

## Hatch Public Library

111 West State Street Mauston, WI 53948 Phone (608) 847-4454 Fax (608) 847-2306

Applicants interested in the Youth Services position at the Hatch Public Library are asked to please answer the following questions and include responses with their application.

1. This position requires working closely with children ages 0- 18, and their families. Please explain your experience working with these age groups and why you enjoy doing so.
2. Please describe your experience planning and implementing a successful program for children, teens, or adults.
3. As library services evolve, the use of technology has become essential. Please describe your experiences with and your comfort level with social media, virtual or online activities, online applications, or other technologies.
4. List your favorite children's book, your favorite read-aloud book or your favorite teen book and briefly explain your choice.
5. Please write about any additional skills, experiences or education that helps qualify you as a Youth Services librarian.
