CAREER ENRICHMENT

HR Journey: Talent Management & Development

A fascinating cocktail of flavors, Vietnam will delight your senses. Breathtaking landscape will amaze you, as you witness firsthand this country's urban awakening as a dynamic world marketplace. If you are new to Singapore, you are probably wondering how this small city-state in Southeast Asia, one of the youngest nations in the world, has become one of its most successful. Its strategic location has been key in its growth and development.

Program Highlights

- 7 nights / 10-day journey through Singapore & Vietnam
- This program will have a heavy **focus on professional interaction** with your HR colleagues and government leaders in both countries
- Smaller group size and private guided journey will allow for a high level of **interaction with your peers and time for networking** with your travel companions and meeting hosts
- Explore **how global and local employers hire, develop and retain talented employees** while exploring the cultures and people of both countries
- **Accompanying guest program is available**

Focus on Talent Management & Development

- Interact with officials at the **Singapore Human Resources Institute (SHRI)** or **local SGHRM office** as well as with **HR professionals** at a local business.
- Meet with government officials in the **Labor and Education Ministries**
- **Visit local businesses** in Ho Chi Minh City, Vietnam to learn more about how companies hire, train, deploy, and retain their people.
- Gain a **unique international perspective** through firsthand, personal insight with local HR colleagues in both countries while interacting in small group settings with experts in your field.
- Learn how **HR professionals** ensure that they have the right talent when and where they need it while maintaining high standards of professionalism in HR management, talent acquisition, and talent development.

Program Leaders:

China Gorman | Business Executive

China Gorman is a high-profile global business executive with extensive experience in growing high-performing, mission-driven organizations within the competitive human capital management (HCM) sector. She is an expert in leading organizations through dramatic turnarounds during periods of rapid growth and through economic recessions with exceptional results.

- Author of the popular blog, *Data Point Tuesday* (www.chinagorman.com), she brings interesting, relevant and actionable data and analysis to HR practitioners all over the world.

Gerry Crispin | Founder & Principal, CareerXroads

Gerry Crispin is an HR professional and a life-long student of the recruiting process, recognized internationally for his views and written commentary on employment strategy, hiring process and staffing technology. His passion is to understand how firms design and build recruiting processes, the technology to enhance them and the systems to manage them.

- In 1996, Gerry co-founded CareerXroads (www.CareerXroads.com), an international consulting practice that facilitates a dialogue between company recruiting leaders.
