

# 2007 Keystone Everest 5<sup>th</sup> Wheel      Lot 17-28

## **2007 Keystone Everest Lot 1728**

**\$ 16,400 Negotiable**

Information on 5th Wheel camper:

It was purchased in September 2008 from Dusty's Camper World, Bartow, FL. (Model#3640; chassis make & model, 4YDF364277E770318)

- 38 Feet long with 4 slides
- King size bed
- Pull out sofa bed in living room
- Computer desk
- TV hook-up in bedroom

In June 2020, we spoke with a representative from Camping World, Bartow and after discussing the condition of the camper, no awning, and reading the things we have had Toy Doctor repair, she submitted the information to NADA and got a verbal appraisal for the retail value of \$16,400.

This amount is starting value but will be negotiated, TR share of stock is for sale also.

The camper was purchased by a couple and was on the road a very few times when they traded it in for a motor home , they did not like to tow.
