

Telemedicine (Virtual Visit) Services

Thank you for your interest in receiving medical care via telemedicine. BalanceMD has chosen a HIPAA and HITECH compliant company, doxy.me, to provide telemedicine services. Telemedicine allows you to see Dr. Sanders without actually coming into the office. Dr. Sanders will be providing telemedicine services only to established patients who are doing well and simply need to review symptoms and/or have prescription medications renewed or medication dose adjusted. **Because not all insurance plans cover virtual visits, you are responsible for contacting your insurance company (please refer to the phone number on your card) to find out if codes 99212-GT and 99213-GT for “live synchronous video visits” are covered under your specific plan. If this service is not covered under your plan, you may still choose to proceed with the virtual visit for a fee of \$75.**

In order to use this telemedicine service, you must have at least one of the following:

- A computer with a video camera using Firefox or Google Chrome browser
- An iOS device (iPhone, iPad, etc) to download the app “doxy.me” from the iTunes or App store
- An Android device using Google Chrome

Prior to your Virtual Visit, please be certain that BalanceMD has your up-to-date insurance card and contact information. You will be given an appointment time at which your appointment is to begin.

Prior to your first virtual visit, please go to the following link to see how doxy.me works:

<https://www.youtube.com/watch?v=yJf9N9sjDLI>

Then, a few minutes before your virtual appointment time, please log on to:

<https://doxy.me/balancemd>

When asked “would you like to share your camera and microphone with doxy.me?”, please select the appropriate camera and microphone, then click on “share selected devices”. A “Welcome” window will open. Simply type your name and click on the “Check in” box. This will place you in BalanceMD’s virtual waiting room and alert Dr. Sanders that you are ready for your telemedicine (virtual) visit.

If communications fail for any reason, please contact our office to arrange an alternative appointment time. *As mandated by your health insurance company, you will be contacted after your telemedicine (virtual) visit to collect any co-pay or payment due on the date of service.*

We cannot proceed with your telemedicine (virtual) visit until the following are completed:

- **Review, then sign and date the informed consent form at the bottom.**
- **Review the ABN form, write your name at the top (B.) and your insurance ID number, select Option 1 or Option 2, then sign and enter the date signed and appointment date (date of service) at the bottom.**
- **Return to BalanceMD:**
 - **signed informed consent form**
 - **signed ABN**
 - **copy (front and back) of your insurance card**

You may either snail mail, scan and email to info@BalanceMD.net or fax these documents to (765) 807-7101 or (317) 218-3597 prior to your first telemedicine visit. The consent form will only need to be signed once, but the ABN form will need to be signed prior to every telemedicine (virtual) visit.

Informed Consent for Telemedicine (Virtual Visit) Services

I understand that telemedicine is the use of electronic information and communication technologies by a health care provider to deliver services to an individual when he/she is located at a different site than the provider. I hereby consent to Dr. Scott Sanders providing health care services to me via telemedicine.

I understand that the laws that protect privacy and the confidentiality of medical information also apply to telemedicine and that my insurance carrier will have access to my medical records for quality review/audit.

I understand that if it is determined during my virtual visit that my medical condition requires an in-person visit, I will make arrangements to schedule an in-office visit.

I understand that I will be responsible for any copayments or coinsurances that apply to my telemedicine visit. I understand that I am responsible for contacting my insurance company to find out if codes 99212-GT and 99213-GT for "live synchronous video visits" are covered under my specific plan. If my insurance plan denies payment for my virtual visit for any reason, or if I choose to proceed with the virtual visit knowing that it is not covered under my plan, I understand that I will owe a fee of \$75.

I understand that I have the right to withhold or withdraw my consent to the use of telemedicine in the course of my care at any time, without affecting my right to future care or treatment. I may revoke my consent orally or in writing at any time by contacting BalanceMD at (888) 888-3499. As long as this consent is in force, Dr. Scott Sanders may provide health care services to me via telemedicine without the need for me to sign another consent form.

I understand that delays in evaluation and treatment could occur due to deficiencies or failures of equipment and if communications fails during my virtual visit, I understand that I will need to contact BalanceMD to arrange an alternative appointment time.

I understand that reasonable and appropriate efforts have been made to eliminate any confidentiality risks associated with telemedicine visits, but in very rare instances, security protocols could fail, causing a breach of privacy of personal medical information.

In rare cases, a lack of access to complete medical records may result in adverse drug interactions or allergic reactions or other judgement errors.

I authorize Dr. Scott Sanders to use telemedicine in the course of my diagnosis and treatment.

WHAT YOU NEED TO DO NOW:

- Read this notice, so you can make an informed decision about your care.
- Ask us any questions that you may have after you finish reading.
- Choose an option below about whether to receive the **D. Virtual Visit** listed above.

Note: If you choose Option 1 or 2, we may help you to use any other insurance that you might have, but Medicare cannot require us to do this.

G. OPTIONS: Check only one box. We cannot choose a box for you.

- OPTION 1.** I want the **D. Virtual Visit** listed above. You may ask to be paid now, but I also want Medicare billed for an official decision on payment, which is sent to me on a Medicare Summary Notice (MSN). I understand that if Medicare doesn't pay, I am responsible for payment, but **I can appeal to Medicare** by following the directions on the MSN. If Medicare does pay, you will refund any payments I made to you, less co-pays or deductibles.
- OPTION 2.** I want the **D. Virtual Visit** listed above, but do not bill Medicare. You may ask to be paid now as I am responsible for payment. **I cannot appeal if Medicare is not billed.**
- OPTION 3.** I don't want the **D. Virtual Visit** listed above. I understand with this choice I am **not** responsible for payment, and **I cannot appeal to see if Medicare would pay.**
