

DynPEQ 1.3 now available through Sonic Studio!

Version 1.3 of the **DynPEQ** plugins are now available for purchase, upgrade, and trial through **Sonic Studio LLC**, makers of the **soundBlade** mastering workstation. You can reach the Sonic Studio portal to the DynPEQ plugins [through this link](#).

At the Sonic Studio DynPEQ web page, you can obtain a **free trial** of the plugins. Most importantly, customers who own a Quartet DynPEQ license for previous versions can purchase an **upgrade** to 1.3. This upgrade will include an automatic upgrade to version 2 in appreciation for your patience.

Many of the improvements in DynPEQ 1.3 are described [through this link](#). We hope you will find them to be a step up in performance worth waiting for.

Album mastered with Quartet DynPEQ nominated for a Grammy

We at Wholegrain are not normally prone to rooting, but we have learned that a DynPEQ-mastered album has been nominated for a **Grammy Award**, to be presented on **15 February** and live-streamed [through this link](#). The album **Suite Caminos** by pianist **Gonzalo Rubalcaba** has been nominated for **Best Latin Jazz Album**.

The album, on the **5Passion** label, has been mastered using **Quartet DynPEQ** by **Allan Tucker** of **TuckerSound at Foothill Digital**. We wish them good luck!

Thanks for visiting us at NAMM

The **2016 NAMM Show** was held on 21-24 January at the Anaheim Convention Center in California. We had a booth within the SOFTWARE.NAMM pavilion and we enjoyed meeting all of you who stopped by. If you could not make it, please accept our regrets. We at Wholegrain would like to thank **NAMM** and **IMSTA**, the sponsors of the SOFTWARE.NAMM pavilion, for putting on a good show.

Our guests were rising star pro engineers **Nathaniel Kunkel**, **Wes Maebe**, and **Tom Marks**, who demonstrated how they use the **DynPEQ** plugins in their work.

DynPEQ version 1.3 on the Avid Marketplace!

Version 1.3 of the **DynPEQ** plugins are now available for purchase through the **Avid Marketplace**, directly accessible through **Pro Tools** 11 and 12. You can find the Trio DynPEQ page [through this link](#). You can find the Quartet DynPEQ page [through this link](#).

There will be other outlets through which to purchase our products. Further announcements will be posted here.
