PUBLIC NOTICE Division of State Fire Marshal Bureau of Underground Storage Tank Regulations. Pursuant to the rules governing the remediation of releases of petroleum from underground storage tank (UST) system(s), notice to the public is required whenever there is a confirmed release of petroleum from an UST system(s) that requires a remedial action plan (See Ohio Administrative Code 1301:7-9-13(K)). Notice is hereby given that a confirmed release of petroleum has occurred from the UST system located at: Former Edenton General Store, 6807 State Route 727, Goshen, Clermont County, Ohio 45122, BUSTR Release No. 13000084-N00001. A Remedial Action Plan (RAP) dated June 26, 2019, was submitted by the landowner for the review and approval of the Fire Marshal. Once the Fire Marshal has reviewed and approved the RAP, the owner will be required to implement the RAP. A copy of the RAP, as well as other documentation relating to this release and the UST system involved, is maintained by the bureau of Underground Storage Tank Regulations (BUSTR), and are available for inspection and copying by the public. Please make all requests for copies of the RAP or for inspection of the RAP and other related documentation in writing to BUSTR, P.O. Box 687, Reynoldsburg, OH, 43068. The SFM will accept written comments on this RAP for a period of 21 days from the date of publication of this notice. You may submit any comments regarding the site and the RAP, in writing, at the above address. For further information, please contact Ralph Mertz, III at 614-752-7097. Please reference Release #13000084-N00001 when making all inquiries or comments. Published in the Clermont Sun [DATE OF PUBLICATION].
