CONNECTING COLLARS
MODELS – SL, SLD & SLD3**

COMMERCIAL GRADE CONNECTING COLLAR - MODEL SL, SLD & SLD3

Expedite field installations with Peppertree Model SL quality Connecting Collars (with or without damper). These collars are available in 5 1/2" or 7 1/2" body lengths. All SL's are fabricated with a bead on each end for non-slip positioning of draw bands or gear clamps. Our damper blades are fabricated with quality hardware including stamped handles, spring loaded & solid bearings and locking adjustable wing nuts. We can also provide heavy duty handles, stand-off regulators for insulated ductwork and full locking quadrants.
