November 2020

Due to COVID-19 we have been unable to present any productions during our 98th Season. It is with deep regret that we will not be able to award our scholarship to a Cape Cod high school senior who would be entering college in the Fall of 2021.

We are hoping to receive the funding that would allow us to offer the scholarship in the years to come.

Sincerely,

The Barnstable Comedy Club Board of Directors
