Fr. Dennis and the parish leadership ask that you please participate in our parish Feasibility Study. It will help shape our plans for the future of our Catholic family for years to come. **To date less than 150 parish households have participated in the study and we need more parishioners to get involved with the study!**

Be assured that this questionnaire is highly confidential and not a formal solicitation.

We thank all families who have responded to the study regarding our proposed new church and expanding parking lot. All answers received will be incorporated into the final report that summarizes the thoughts and opinions of the parishioners of St. Kateri Tekakwitha. The survey only takes a few minutes and provides us with valuable feedback.

If you have yet to respond to the study, we ask that you complete a survey and either drop it in the offertory collection or return it to the Parish Office. Survey forms are also available at the entrances of church. You may also respond online:

- Go to the parish website <https://www.stkateritekakwitha.org/>
- On home page, click on “Feasibility Study”
- You may also participate in the study via the QR code below.
