**2 1/2 – 3 Lb Giant**  
**Rachel Dunn Carmel**  
**Chocolate Apple Serves**  
**12!**

In the Fall of 1989, Mike & Rachel Dunn created their 2 1/2 – 3 Lb. giant chocolate covered caramel Fuji apples each serving is a quarter of a pound. They were originated without a stick to be sliced and served to adults – which, to this day has proven to be the fun & successful approach! Over the past 3 decades, they have become much beloved Holiday Traditions for friends and families everywhere. The apple harvest brings with it such a bounty of connected happiness, goodness, excitement and sharing for all of us. We are just as WOWED! as you are, and truly look forward to transforming the just-picked beautiful fruits into Giant Caramel Apples for you and your loved ones.
