## Laurel Oaks Nation!

**Memorial Day is right around the corner. We wish to honor the U.S. military personnel who died while serving in the United States Armed Forces. On Monday May 27th the community pool will officially open for the Summer Season and registration for pool passes will begin.**

### Meet Our Landscaper

We have a very nice subdivision. My wife and I have lived here for 25 years and raised our son here. This community has always been very safe and I can appreciate that I have never had any issues with anyone here. I have been the Laurel Oaks landscaper for 14 years now. My passion is landscaping and the beautification of garden beds. I also service the Champion Forest, Cypresswood, Old oaks, Memorial Northwest, and Augusta Pine subdivisions

Laurel Oaks' official community landscaper Mr. Carlos Bolanos at the Park.

### Mental Health Awareness

May is mental health awareness month. Laurel Oaks is here to remind you that there is always Hope and there is always Help. Mental Health Awareness Month is a time to raise awareness of and reduce the stigma surrounding behavioral health issues.

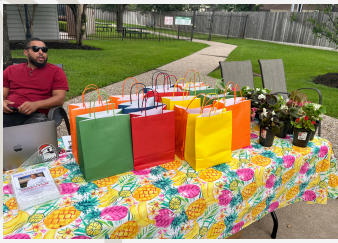

### Laurel Oaks Annual Assessments

It is imperative that all residents pay HOA dues to ensure we can fund the continued safety, growth, and beautification of our neighborhood. Assessments are \$528 due on January 1st each year with a 30 day grace period. Fees are increased after January 30th and again after February 28th. You can pay by mailing your dues in or online via TownSquare.

## Yard Of The Month

I have lived in Laurel Oaks for 25 years now. This area was considered the "River Oaks" of the Northside. Laurel Oaks has always been a safe and vibrant community but we really need to get back to connections. Talking to your neighbors, block parties, Christmas parties and such. It's important to get out and talk to each other. It makes for a more well connected and safe area. This was once a very fun community, let's get back to that!
