Scripture??" Everything was from Scripture, even the songs. And the people were not chitter-chattering and visiting before the service, they were kneeling and praying. The whole environment was very reverent and I just slid into it as a welcome break from noisy worship. (Which, of course, I love.) But it was different. I was asking the Lord, are you here? I heard Him distinctly, "I'm here." And that's all He said.

So, when we left the Catholic church, I took the missal with me because it is so rich and well-rounded with readings from the Old Testament, Letters, Gospels, Psalms. And all woven together presenting a topic like the Bible Promises we use for Rhemas. So, my communion service is ordered just like the missal, but with spontaneous prayer and Scripture readings. Which, by the way, is ordered after the original prayer service, I've found out. Written by James the brother of Jesus when he was in Jerusalem and an elder of the early church. They call this service a Mass, and you can see it depicted on the walls of the catacombs where the early Christians met to worship God.

Anyway, I highly recommend the Sunday Missal because it has so many readings the weekly missal doesn't have and can be used for Rhemas as well.

So, as the Lord was saying, *"A communion service is so very important. Worship before hand is good. You will feel when it is time to have the service and many times I will come to you and give the message afterwards. This is very strengthening. Your prayers for everyone during the communion service are powerful. (I have felt Holy Spirit rise up in me during the time for prayers in the service.)"*

*"Oh Clare, I see your heart, I hear your cries. Do you not know how powerful they are in moving My Heart?"*

*"My mother came to Me in this way. I would read her heart and feel her intentions and I could not resist responding to her aching heart. And you also, My Brides, because all of you have suffered for Me and are willing to suffer for Me, I have compassion on you and your families. Your tears move My Heart, My loved ones. Your tears speak volumes and volumes of love to Me. I cannot resist a loving and pure heart. That is why the war did not begin until Faustina died. I had to move her out of the way."*

By the way, Faustina was a nun in Poland who interceded against the second World War. She's the one who the Lord gave the Divine Mercy chaplet to that we pray.

The Lord continued. He's talking about how Faustina's confession held back World War II. And in the next line He says, *"And yes, I must move My Bride out of the way before the very worst happens. She is praying, shedding tears, fasting, seeking Me, repenting for this world's sins. How can I ignore her pleas? I can't. Simply, I just can't. So, I continue to answer her with change as she cries out. You know this truth. You know also that there will be a time when the Father says, 'Enough!!' and I will remove you. Just as I removed Faustina. But before that time your prayers are changing things around you. They are working. Do you understand?"*

I felt prompted to look up "work" in the dictionary: "Work: activity involving mental or physical effort done in order to achieve a purpose or result."

Jesus continued, *"So few understand that prayer is WORK. It is hard labor, a labor of love, and of all the things man can put his energy into the most powerful is not building freeways, hospitals, skyscrapers, and bombs - it is prayer. And prayer is the intention of the heart pleading with Me, petitioning Me, pressing into Me with a contrite heart. But prayer does not have to be formal. The crying out of the heart speaks volumes to Me and I cannot ignore it.*

*"So, what I am saying to all of you: prayer WORKS. It can even be hard labor. It takes just as much effort to pray effectively as it does to physically lift hundreds of pounds and build a house. Yet the world does not acknowledge prayer as work. For this reason, all of you are assailed by guilt. And who do you suppose is the author of that?"*

*"If you want to know how effective your prayers are, short of seeing the results, look at the efforts that are put into stopping you, depriving you of your prayer time, interrupting it. Look and measure the resistance. Then you will see assignments against you of hunger, sleepiness, feelings of guilt for not getting caught up on the laundry, such as, 'Here you are enjoying yourself in prayer while your housework is unfinished!' You will see people come to your door, phone calls out of nowhere. Anything to take you out of prayer. And for you poor OCD Brides, I must seriously help you if you get up to do anything, because I may not enjoy your presence in prayer again until tomorrow. Once you get up, you are easily distracted by your to-do list and loose ends around the house.*

*"This is one reason why prayer at 4:00 or 5:00 in the morning is better for you. You can't do housework then, really. All that time is well suited for is prayer. Whereas if you wait until after all the work is done, you may feel the liberty of saying, 'Whew, now I can relax.' But watch how your mind spins like a roulette wheel and lands on some unfinished chore and you feel the demand to get up and do it first, before you get deeply into prayer. And your mind does not want to cooperate and focus on Me. It tends to continue to spin."*

You know, I've noticed that. It takes me about a half an hour for me to stop spinning when I pray after my work.

Jesus continues, *"Oh My Children, the tactics of the enemy are endless. And for those who are well-disposed to take care of their households, the enemy uses that against you to pry you away from Me. You may even have a..."*

lol...I saw the cat and almost said, "You may even have a 'mouse' rise up." Ohh..thanks Gracie...!

*"You may even have a spouse rise up and say, 'You haven't done this, you haven't done that and now you're just sitting there?' Then you are forced to live with that scrutiny over your shoulder."*

Here, as an aside, I would like to add that in situations such as this, I recommend you get out of the house, even if it's cold. Take a sleeping bag and go sit somewhere with your coffee and pray. Take your Bible and pray. The cold is less oppressive than the energy of the spouse who doesn't understand or is intimidated and jealous by your spirituality. It really makes a difference. And I used to do that in the early days. I'd go sit on a pier, in the Fall of the year, mind you. Bundled up in a sleeping bag. And I'd sit there and pray for two hours. Moving on...

*Jesus continued. "I am stressing this to you all because some of you don't know how to pray, when to pray or how to keep your right to prayer in the midst of oppression. You have all been taught about dwelling prayer, which is so very important to cultivate your relationship with Me. After all, how can a Bride be a Bride without time with her future husband? And now I am adding to it the simple devotion to the Scriptures and communion."*

As an aside here, those of you that haven't seen our short form of communion, there is a whole video on it as well. It's on the Tethered album which you can download for free or buy from Amazon for just the cost of shipping.

*Jesus continued, "So, I am coming to you all to establish you in solid habits that will strengthen you and bring forth sweet fruit. Copious sweet fruit."*

*"I bless you now with perseverance and steadfast faith, that your love for Me will triumph over all earthly and spiritual forces arrayed against you. I will bless your obedience and you will grow in stature to resemble Me."*

And then He quickened the Scripture to me:

Christ himself gave the apostles, the prophets, the evangelists, the pastors and teachers, to equip his people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ. Amen. Ephesians 4:13

The Lord bless you, Heartdwellers.

## **Freedom Without License**

April 28, 2016

May the Lord grant us great wisdom and self-control, dear Heartdwellers.

Today, I got really excited about beginning the painting He's asked me to do, and I'm studying some techniques before I get started. But I needed pastels and I know I went a little overboard on them, I could feel it in my

conscience. And for the last two days, I've been feeling convicted about having spent too much on pastels and paper. My flesh likes to jump in head-over-heels and be prepared for anything, and always have the best materials available. This attitude has led me in to avarice before.

My spirit would like to honor the Lord by using the absolute minimum to do a good job. But this attitude can lead to pride.

So, someplace in between - to have enough to cover possibilities, but not an obvious excess would be just perfect. Anyway, I also justified this by saying to myself, 'Well, I'll do a painting of the Father and Holy Spirit too.' And I haven't gotten permission from the Lord to do that, so I certainly don't want to go off the deep end.

Anyway... This is a funny little story. If you've heard it before, please just bare with me. One day, second graders were drawing and the teacher went around the room looking at each student's work. She stopped at one little boy who was clenching his jaw with his tongue sticking out and very engaged in his drawing. The teacher asked him, "Brian, what are you drawing?" The little boy answered, "God." She replied to him, "But honey, nobody knows what God looks like." He retorted, "They will when I'm done with this picture!"

Well, here I am Lord, unable to escape standing before Your mirror. Did you have something to say?

*"I always have something to say, My dear one. Like, 'Don't get too carried away and distracted on your new project...' The devils would love to take you WAY off track, but I want to keep you safe."*

Am I way off track? Never mind, I know. I'm way off track. Well, I'm off track anyway...

*"Liberties, liberties. You are a great deal like your father, Clare."*

Now, just to give you a little background on my father. I never knew him, they got divorced when I was very young, when I was just a baby, just been born. My father was a designer and a very extravagant man. Some of his work is hanging in the Art Institute of Chicago. When he proposed to my mother, he rented an extravagant coach to take her to NYC, where he wined and dined her and took her to the theatre and ballet. So, when He said that, I knew where He was coming from.

I answered Jesus, "Reel me in, Lord."

*"I'm trying to, My whole-hog Bride."*

Ewwuuuu...don't think I like that title.

*"If the shoe fits, wear it."* He said...

Lord, what is on Your heart for the channel this morning?

*"Freedom without license."*

I had to look up the word license just to be sure. It says. License: freedom to behave as one wishes, especially in a way that results in excessive or unacceptable behavior.

Ouch.

Lord, I stand guilty as charged. I think I overdid...Nah, I know I overdid it. I can feel it in my conscience.

*"There is a reason I give you a conscience, you know. It protects you from the enemy. Sometimes you think that restraint is painful, but actually pain from no restraint is much more painful, when it catches up to you. Better to be careful at the onset and not allow yourself to go overboard.*

*"For now, I forgive you. But today is a new day and I want you to prove to Me you have learned your lesson. Show restraint, My dear one. Show restraint. That is, show more restraint.*

*"To all of you, My Brides, I do not limit you and keep you inside boundaries for no reason at all. I know the road ahead of you and how your excesses will be brought to bear against your souls. I know how Satan will turn what was good into something bad, in fact very bad and misleading. That's why I warn you in your conscience to stop. Because if you don't, the enemy will use you against yourself to bring you down.*

*"The journey of this life can be forty years wandering in circles in the desert, or safe passage in only a day.*

*"When I am working with you about excessive or obsessive behavior, I am wanting to deliver you into the Land of Milk and Honey overnight, without the painful wilderness track of 40 years. Listening very carefully can spare you much sorrow later. When you feel something is wrong, something probably IS wrong. And that's the time to pay heed and stop.*

*"Remember, I am not depriving you - I am protecting you. You cannot see what your actions will result in now, but I can. Things like credit card debt you can never get caught up on, making you work weekends and weakening your body through stress and burnout. Things like projects started and never finished because it wasn't My will in the first place. Then you look at those boxes in the garage knowing you haven't even paid them off yet and you feel guilty. The enemy sees that as an occasion to bring you down, so he comes in to pound on you and make you feel guilty, loading you with condemnation. When in fact, you confessed that sin and I already forgave you.*

*"Things like a car that's way beyond your budget, that you have to sacrifice on daily necessities in order to pay on every month. Spending excessive time on a garden and lifting something beyond your strength, resulting in a back injury.*

*"My yoke is easy. My burden is light. But getting you into that yoke, Whew! That's a real challenge, for even Me!*

*"You see, holiness is hard work. It entails much self-denial and refocusing on the needs of others. When you come to serve the Lord, prepare yourself for trials. Yes, many in this world believe it is their right to indulge themselves. After all, they worked for it. But all this indulgence leads to*

*blind alleys, wrong turns and bondage. And some of this indulgence is spurred on by the enemy, knowing your weakness. And knowing that you won't check with Me. He pushes you into things that feed your fancy and meets some need that you're not aware of.*

*"I would have you free, fluid, mobile and peaceful. Many irons in the fire, many projects, many materials leads to stress, which leads to tension in the home with your spouse and children. Which leads to poor health.*

*"Whereas sufficient resource or just a bit under, keeps your life uncluttered and simple."*

Better is a little with the fear of the LORD, than great treasure and turmoil with it. Proverbs 15:16

Whoever loves money never has enough; whoever loves wealth is never satisfied with their income. This, too, is meaningless. Ecclesiastes 5:10

The sleep of a laborer is sweet, whether they eat little or much, but as for the rich, their abundance permits them no sleep. Ecclesiastes 5:12

Wow, can I attest to that! When my mom passed on and left us an inheritance, we were sorely lacking in equipment to be able to work with music. I can't tell you how many sleepless nights I had, going onto the Internet and researching equipment, trying to figure out what was the best investment for what the Lord wanted us to do. So, it's a trap! It's a real, real trap.

The Lord continued here, *"Do you see how destructive excess can be? It is a disease, a disease of insecurity. The more you place your worth and stability in the goods of this world, the more fragile and vulnerable you become."*

And as an aside here, there've been several times when I went overboard and the Lord gave me readings from the Bible Promises about sickness. So, I see what He's saying. It is a disease, a disease of insecurity.

It's my black panther, Lord. I thought I was getting done with that??

He continued, *"You remember how in the dream, you thought it was dead, but it would come back up again after a long time? My Love, that animal is NOT dead. You must be vigilant, Clare, it stalks you always. Just as Satan left Me and waited for a more opportune time to tempt Me, it pretends to have left, but it is only waiting. Now that you see that, blessed will you be if you act on it.*

*"My People, the more you have in this world, the more stress and responsibility in your life. Very few people can touch these things lightly and move on past them. Most get caught in the net of bigger and better. And with that they pierce themselves through with many sorrows."*

I don't know the address of those Scriptures, but I know they're in the Bible. (1 Timothy 6:10)

*"So, let this be a lesson for you all. You don't have long to stay here. You're not taking anything with you, except the good things you've done out of Love for Me and your brother. Those are the only things you will be taking with you.*

*"I bless you now with the graces to help you with foresight, obedience and temperance in all things. Those I love I correct.*

*"Truly, I love you, My Bride."*

## **Who I Really Am To You**

April 30, 2016

The Sweet and comforting presence of Jesus be with you all, Heartdwellers. I had a precious time in worship today and at the very end of my time with Jesus, I was so very filled with His joy, I could hardly contain it. Several inspirations for songs and His portrait came to me, and I began bubbling over.

It's been a long, hard, three days, that's why you didn't get a message. I think I missed two days already - as I was very sick with Fibro and my medication didn't begin to touch the pain. So, I was in bed and unable to even do anything other than offer that time of suffering to the Lord for souls. Yet that is a work of mercy and though it is not seen as any kind of accomplishment, (which is faith, 'cause you can't get into pride!) it is the most sacrificial gift I could give.

So, I was greatly relieved when my strength began to return and Jesus showered these inspirations on me.

I began my time with Him by saying, "Oh Lord, You are absolutely driving me crazy creatively! There is so much I want to communicate about You!!"

"That's the whole point! He said. I'm priming the little pump...is it not written 'streams of living water will flow from within you?'"

I have to take a deep breath, Lord, so full of love and joy am I and the longing to communicate that to all souls. You are so wonderful, but there are no words to communicate how deeply you love each of us individually, and how joyful and easy it is to be in Your company. But perhaps between a few songs and a painting or two, I can at least make a dent in it.

He replied, "This is My joy, to see My children finally understanding how personal My love really is. I do not sit behind a desk with a Bible between us. I do not hide in elaborate cathedrals. I do not confine myself to My traditional garb. I am not in any way formal or distant from you.

"No, I wear khakis when we explore the cliffs of Heaven, when you draw near to Me, I rush to embrace you. I put nothing between us and forgive you of your sins...because you are so eager to confess and repent, they do not raise themselves up as obstacles to our nearness. There are

even times when I approach you as you repent, so that you will know I am hearing your contrite heart and I forgive you.

"Oh, how I want My children to understand who I AM. Yes, I am the mighty God who spoke creation into being, and then I lowered myself and became subject to the very same limitations you were born into. I did this so we could be truly close and you would come to understand the depth of My love for you as well as My character as a real, true Man.

"I maintain purity in my dealings with all souls, but I lavish the love of My Heart on all that are willing to receive it. So many don't get it. I want to be their companion, I want to be always present to them. I want to share in the adventure of this life. I want to bring home to all of you all that I am fully God and fully man and I enjoy the same things you enjoy.

"I laugh at the antics of puppies and kittens playing. My heart soars with the eagle, and is touched so tenderly by the little ducks waddling behind their mother. Don't you know I enjoy every aspect of My creation? I long to share that joy with you. Therefore, at least on this channel, I am revealing My playful and adventuresome side. Calling My Bride and all People to come and worship, yes. But then come and romp in the beauty and variety of My Creation with Me.

"I did not create all the beauty around you to place you in the midst of it and then observe you as if you were an ant in an ant farm! No! I created this beauty to enjoy with you, to explore with you, to rejoice with you in all the varieties of My creation. These are expressions of My Creativity and what artist doesn't want others to be moved by their creations.

"I love art, I love music, I love mathematics, science and all languages - I love everything about My creation. Is it not written, "God saw all that He had made, and behold, it was very good." (Genesis 1:31) So, I am coming to you in these last days and making Myself approachable so that you will take My hand and take Me everywhere you go, that I, Myself, may show you the paths of life and walk hand in hand through its storms and joys.

"I rejoice to be in your company. I rejoice listening to you sing. I rejoice watching you discover the breathless beauty of My creation. I rejoice in your thanksgiving for everything I've put into your life. But most of all, I rejoice in your love and how you sacrifice to bring Me to other souls who don't know who I am.

"This is the time for a real relationship with Me, though I am your God. This is not the time of posturing and formality. When David was out in the fields with his sheep, then He was closest to Me and we conversed like familiar friends. The same with Moses. We spoke not only in the smoke and fire and lightening, but in the babbling of water, deep into the night. Everything we saw together we shared, even as a husband and wife share their lives with one another.

"Jonah perceived Me in the belly of the whale (by the way, that was not a fairytale, it truly happened.) He spoke to Me of his sin, repenting in remorse for having evaded My mission to the Gentiles. He recognized Me in the vine growing up to give him shade. He recognized Me in the depth of the Whale. He recognized Me in the drawing of lots to expose his sin. And though he was a mere man, a weak man chosen for this mission, still we conversed with one another. We had a relationship.

"That is what this is all about. Relationship. There is nothing that pleases Me more than to be recognized for who I am and trusted that My love for you does not stop Me from being approachable. When you learn of My true nature and cultivate this friendship, you begin to reflect Me to others and they, too, begin to hunger for an intimate relationship with Me. They feel peace and comfort in My presence, rather than fear causing them to shake and cower. This is the lot of My Beloved ones, those who from the heart want to live a holy life.

"The wicked tremble, as well they should, because their hearts conceive only of evil and destruction of all that is good. But for you, who are My precious ones, wherever you are in your journey, I am all loving, receiving, and nurturing. And for those who have chosen wickedness as a style of life, I will forgive you if you repent.

"Yes, there are times for worship when you lift your hearts to Me. It seems more formal as you worship Me as your God. But other times, I want to be as approachable and easy to be with as a real companion on Earth. I promise you, that if you begin to presume or act in pride, I will swiftly correct you and help you restore your footing. I care enough to correct and sometimes be distant that you don't grow complacent. But this only done when it is necessary. The rest of the time, I am Jesus. Your Jesus. Your friend and lover. The one who knows all your ways, when you sit and when you stand. And I long to take an active part in sharing your life with you.

"So, I speak all these things now, because you are working on portrayals of Me, Clare. A painting, a song, and My greatest desire for you is for you to reveal to the world that I am a caring and loving friend that longs to be with them day and night, in every season. I want to love, hold and cherish them as they live every moment of their lives.

" I bless you now, to go forward in complete awareness that I am with you. And that I want to be a part of everything you do."A
