

New Horizons Living Center, Inc.
Sober Contract

I, _____ as a resident of New Horizons Living Center located in Torrington or Bristol, Connecticut agree to remain abstinent from all drugs and alcohol for the duration of my stay. I understand that this dwelling is a sober environment and that no alcohol or drugs are allowed anywhere on the premises by any person including the owner, residents and guests.

I further agree to permanently vacate the premises, if so requested by the owner or house manager, if I resume any use of drugs or alcohol while I am a resident of this dwelling. I also understand that any guest I sign into this house is my responsibility. If one of my guests is under the influence of or in possession of any drugs or alcohol, I understand that he/she will be required to vacate the premises and I also understand that I may be required to permanently vacate the premises.

I agree to submit to urine sample requests and/or breathalyzers in order to confirm or refute my abstinence from drugs or alcohol. I understand that if my urine sample tests positive for drugs or the breathalyzer reports alcohol use, if requested to leave, I will permanently vacate the premises. After vacating I can challenge the test by having an independent laboratory check my urine at my own expense. If laboratory results are negative I can petition the house to allow me to move back in.

I further understand that if I have any prescription medication, it must be in my name and used appropriately, as indicated by the prescription. I will not, under any circumstance, give my prescription medication to any person. All prescriptions must be reported to the house manager or owner.
