

Before Starting the CoC Application

You must submit all three of the following parts in order for us to consider your Consolidated Application complete:

1. the CoC Application,
2. the CoC Priority Listing, and
3. all the CoC's project applications that were either approved and ranked, or rejected.

As the Collaborative Applicant, you are responsible for reviewing the following:

1. The FY 2024 CoC Program Competition Notice of Funding Opportunity (NOFO) for specific application and program requirements.
2. The FY 2024 CoC Application Detailed Instructions which provide additional information and guidance for completing the application.
3. All information provided to ensure it is correct and current.
4. Responses provided by project applicants in their Project Applications.
5. The application to ensure all documentation, including attachment are provided.

Your CoC Must Approve the Consolidated Application before You Submit It
- 24 CFR 578.9 requires you to compile and submit the CoC Consolidated Application for the FY 2024 CoC Program Competition on behalf of your CoC.
- 24 CFR 578.9(b) requires you to obtain approval from your CoC before you submit the Consolidated Application into e-snaps.

Answering Multi-Part Narrative Questions

Many questions require you to address multiple elements in a single text box. Number your responses to correspond with multi-element questions using the same numbers in the question. This will help you organize your responses to ensure they are complete and help us to review and score your responses.

Attachments

Questions requiring attachments to receive points state, "You Must Upload an Attachment to the 4B. Attachments Screen." Only upload documents responsive to the questions posed—including other material slows down the review process, which ultimately slows down the funding process. Include a cover page with the attachment name.

- Attachments must match the questions they are associated with—if we do not award points for evidence you upload and associate with the wrong question, this is not a valid reason for you to appeal HUD's funding determination.

- We must be able to read the date and time on attachments requiring system-generated dates and times, (e.g., a screenshot displaying the time and date of the public posting using your desktop calendar; screenshot of a webpage that indicates date and time).

1B-1.	Inclusive Structure and Participation–Participation in Coordinated Entry.	
	NOFO Sections V.B.1.a.(1), V.B.1.e., V.B.1f., and V.B.1.p.	
	In the chart below for the period from May 1, 2023 to April 30, 2024:	
	1. select yes or no in the chart below if the entity listed participates in CoC meetings, voted—including selecting CoC Board members, and participated in your CoC’s coordinated entry system; or	
	2. select Nonexistent if the organization does not exist in your CoC’s geographic area:	

	Organization/Person	Participated in CoC Meetings	Voted, Including Electing CoC Board Members	Participated in CoC’s Coordinated Entry System
1.	Affordable Housing Developer(s)	No	No	No
2.	CDBG/HOME/ESG Entitlement Jurisdiction	Yes	No	Yes
3.	Disability Advocates	Yes	Yes	Yes

34.	Clergy	Yes	No	Yes
35.				

1B-1a.	Experience Promoting Racial Equity.	
	NOFO Section III.B.3.c.	

Describe in the field below your CoC's experience in effectively addressing the needs of underserved communities, particularly Black and Brown communities, who are substantially overrepresented in the homeless population.

(limit 2,500 characters)

working with COC is extremely effective at addressing the underserved communities needs. The underserved in our continuum is extremely diverse, including Hispanic, Vietnamese, Native American, and Black. Our entire state just streamlined the forms needed and used by ALL ESG projects in the state and translated the forms into Vietnamese, Spanish, and Martial Islanders.

Equity goes beyond just race in our continuum. There is a desperate need to always be more inclusive with marginalized communities. Our COC has a great history of serving persons who match the "make-up" of each community. The Panhandle sub-region is much more populated that anywhere else with Hispanics persons. While the East Central Sub-Region has many more black and native persons.

1B-2.	Open Invitation for New Members.	
	NOFO Section V.B.1.a.(2)	

Describe in the field below how your CoC:

1.	communicated a transparent invitation process annually (e.g., communicated to the public on the CoC's website) to solicit new members to join the CoC;
2.	ensured effective communication and access for persons with disabilities, including the availability of accessible electronic formats; and
3.	invited organizations serving culturally specific communities experiencing homelessness in your CoC's geographic area to address equity (e.g., Black, Latino, Indigenous, LGBTQ+, and persons with disabilities).

(limit 2,500 characters)

1. We are constantly soliciting for additional members, not just once per year. We do formally solicit for membership at our annual meeting in August each year, and post of web-sites, front doors, and PSA in specific areas of the continuum.

2. Most all agencies involved in our continuum have the capability to completely provide services to client without ever actually coming into contact. COVID taught us that. All screening questions, intakes, services, etc. are in electronic form, as well as much of the information also being in Spanish.

3. Our continuum is Black, Latino, Indigenous, LGBTQ+, disabled, young, and old. We represent those we serve, and associate with those who look like us, which is everybody. We are constantly enviting other providers to join our efforts to assist homeless persons.

1B-3.	CoC's Strategy to Solicit/Consider Opinions on Preventing and Ending Homelessness.	
	NOFO Section V.B.1.a.(3)	

Describe in the field below how your CoC:

1.	solicited and considered opinions from a broad array of organizations and individuals that have knowledge of homelessness, or an interest in preventing and ending homelessness;
2.	communicated information during public meetings or other forums your CoC uses to solicit public information;
3.	ensured effective communication and access for persons with disabilities, including the availability of accessible electronic formats; and
4.	took into consideration information gathered in public meetings or forums to address improvements or new approaches to preventing and ending homelessness.

(limit 2,500 characters)

1. Our COC loves additional input and opinions from everyone. One person's wild idea may be the beginnings of a great endeavor for all! Currently our continuum represents over 100 years of service to ending homeless, so we all understand what prevention efforts must be made.

2. Our greatest ally in disseminating information to the public are the PSA and agency websites addressing homelessness.

3. Described in above question. We are capable of providing and offering services and information via electronic means such as web-sites, language lines, TDD where available, etc.

4. This would be mainly from HUD directives, policies, emails, trainings, TA providers etc.

1B-4.	Public Notification for Proposals from Organizations Not Previously Awarded CoC Program Funding.	
	NOFO Section V.B.1.a.(4)	

Describe in the field below how your CoC notified the public:	
1.	that your CoC will consider project applications from organizations that have not previously received CoC Program funding;
2.	about how project applicants must submit their project applications—the process;
3.	about how your CoC would determine which project applications it would submit to HUD for funding; and
4.	ensured effective communication and access for persons with disabilities, including the availability of accessible electronic formats.

(limit 2,500 characters)

1. This is brought up at every other COC meeting, as well as at the annual meeting. Everyone who contacts our continuum about funding is given the time frames for both ESG and COC funding and where and how to apply.
2. Yes information about which systems to use, where they are located, and which funding agency each is associated with is given out to everyone in attendance or that asked throughout the year.
3. The chair of the COC always lets anyone asking about funding know what the requirements are to apply for any type of funding and any special requirements we have to get new project funded. Mainly that is to score high enough to actually qualify for new projects.
4. Same answer here as the two above questions.

1C. Coordination and Engagement

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2024 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

1C-1.	Coordination with Federal, State, Local, Private, and Other Organizations.	
	NOFO Section V.B.1.b.	
	In the chart below:	
1.	select yes or no for entities listed that are included in your CoC's coordination, planning, and operations of projects that serve individuals, families, unaccompanied youth, persons who are fleeing domestic violence who are experiencing homelessness, or those at risk of homelessness; or	
2.	select Nonexistent if the organization does not exist within your CoC's geographic area.	

	Entities or Organizations Your CoC Coordinates with for Planning or Operations of Projects	Coordinates with the Planning or Operations of Projects?
1.	Funding Collaboratives	Yes
2.	Head Start Program	Yes
3.	Housing and services programs funded through Local Government	Yes
4.	Housing and services programs funded through other Federal Resources (non-CoC)	Yes
5.	Housing and services programs funded through private entities, including Foundations	No
6.	Housing and services programs funded through State Government	Yes
7.	Housing and services programs funded through U.S. Department of Health and Human Services (HHS)	Yes
8.	Housing and services programs funded through U.S. Department of Justice (DOJ)	No
9.	Housing Opportunities for Persons with AIDS (HOPWA)	Nonexistent
10.	Indian Tribes and Tribally Designated Housing Entities (TDHEs) (Tribal Organizations)	Yes
11.	Organizations led by and serving Black, Brown, Indigenous and other People of Color	Yes
12.	Organizations led by and serving LGBTQ+ persons	Yes
13.	Organizations led by and serving people with disabilities	Yes
14.	Private Foundations	No
15.	Public Housing Authorities	No
16.	Runaway and Homeless Youth (RHY)	Yes
17.	Temporary Assistance for Needy Families (TANF)	Yes
	Other:(limit 50 characters)	
18.	Catholic Charities, Salvation Army	Yes

1C-2.	CoC Consultation with ESG Program Recipients.	
	NOFO Section V.B.1.b.	

In the chart below select yes or no to indicate whether your CoC:

1.	Consulted with ESG Program recipients in planning and allocating ESG Program funds?	Yes
2.	Provided Point-in-Time (PIT) count and Housing Inventory Count (HIC) data to the Consolidated Plan jurisdictions within its geographic area?	Yes
3.	Ensured local homelessness information is communicated and addressed in the Consolidated Plan updates?	Yes
4.	Coordinated with ESG recipients in evaluating and reporting performance of ESG Program recipients and subrecipients?	Yes

1C-3.	Ensuring Families are not Separated.	
	NOFO Section V.B.1.c.	

Select yes or no in the chart below to indicate how your CoC ensures emergency shelter, transitional housing, and permanent housing (PSH and RRH) do not deny admission or separate family members regardless of each family member's self-reported sexual orientation and gender identity:

1.	Conducted mandatory training for all CoC- and ESG-funded service providers to ensure families are not separated?	Yes
2.	Conducted optional training for all CoC- and ESG-funded service providers to ensure family members are not separated?	Yes
3.	Worked with CoC and ESG recipient(s) to adopt uniform anti-discrimination policies for all subrecipients?	No
4.	Worked with ESG recipient(s) to identify both CoC- and ESG-funded facilities within your CoC's geographic area that might be out of compliance and took steps to work directly with those facilities to bring them into compliance?	Yes
5.	Sought assistance from HUD by submitting questions or requesting technical assistance to resolve noncompliance by service providers?	No

1C-4.	CoC Collaboration Related to Children and Youth—SEAs, LEAs, School Districts.	
	NOFO Section V.B.1.d.	

Select yes or no in the chart below to indicate the entities your CoC collaborates with:

1.	Youth Education Provider	Yes
2.	State Education Agency (SEA)	Yes
3.	Local Education Agency (LEA)	Yes
4.	School Districts	Yes

1C-4a.	Formal Partnerships with Youth Education Providers, SEAs, LEAs, School Districts.	
	NOFO Section V.B.1.d.	

Describe in the field below the formal partnerships your CoC has with at least one of the entities where you responded yes in question 1C-4.

(limit 2,500 characters)

The school based homeless liaison serves and votes at the sub region level in the Red Carpet. Actually a school representative is part of each sub region but there is no written MOU for their participation. The same can be said for the universities, and other SEA's.

1C-4b.	Informing Individuals and Families Who Have Recently Begun Experiencing Homelessness about Eligibility for Educational Services.	
	NOFO Section V.B.1.d.	

Describe in the field below written policies and procedures your CoC uses to inform individuals and families who have recently begun experiencing homelessness of their eligibility for educational services.

(limit 2,500 characters)

This is a state level policy through the Dept. of Commerce that all funded programs must follow state and federal law regarding educational services for homeless persons.

1C-4c.	Written/Formal Agreements or Partnerships with Early Childhood Services Providers.	
	NOFO Section V.B.1.d.	

Select yes or no in the chart below to indicate whether your CoC has written formal agreements or partnerships with the listed providers of early childhood services:

		MOU/MOA	Other Formal Agreement
1.	Birth to 3 years	No	Yes
2.	Child Care and Development Fund	Yes	No
3.	Early Childhood Providers	No	Yes
4.	Early Head Start	No	Yes
5.	Federal Home Visiting Program--(including Maternal, Infant and Early Childhood Home and Visiting or MIECHV)	No	No
6.	Head Start	No	Yes
7.	Healthy Start	No	Yes
8.	Public Pre-K	No	Yes
9.	Tribal Home Visiting Program	Yes	Yes
	Other (limit 150 characters)		
10.			

1C-5.	Addressing Needs of Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking—Collaboration with Federally Funded Programs and Victim Service Providers.
	NOFO Section V.B.1.e.

In the chart below select yes or no for the organizations your CoC collaborates with:

	Organizations	
1.	State Domestic Violence Coalitions	Yes
2.	State Sexual Assault Coalitions	Yes
3.	Anti-trafficking Service Providers	Yes
	Other Organizations that Help this Population (limit 500 characters)	
4.	HHS and FVPS	Yes

1C-5a.	Collaborating with Federally Funded Programs and Victim Service Providers to Address Needs of Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking.
	NOFO Section V.B.1.e.

Describe in the field below how your CoC regularly collaborates with organizations that you selected yes to in Question 1C-5 to:

- | | |
|----|--|
| 1. | update CoC-wide policies; and |
| 2. | ensure all housing and services provided in the CoC’s geographic area are trauma-informed and can meet the needs of survivors. |

(limit 2,500 characters)

1. The current lead agency is a domestic violence and sexual assault agency and a member with the "End Violence Oklahoma". While this is not a formal coalition with their own 501C3, this group is the only functioning state coalition in Oklahoma.

2. NWDCS, Inc. as the lead agency has been training OK-503 on Trauma Informed services for 20 years. While this is new to HUD, it is very old for our continuum! There is no way the COC can ENSURE all programs are using trauma informed client centered services, it is discussed and policies of programs are looked at during monitoring. That is our best mechanism to ensure that all clients are offered trauma informed services.

1C-5b.	Implemented Safety Planning, Confidentiality Protocols in Your CoC’s Coordinated Entry to Address the Needs of Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking.
	NOFO Section V.B.1.e.

Describe in the field below how your CoC’s coordinated entry addresses the needs of DV survivors by including:

- | | |
|----|--------------------------------|
| 1. | safety planning protocols; and |
| 2. | confidentiality protocols. |

(limit 2,500 characters)

OK 503 has policies for safety planning and confidentiality included in our coordinated entry policies.

1C-5c.	Coordinated Annual Training on Best Practices to Address the Needs of Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking Survivors.	
	NOFO Section V.B.1.e.	

In the chart below, indicate how your CoC facilitates training for project staff and coordinated entry staff that addresses best practices on safety planning and confidentiality protocols:

		Project Staff	Coordinated Entry Staff
1.	Training Occurs at least annually?	Yes	Yes
2.	Incorporates Trauma Informed best practices?	Yes	Yes
3.	Incorporates Survivor-Centered best practices?	Yes	Yes
4.	Identifies and assesses survivors' individual safety needs?	Yes	Yes
5.	Enhances and supports collaboration with DV organizations?	Yes	Yes
6.	Ensures survivors' rights, voices, and perspectives are incorporated?	Yes	Yes
	Other? (limit 500 characters)		
7.			

1C-5d.	Implemented VAWA-Required Written Emergency Transfer Plan Policies and Procedures for Domestic Violence, Dating Violence, Sexual Assault, and Stalking.	
	NOFO Section V.B.1.e.	

Describe in the field below:

1.	whether your CoC's written policies and procedures include an emergency transfer plan;
2.	how your CoC informs all households seeking or receiving CoC Program assistance about their rights to an emergency transfer;
3.	what your CoC requires households to do to request emergency transfers; and
4.	what your CoC does in response to households requesting emergency transfers.

(limit 2,500 characters)

1, Oklahoma is very fortunate in that the Department of Commerce has provided the entire state's COC's with standardized policies and forms to meet the requirements for safe transfers, emergency transfers, and how this can be requested and achieved.

2. It is a requirement that this information be provided to ALL persons completing a screening and assessment to be given this information in writing. This is monitored during visits.

3. We require that the client fill out the request at their local program currently serving them,.

1C-5e.	Facilitating Safe Access to Housing and Services for Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking.	
	NOFO Section V.B.1.e.	

Describe in the field below how your CoC ensures households experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking have safe access to all of the housing and services available within your CoC's geographic area.

(limit 2,500 characters)

Oklahoma State Law requires that all persons requesting services and housing for domestic violence services are met by the program that serves specific counties in the state. This applies only to emergency shelter. There is no way to ENSURE this same practice is continued with transitional housing, which our COC has 0 units, or PSH projects. If the PSH units are full there is only for the victim to wait in emergency shelter until other units become available.

1C-5f.	Identifying and Removing Barriers for Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking.	
	NOFO Section V.B.1.e.	

Describe in the field below how your CoC ensures survivors receive safe housing and services by:

1.	identifying barriers specific to survivors; and
2.	working to remove those barriers.

(limit 2,500 characters)

1. Upon screening with the case manager at any funded program, a part of the assessment is to identify barriers.

2. Each person's journey and barriers will be different and they can work with the client to remove those barriers if possible. There are some barriers that are out of the control of the project or the client; the perpetrator may be missing in action and it is not safe for the victim to even try to find alternate housing, so emergency shelter can sometimes be best.

1C-6.	Addressing the Needs of Lesbian, Gay, Bisexual, Transgender and Queer+–Anti-Discrimination Policy and Equal Access Trainings.	
	NOFO Section V.B.1.f.	

	1. Did your CoC implement a written CoC-wide anti-discrimination policy ensuring that LGBTQ+ individuals and families receive supportive services, shelter, and housing free from discrimination?	Yes
	2. Did your CoC conduct annual CoC-wide training with providers on how to effectively implement the Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity (Equal Access Final Rule)?	No
	3. Did your CoC conduct annual CoC-wide training with providers on how to effectively implement Equal Access in Accordance With an Individual's Gender Identity in Community Planning and Development Programs (Gender Identity Final Rule)?	Yes

1C-6a.	Anti-Discrimination Policy—Updating Policies—Assisting Providers—Evaluating Compliance—Addressing Noncompliance.	
	NOFO Section V.B.1.f.	

Describe in the field below:

1.	how your CoC regularly collaborates with LGBTQ+ and other organizations to update its CoC-wide anti-discrimination policy, as necessary to ensure all housing and services provided in the CoC are trauma-informed and able to meet the needs of LGBTQ+ individuals and families;
2.	how your CoC assisted housing and services providers in developing project-level anti-discrimination policies that are consistent with the CoC-wide anti-discrimination policy;
3.	your CoC's process for evaluating compliance with your CoC's anti-discrimination policies; and
4.	your CoC's process for addressing noncompliance with your CoC's anti-discrimination policies.

(limit 2,500 characters)

1. First, there are no LGBTQ+ organizations in our COC, but we also don't need one. We are highly sensitive to the needs of all persons experiencing homelessness. It should also be noted the current Chair of the COC is gay.
2. Any agency that receives any federal funding must follow their own federal authority's requirements for upholding anti-discrimination policies. Our COC only required that a project has the policy, which might be a little different from one program to another.
3. This assessment occurs at monitoring to review policies for anti-discrimination.
4. We do not have a policy for addressing non-compliance, and would refer this non-compliance issue to our local HUD Field Office

1C-7.	Public Housing Agencies within Your CoC's Geographic Area—New Admissions—General/Limited Preference—Moving On Strategy.	
	NOFO Section V.B.1.g.	

You must upload the PHA Homeless Preference\PHA Moving On Preference attachment(s) to the 4B. Attachments Screen.

Enter information in the chart below for the two largest PHAs highlighted in gray on the current CoC-PHA Crosswalk Report or the two PHAs your CoC has a working relationship with—if there is only one PHA in your CoC's geographic area, provide information on the one:

Public Housing Agency Name	Enter the Percent of New Admissions into Public Housing or Housing Choice Voucher Program During FY 2023 who were experiencing homelessness at entry	Does the PHA have a General or Limited Homeless Preference?	Does the PHA have a Preference for current PSH program participants no longer needing intensive supportive services, e.g., Moving On?
Waynoka Mental Health Authority	8%	Yes-Both	Yes

1C-7a.	Written Policies on Homeless Admission Preferences with PHAs.	
	NOFO Section V.B.1.g.	

	Describe in the field below:
1.	steps your CoC has taken, with the two largest PHAs within your CoC's geographic area or the two PHAs your CoC has working relationships with, to adopt a homeless admission preference—if your CoC only has one PHA within its geographic area, you may respond for the one; or
2.	state that your CoC has not worked with the PHAs in its geographic area to adopt a homeless admission preference.

(limit 2,500 characters)

Our COC's problem here is that there is only 1 PHA in all 19 counties. If one looks at HUD's information it will show there are about 40 PHA's in our area, but they are low income apartment complexes, not PHA's. Now then, with our one PHA they are willing to work with the continuum regarding placements, and will give a homeless preference to any openings if they happen to have a unit available at the time when a client is ready to move to non supported housing.

1C-7b.	Moving On Strategy with Affordable Housing Providers.	
	Not Scored—For Information Only	

Select yes or no in the chart below to indicate affordable housing providers in your CoC's jurisdiction that your recipients use to move program participants to other subsidized housing:

1.	Multifamily assisted housing owners	No
2.	PHA	Yes
3.	Low Income Housing Tax Credit (LIHTC) developments	Yes
4.	Local low-income housing programs	Yes
	Other (limit 150 characters)	
5.		

1C-7c.	Include Units from PHA Administered Programs in Your CoC's Coordinated Entry.	
	NOFO Section V.B.1.g.	

In the chart below, indicate if your CoC includes units from the following PHA programs in your CoC's coordinated entry process:

1.	Emergency Housing Vouchers (EHV)	No
2.	Family Unification Program (FUP)	No
3.	Housing Choice Voucher (HCV)	Yes
4.	HUD-Veterans Affairs Supportive Housing (HUD-VASH)	Yes
5.	Mainstream Vouchers	Yes
6.	Non-Elderly Disabled (NED) Vouchers	Yes
7.	Public Housing	Yes
8.	Other Units from PHAs:	

1C-7d.	Submitting CoC and PHA Joint Applications for Funding for People Experiencing Homelessness.	
	NOFO Section V.B.1.g.	

	1. Did your CoC coordinate with a PHA(s) to submit a competitive joint application(s) for funding or jointly implement a competitive project serving individuals or families experiencing homelessness (e.g., applications for mainstream vouchers, Family Unification Program (FUP), other programs)?	No
		Program Funding Source
	2. Enter the type of competitive project your CoC coordinated with a PHA(s) to submit a joint application for or jointly implement.	

1C-7e.	Coordinating with PHA(s) to Apply for or Implement HCV Dedicated to Homelessness Including Emergency Housing Voucher (EHV).	
	NOFO Section V.B.1.g.	

	Did your CoC coordinate with any PHA to apply for or implement funding provided for Housing Choice Vouchers dedicated to homelessness, including vouchers provided through the American Rescue Plan?	No

NOFO Section V.B.1.i.

1.	Enter the total number of new and renewal CoC Program-funded PSH, RRH, SSO non-coordinated entry, Safe Haven, and Transitional Housing projects your CoC is applying for in FY 2024 CoC Program Competition.	4
2.	Enter the total number of new and renewal CoC Program-funded PSH, RRH, SSO non-coordinated entry, Safe Haven, and Transitional Housing projects your CoC is applying for in FY 2024 CoC Program Competition that have adopted the Housing First approach.	4
3.	This number is a calculation of the percentage of new and renewal PSH, RRH, SSO non-Coordinated Entry, Safe Haven, and Transitional Housing projects the CoC has ranked in its CoC Priority Listing in the FY 2024 CoC Program Competition that reported that they are lowering barriers to entry and prioritizing rapid placement and stabilization to permanent housing.	100%

1D-2a.	Project Evaluation for Housing First Compliance.	
--------	--	--

NOFO Section V.B.1.i.

You must upload the Housing First Evaluation attachment to the 4B. Attachments Screen.
Describe in the field below:

1.	how your CoC evaluates every project—where the applicant checks Housing First on their project application—to determine if they are using a Housing First approach;
2.	the list of factors and performance indicators your CoC uses during its evaluation;
3.	how your CoC regularly evaluates projects outside of your local CoC competition to ensure the projects are using a Housing First approach; and
4.	what your CoC has done to improve fidelity to Housing First.

(limit 2,500 characters)

1. We check that each applicant has checked and stated they are a housing first project.
2. We ask to see each agency's policies during monitoring and ask if any case managers have received their housing first training certificate.
3. During Monitoring
4. We talk about successes of project participants as a result of housing first.

1D-3.	Street Outreach—Data—Reaching People Least Likely to Request Assistance.	
	NOFO Section V.B.1.j.	

Describe in the field below how your CoC tailored its street outreach to people experiencing homelessness who are least likely to request assistance.

(limit 2,500 characters)

Street outreach is very different in different parts of the COC. In very rural areas on the west part of the COC foodbanks, churches, fire stations, etc. are some of the best places to interact with potential client. While in more urban parts of our continuum, the case workers know where the homeless are living, and spend time developing relationships with the homeless they encounter to try to move them to services when ready.

1D-4.	Strategies to Prevent Criminalization of Homelessness.	
	NOFO Section V.B.1.k.	

Select yes or no in the chart below to indicate your CoC's strategies to prevent the criminalization of homelessness in your CoC's geographic area:

Your CoC's Strategies	Engaged/Educated Legislators and Policymakers	Implemented Laws/Policies/Practices that Prevent Criminalization of Homelessness
1. Increase utilization of co-responder responses or social services-led responses over law enforcement responses to people experiencing homelessness?	Yes	No
2. Minimize use of law enforcement to enforce bans on public sleeping, public camping, or carrying out basic life functions in public places?	Yes	No
3. Avoid imposing criminal sanctions, including fines, fees, and incarceration for public sleeping, public camping, and carrying out basic life functions in public places?	Yes	No
4. Other:(limit 500 characters)		

1D-5.	Rapid Rehousing–RRH Beds as Reported in the Housing Inventory Count (HIC) or Longitudinal Data from HMIS.	
	NOFO Section V.B.1.I.	

	HIC Longitudinal HMIS Data	2023	2024
Enter the total number of RRH beds available to serve all populations as reported in the HIC or the number of households served per longitudinal HMIS data, e.g., APR.	HIC	18	18

1D-6.	Mainstream Benefits–CoC Annual Training of Project Staff.	
	NOFO Section V.B.1.m.	

Indicate in the chart below whether your CoC trains program staff annually on the following mainstream benefits available for program participants within your CoC's geographic area:

	Mainstream Benefits	CoC Provides Annual Training?
1.	Food Stamps	Yes
2.	SSI–Supplemental Security Income	Yes
3.	SSDI–Social Security Disability Insurance	Yes
4.	TANF–Temporary Assistance for Needy Families	Yes
5.	Substance Use Disorder Programs	Yes
6.	Employment Assistance Programs	Yes
7.	Other (limit 150 characters)	
	Clergy	Yes

1D-6a.	Information and Training on Mainstream Benefits and Other Assistance.	
	NOFO Section V.B.1.m	

Describe in the field below how your CoC:

1.	works with projects to collaborate with healthcare organizations, including those that provide substance use disorder treatment and mental health treatment, to assist program participants with receiving healthcare services, including Medicaid; and
2.	promotes SSI/SSDI Outreach, Access, and Recovery (SOAR) certification of program staff.

(limit 2,500 characters)

1. Our COC works with, and has members from, AETNA, and streethealthoutreachnow.org, and the Oklahoma St. Dept. of Health who are available to assist any agency with health care needs of their clients if they are unable to meet that need themselves.

2. For this need we have the ODMHSAS and several other members who have completed the SOAR training and will give these services wherever needed.

ID-7.	Partnerships with Public Health Agencies–Collaborating to Respond to and Prevent the Spread of Infectious Diseases.	
	NOFO Section V.B.1.n.	

Describe in the field below how your CoC effectively collaborates with state and local public health agencies to develop CoC-wide policies and procedures that:

- | | |
|----|--|
| 1. | respond to infectious disease outbreaks; and |
| 2. | prevent infectious disease outbreaks among people experiencing homelessness. |

(limit 2,500 characters)

1. The Dept of Commerce has given us the use of the providers from the Health Department any time we need to address the above issues infection control or response.
2. Responding to outbreaks is actually easier than preventing the outbreak itself due to location and conditions of the environment.

ID-7a.	Collaboration With Public Health Agencies on Infectious Diseases.	
	NOFO Section V.B.1.n.	

Describe in the field below how your CoC:

- | | |
|----|---|
| 1. | effectively shared information related to public health measures and homelessness; and |
| 2. | facilitated communication between public health agencies and homeless service providers to ensure street outreach providers and shelter and housing providers are equipped to prevent or limit infectious disease outbreaks among program participants. |

(limit 2,500 characters)

1. Information is shared during monthly and bi- monthly network meetings.
2. Through collaboration with the Oklahoma State Department of Health and the homeless service providers in our COC, education materials and training are provided. This information is then provided to clients during case management with their case worker.

1D-8.	Coordinated Entry Standard Processes.	
	NOFO Section V.B.1.o.	

Describe in the field below how your CoC's coordinated entry system:

- | | |
|----|---|
| 1. | can serve everybody regardless of where they are located within your CoC's geographic area; |
| 2. | uses a standardized assessment process to achieve fair, equitable, and equal access to housing and services within your CoC; |
| 3. | collects personal information in a trauma-informed way; and |
| 4. | is updated at least annually using feedback received from participating projects and households that participated in coordinated entry. |

(limit 2,500 characters)

1. All members of the continuum are required to be an entry point into coordinated entry.
2. We are still using the VI-SPDAT in most areas of the COC but are working on developing our own screening tool that better captures the data and information needed to reflect the needs of our clients.
3. Each agency has their specific areas to address outside of housing. Not a single member of the continuum is only a housing provider. We are DV agencies, Mental Health Centers, Substance Abuse treatment centers, etc, so each agency might have a little different approach to ensuring their questions are framed in a trauma informed manner.

1D-8a.	Coordinated Entry–Program Participant-Centered Approach.	
	NOFO Section V.B.1.o.	

	Describe in the field below how your CoC's coordinated entry system:
1.	reaches people who are least likely to apply for homeless assistance in the absence of special outreach;
2.	prioritizes people most in need of assistance;
3.	ensures people most in need of assistance receive permanent housing in a timely manner, consistent with their needs and preferences; and
4.	takes steps to reduce burdens on people seeking assistance.

(limit 2,500 characters)

1. All members are points of entry for services and not just one agency. This way we have a better chance of reaching the most vulnerable. Street outreach is the other best practice to reach those least likely to request services for housing.
2. Our COC is still using the VI-SPDAT as the initial screening tool to determine who has a greater need, and.
3. Those who score highest (over an 8) are wanting housing will move to the highest level of need. Our continuum has only once had one person on a waiting list, aka by name list, so finding a PSH project that is close to where they wish to live is the hardest part.
4. We make every attempt to make applying for assistance as easy for the person as possible. We will even come to the client to complete the paperwork if the person needs. We also will complete all the screening and intake over media if needed and that is the client's comfort level, then have them sign all the forms once housing is actually taking place and housing serches start.

1D-8b.	Coordinated Entry–Informing Program Participants about Their Rights and Remedies–Reporting Violations.	
	NOFO Section V.B.1.o.	

Describe in the field below how your CoC through its coordinated entry:

	1.	affirmatively markets housing and services provided within the CoC's geographic area and ensures it reaches all persons experiencing homelessness;
	2.	informs program participants of their rights and remedies available under federal, state, and local fair housing and civil rights laws; and
	3.	reports any conditions or actions that impede fair housing choice for current or prospective program participants to the jurisdiction(s) responsible for certifying consistency with the Consolidated Plan.

(limit 2,500 characters)

1. This is a hard task to complete. Without actual paid advertising, which the COC does not have, we are dependent on all the providers to get the word out, or use social media to let the public know that help is available.

2. The COC's first job is to make sure the projects do a thorough screening and intake. This provide potential clients with all their rights and how to seek assistance if they feel they have been discriminated against or have a complaint. (Grievance Procedure)

3. Should any complaint ever come to the COC, which it never has so far, the chair of the COC will make a phone call to visit with the program after having a thorough understanding of the client's perception, and work to find a solution without having to go to court. If this can not be handled in this manner then we refer to Legal Aide.

1D-9.	Advancing Racial Equity in Homelessness—Conducting Assessment.	
	NOFO Section V.B.1.p.	

	1. Has your CoC conducted a racial disparities assessment in the last 3 years?	Yes
	2. Enter the date your CoC conducted its latest assessment for racial disparities.	05/11/2023

1D-9a.	Using Data to Determine if Racial Disparities Exist in Your CoC's Provision or Outcomes of CoC Program-Funded Homeless Assistance.	
	NOFO Section V.B.1.p.	

Describe in the field below:

	1.	the data your CoC used to analyze whether any racial disparities are present in your CoC's provision or outcomes of CoC Program-funded homeless assistance; and
	2.	how your CoC analyzed the data to determine whether any racial disparities are present in your CoC's provision or outcomes of CoC Program-funded homeless assistance.

(limit 2,500 characters)

Our COC used census data and employment data to work on racial disparity analysis. The results of our disparity analysis was quite good. Most every program in each of the sub-regions match very closely with the population of their service areas. We found it needed to be broken down by sub-regions because our COC is too large. In the far west panhandle of the state we have a predominately Hispanic population, while in the East sub-region is primarily dominated by Native Americans and Black persons.

2. We compared the actual numbers of persons served by sub-region verses what the census stated the current population of that area is. Our main deficiency found was lack of services to the elderly, more than any racial disparities.

1D-9b.	Implemented Strategies to Prevent or Eliminate Racial Disparities.	
	NOFO Section V.B.1.p	

Select yes or no in the chart below to indicate the strategies your CoC is using to prevent or eliminate racial disparities.

1.	Are your CoC's board and decisionmaking bodies representative of the population served in the CoC?	Yes
2.	Did your CoC identify steps it will take to help the CoC board and decisionmaking bodies better reflect the population served in the CoC?	Yes
3.	Is your CoC expanding outreach in your CoC's geographic areas with higher concentrations of underrepresented groups?	No
4.	Does your CoC have communication, such as flyers, websites, or other materials, inclusive of underrepresented groups?	Yes
5.	Is your CoC training staff working in the homeless services sector to better understand racism and the intersection of racism and homelessness?	No
6.	Is your CoC establishing professional development opportunities to identify and invest in emerging leaders of different races and ethnicities in the homelessness sector?	No
7.	Does your CoC have staff, committees, or other resources charged with analyzing and addressing racial disparities related to homelessness?	Yes
8.	Is your CoC educating organizations, stakeholders, boards of directors for local and national nonprofit organizations working on homelessness on the topic of creating greater racial and ethnic diversity?	Yes
9.	Did your CoC review its coordinated entry processes to understand their impact on people of different races and ethnicities experiencing homelessness?	Yes
10.	Is your CoC collecting data to better understand the pattern of program use for people of different races and ethnicities in its homeless services system?	Yes
11.	Is your CoC conducting additional research to understand the scope and needs of different races or ethnicities experiencing homelessness?	Yes
	Other:(limit 500 characters)	
12.		

1D-9c.	Plan for Ongoing Evaluation of System-level Processes, Policies, and Procedures for Racial Equity.	
	NOFO Section V.B.1.p.	

Describe in the field below your CoC's plan for ongoing evaluation of system-level processes, policies, and procedures for racial equity.

(limit 2,500 characters)

1. Our COC will complete the racial disparity analysis every other year to ensure our areas have not had significant changes in racial make-up of the areas, and re-examine the outreach and client served compared to the populations we serve.

1D-9d.	Plan for Using Data to Track Progress on Preventing or Eliminating Racial Disparities.	
	NOFO Section V.B.1.p.	

Describe in the field below:

1.	the measures your CoC plans to use to continuously track progress on preventing or eliminating racial disparities in the provision or outcomes of homeless assistance; and	
2.	the tools your CoC plans to use to continuously track progress on preventing or eliminating racial disparities in the provision or outcomes of homeless assistance.	

(limit 2,500 characters)

1. This is a difficult question to answer as our initial racial disparity analysis was good, so our only on-going mechanism is to complete the analysis every other year and compare with new census and employment data. We will look to see that our staff and boards match the population we are targeted to serve, and that who we are serving are those least likely to request assistance.

2. The tools used will be HMIS and Empowerdb data to see who we have served, and census data to know who we should be serving most, and then employment data to see if we can identify who is housed and not working or not capable of working versus who we have housed and what employment they have gained. These two sets of data should be reflectively the same percentage wise.

1D-10.	Involving Individuals with Lived Experience of Homelessness in Service Delivery and Decisionmaking—CoC’s Outreach Efforts.	
	NOFO Section V.B.1.q.	

Describe in the field below your CoC’s outreach efforts (e.g., social media announcements, targeted outreach) to engage those with lived experience of homelessness in leadership roles and decisionmaking processes.

(limit 2,500 characters)

This is so not an issue for our COC. The current chair of the continuum has lived experience with homelessness. In addition we have many serving on boards and working in programs that have lived experience. Those who have used services in the past know the impact they could potentially have on the "system" to make influential decisions and positive impacts on others lives.

1D-10a.	Active CoC Participation of Individuals with Lived Experience of Homelessness.	
	NOFO Section V.B.1.q.	

You must upload the Lived Experience Support Letter attachment to the 4B. Attachments Screen.

Enter in the chart below the number of people with lived experience who currently participate in your CoC under the four categories listed:

	Level of Active Participation	Number of People with Lived Experience Within the Last 7 Years or Current Program Participant	Number of People with Lived Experience Coming from Unsheltered Situations
1.	Routinely included in the decisionmaking processes related to addressing homelessness.	4	1
2.	Participate on CoC committees, subcommittees, or workgroups.	4	1
3.	Included in the development or revision of your CoC's local competition rating factors.	2	1
4.	Included in the development or revision of your CoC's coordinated entry process.	4	1

1D-10b.	Professional Development and Employment Opportunities for Individuals with Lived Experience of Homelessness.	
	NOFO Section V.B.1.q.	

Describe in the field below how your CoC or CoC membership organizations provide professional development and employment opportunities to individuals with lived experience of homelessness.

(limit 2,500 characters)

This is a basic and often used service accross our continuum to work with Workforce OK, and well as Work Ready as a referral for our client who need intense employment training over what basic case management services provide. The COC is also interesting in how they make opportunities for their clients. the NWTC used local farmers who come get client to work for an hourly wage. While this is not full time employment, it does teach work ethics, reliability, etc. That is just one example of how creativity can assist clients served.

1D-10c.	Routinely Gathering Feedback and Addressing Challenges of Individuals with Lived Experience of Homelessness.	
	NOFO Section V.B.1.q.	

Describe in the field below:

1.	how your CoC gathers feedback from people experiencing homelessness;
2.	how often your CoC gathers feedback from people experiencing homelessness;
3.	how your CoC gathers feedback from people who received assistance through the CoC Program or ESG Program;
4.	how often your CoC gathers feedback from people who have received assistance through the CoC Program or ESG Program; and
5.	steps your CoC has taken to address challenges raised by people with lived experience of homelessness.

(limit 2,500 characters)

1. All DV providers MUST use client satisfaction survey's according to the Attorney General's office, which is law. All projects use some form of satisfaction survey survey for their client as well. One of our projects has an open board seat at every meeting where a client, unnamed, can participate and vote on issues for that board meeting. I loved this idea and am working with my board to re-create this type of situation at my own agency.
2. We gather feedback constantly. Clients are given a satisfaction survey after 30 days service, 90 days services, and upon exit from the program. All programs also have grievance procedures which can be utilized by individual programs to assist with making changes to their programs where needed.
3. COC, ESG, FVPSA, HHS, are all the same to the COC regarding feedback from clients. They are constantly requesting and receiving survey's and input from clients, It is not a once a year issue, but an on-going everyday issue for our projects.
4. Again, information or feedback on client satisfaction is on-going.
5. Currently we are working with a homeless shelter in Woodward, who is not funded, to understand that just providing a bed at night and then requiring client to leave by 8 in the morning and not come back until 5 is not trauma informed, relatable, or in the best interest of clients. Suppose they find a job and it is at night? They need a place to sleep during the day. That is but one example.

1D-11.	Increasing Affordable Housing Supply.	
	NOFO Section V.B.1.s.	
	Describe in the field below at least two steps your CoC has taken in the past 12 months to engage city, county, or state governments that represent your CoC's geographic area regarding the following:	
1.	reforming zoning and land use policies to permit more housing development; and	
2.	reducing regulatory barriers to housing development.	

(limit 2,500 characters)

- 1, Rezoning and land use is not the problem in our COC. The lack of developers (money) and builders is the problem. Especially in remote America.
2. Regulatory barriers is also not the problem for the lack of affordable housing. It is developers and builders lack of interest. Why would a company owner who builds half million dollar home and is making money doing that, want to work on low income housing. We also have to address the lack of plumbers, electricians, roofers, etc. The builders are dependent on these professions also, and just because you are a builder does not mean you are lisences to be an electrician or plumber.

1E. Project Capacity, Review, and Ranking–Local Competition

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2024 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

1E-1.	Web Posting of Advance Public Notice of Your CoC's Local Competition Deadline, Scoring and Rating Criteria.	
	NOFO Section V.B.2.a. and 2.g.	

1.	Enter the date your CoC published its submission deadline and scoring and rating criteria for New Project applicants to submit their project applications for your CoC's local competition.	09/19/2024
2.	Enter the date your CoC published its submission deadline and scoring and rating criteria for Renewal Project applicants to submit their project applications for your CoC's local competition.	09/19/2024

1E-2.	Project Review and Ranking Process Your CoC Used in Its Local Competition. We use the response to this question and the response in Question 1E-2a along with the required attachments from both questions as a factor when determining your CoC's eligibility for bonus funds and for other NOFO criteria below.	
	NOFO Section V.B.2.a., 2.b., 2.c., 2.d., and 2.e.	

You must upload the Local Competition Scoring Tool attachment to the 4B. Attachments Screen.

Select yes or no in the chart below to indicate how your CoC ranked and selected project applications during your local competition:

1.	Established total points available for each project application type.	Yes
2.	At least 33 percent of the total points were based on objective criteria for the project application (e.g., cost effectiveness, timely draws, utilization rate, match, leverage), performance data, type of population served (e.g., DV, youth, Veterans, chronic homelessness), or type of housing proposed (e.g., PSH, RRH).	Yes
3.	At least 20 percent of the total points were based on system performance criteria for the project application (e.g., exits to permanent housing destinations, retention of permanent housing, length of time homeless, returns to homelessness).	Yes
4.	Provided points for projects that addressed specific severe barriers to housing and services.	Yes
5.	Used data from comparable databases to score projects submitted by victim service providers.	Yes

6.	Provided points for projects based on the degree the projects identified any barriers to participation (e.g., lack of outreach) faced by persons of different races and ethnicities, particularly those over-represented in the local homelessness population, and has taken or will take steps to eliminate the identified barriers.	Yes
----	---	-----

1E-2a.	Scored Project Forms for One Project from Your CoC's Local Competition. We use the response to this question and Question 1E-2. along with the required attachments from both questions as a factor when determining your CoC's eligibility for bonus funds and for other NOFO criteria below. NOFO Section V.B.2.a., 2.b., 2.c., and 2.d.	
--------	---	--

You must upload the Scored Forms for One Project attachment to the 4B. Attachments Screen.
Complete the chart below to provide details of your CoC's local competition:

1.	What were the maximum number of points available for the renewal project form(s)?	100
2.	How many renewal projects did your CoC submit?	3
3.	What renewal project type did most applicants use?	PH-PSH

1E-2b.	Addressing Severe Barriers in the Local Project Review and Ranking Process. NOFO Section V.B.2.d.	
--------	--	--

Describe in the field below:	
1.	how your CoC analyzed data regarding each project that has successfully housed program participants in permanent housing;
2.	how your CoC analyzed data regarding how long it takes to house people in permanent housing;
3.	how your CoC considered the specific severity of needs and vulnerabilities experienced by program participants preventing rapid placement in permanent housing or the ability to maintain permanent housing when your CoC ranked and selected projects; and
4.	the severe barriers your CoC considered.

(limit 2,500 characters)

1. We required a APR for each renewal to be submitted to the reviewers prior to ranking and scoring. These APR's gave most all the information we needed except for reading the actual application.

2. How long from contact to housing placement is included in each APR and it was a rating factor for our COC.

3. Each of our renewal project represent a different part of services to homeless. We have specialists in DV, mental health, and Substance Abuse Disorders as applicants for this competition. This places our COC in perfect position to either voluntarily or somehow ordered to service providers who otherwise may not have requested services. One doesn't think of a domestic violence and sexual assault agency providing housing services, and visa versa but we do!

4. Our biggest barrier is the lack of low income housing. In a city with a population of 20,000 there is only one low income housing complex in all of Woodward. Mental Health, substance abuse or domestic violence are not the barriers, but lack of housing. That is a process our COC is working on now.

1E-3.	Advancing Racial Equity through Participation of Over-Represented Populations in the Local Competition Review and Ranking Process.	
NOFO Section V.B.2.e.		
Describe in the field below:		
1.	how your CoC used input from persons of different races and ethnicities, particularly those over-represented in the local homelessness population, to determine the rating factors used to review project applications;	
2.	how your CoC included persons of different races and ethnicities, particularly those over-represented in the local homelessness population in the review, selection, and ranking process; and	
3.	how your CoC rated and ranked projects based on the degree that proposed projects identified any barriers to participation (e.g., lack of outreach) faced by persons of different races and ethnicities, particularly those over-represented in the local homelessness population, and steps the projects took or will take to eliminate the identified barriers.	

(limit 2,500 characters)

1. Our COC used the HUD rating and ranking tool provided to determine the rating factors for this year's competition. It had very little input regarding those over-represented in the homeless population.

2. Our COC is very small in the number of grants, but huge in area covered. Our ranking team only had three renewals and one new application to consider, so we did not require a large group to rank and score the applications. Two were chosen to rank and score by the full COC.

3. Our projects were ranked based on the issues required by HUD's ranking tool. Through our racial disparity analysis we determined we need female input, as that is the largest section of persons served, and LGBTQ+ was the other area we chose to assist with ranking the projects.

1E-4.	Reallocation—Reviewing Performance of Existing Projects.	
NOFO Section V.B.2.f.		
Describe in the field below:		
1.	your CoC's reallocation process, including how your CoC determined which projects are candidates for reallocation because they are low performing or less needed;	
2.	whether your CoC identified any low performing or less needed projects through the process described in element 1 of this question during your CoC's local competition this year;	
3.	whether your CoC reallocated any low performing or less needed projects during its local competition this year; and	
4.	why your CoC did not reallocate low performing or less needed projects during its local competition this year, if applicable.	

(limit 2,500 characters)

1. Our COC did not choose to reallocate any funds from low performing projects this year as there were no low performing projects. All APR's showed good utilization rates, and excellent outcomes rates.
2. We did not identify any low performing projects.
3. We did not reallocate any projects this year.
4. NA

1E-4a.	Reallocation Between FY 2019 and FY 2024.	
	NOFO Section V.B.2.f.	

	Did your CoC cumulatively reallocate at least 20 percent of its ARD between FY 2019 and FY 2024?	No

1E-5.	Projects Rejected/Reduced–Notification Outside of e-snaps.	
	NOFO Section V.B.2.g.	
	You must upload the Notification of Projects Rejected-Reduced attachment to the 4B. Attachments Screen.	

1.	Did your CoC reject any project application(s) submitted for funding during its local competition?	No
2.	Did your CoC reduce funding for any project application(s) submitted for funding during its local competition?	No
3.	Did your CoC inform applicants why your CoC rejected or reduced their project application(s) submitted for funding during its local competition?	No
4.	If you selected Yes for element 1 or element 2 of this question, enter the date your CoC notified applicants that their project applications were being rejected or reduced, in writing, outside of e-snaps. If you notified applicants on various dates, enter the latest date of any notification. For example, if you notified applicants on 06/26/2024, 06/27/2024, and 06/28/2024, then you must enter 06/28/2024.	

1E-5a.	Projects Accepted–Notification Outside of e-snaps.	
	NOFO Section V.B.2.g.	
	You must upload the Notification of Projects Accepted attachment to the 4B. Attachments Screen.	

	Enter the date your CoC notified project applicants that their project applications were accepted and ranked on the New and Renewal Priority Listings in writing, outside of e-snaps. If you notified applicants on various dates, enter the latest date of any notification. For example, if you notified applicants on 06/26/2024, 06/27/2024, and 06/28/2024, then you must enter 06/28/2024.	10/22/2024

2A-4.	Comparable Databases for DV Providers—CoC and HMIS Lead Supporting Data Collection and Data Submission by Victim Service Providers.	
	NOFO Section V.B.3.b.	

	In the field below:	
1.	describe actions your CoC and HMIS Lead have taken to ensure DV housing and service providers in your CoC collect data in HMIS comparable databases; and	
2.	state whether DV housing and service providers in your CoC are using a HUD-compliant comparable database—compliant with the FY 2024 HMIS Data Standards.	

(limit 2,500 characters)

1. This was completed years ago. prior to receiving funding each DV applicant must demonstrate they are already using a comparable data base, or agree to sign a contract with a provider who is HUD compliant. The only 3 DV providers in our continuum all use Empowerdb
2. Yes all DV providers that are funded use a compliant data base to track client level data which is compliant.

2A-5.	Bed Coverage Rate—Using HIC, HMIS Data—CoC Merger Bonus Points.	
	NOFO Section V.B.3.c. and V.B.7.	

Using the 2024 HDX Competition Report we issued your CoC, enter data in the chart below by project type:

Project Type	Adjusted Total Year-Round, Current Non-VSP Beds [Column F of HDX Report]	Adjusted Total Year-Round, Current VSP Beds [Column K of HDX Report]	Total Year-Round, Current, HMIS Beds and VSP Beds in an HMIS Comparable Database [Column M of HDX Report]	HMIS and Comparable Database Coverage Rate [Column O of HDX Report]

2B-3.	PIT Count–Effectively Counting Youth in Your CoC’s Most Recent Unsheltered PIT Count.	
	NOFO Section V.B.4.b.	

	Describe in the field below how your CoC:	
1.	engaged unaccompanied youth and youth serving organizations in your CoC’s most recent PIT count planning process;	
2.	worked with unaccompanied youth and youth serving organizations to select locations where homeless youth are most likely to be identified during your CoC’s most recent PIT count planning process; and	
3.	included youth experiencing homelessness as counters during your CoC’s most recent unsheltered PIT count.	

(limit 2,500 characters)

1. We were dependent upon El Reno Youth and Family Services and their volunteers to look out for this specific sub-population of homeless. Success was only marginal.
2. This agency was most aware of where to look for this population and provided the continuums guidance.
3. I can not say for sure that El Reno's volunteers were homeless youth. Each program learned from them where to look in each community, but I do not know all the volunteers that were used in all 19 counties.

2B-4.	PIT Count–Methodology Change–CoC Merger Bonus Points.	
	NOFO Section V.B.5.a and V.B.7.c.	

In the field below:	
1.	describe any changes your CoC made to your sheltered PIT count implementation, including methodology or data quality changes between 2023 and 2024, if applicable;
2.	describe any changes your CoC made to your unsheltered PIT count implementation, including methodology or data quality changes between 2023 and 2024, if applicable;
3.	describe whether your CoC's PIT count was affected by people displaced either from a natural disaster or seeking short-term shelter or housing assistance who recently arrived in your CoCs' geographic; and
4.	describe how the changes affected your CoC's PIT count results; or
5.	state "Not Applicable" if there were no changes or if you did not conduct an unsheltered PIT count in 2024.

(limit 2,500 characters)

1. We moved to a completely HMIS count for the sheltered PIT this year for the first time. Prior we used paper forms for each provider and counted upon them to be accurate. We now are positive the PIT sheltered count is accurate.
2. We made no changes to our unsheltered PIT count.
3. No our count was not affected by natural disasters or short term shelter seekers.
4. Our PIT count actually went down. We can not prove it but we believe this is mostly due to COVID funds running out and assistance provided to fewer persons.
5. Changes to sheltered PIT count only.

2C. System Performance

2C-1.	Reducing the Number of First Time Homeless—Risk Factors Your CoC Uses.	
	NOFO Section V.B.5.b.	
	In the field below:	
1.	describe how your CoC determined the risk factors to identify persons experiencing homelessness for the first time;	
2.	describe your CoC’s strategies to address individuals and families at risk of becoming homeless; and	
3.	provide the name of the organization or position title that is responsible for overseeing your CoC’s strategy to reduce the number of individuals and families experiencing homelessness for the first time	

(limit 2,500 characters)

1. Our determination of high risk factors was established at regular COC meetings. We determined our greatest risk factors to be mental health, domestic violence and those with substance abuse dependency.
2. Each of our projects in our continuum are specific population focused which serves as a great learning tool for all. One is a mental health provider, one is a domestic and sexual assault provider, and one is a substance abuse provider. Each of us can teach all how to identify, what techniques work well with different populations, etc.
3. Cory Swearingym. COCAA

2C-1a.	Impact of Displaced Persons on Number of First Time Homeless.	
	NOFO Section V.B.5.b	
	Was your CoC’s Number of First Time Homeless [metric 5.2] affected by the number of persons seeking short-term shelter or housing assistance displaced due to:	
1.	natural disasters?	No
2.	having recently arrived in your CoC’s geographic area?	No

2C-2.	Reducing Length of Time Homeless—CoC's Strategy.	
	NOFO Section V.B.5.c.	
	In the field below:	
1.	describe your CoC's strategy to reduce the length of time individuals and persons in families remain homeless;	
2.	describe how your CoC identifies and houses individuals and persons in families with the longest lengths of time homeless; and	
3.	provide the name of the organization or position title that is responsible for overseeing your CoC's strategy to reduce the length of time individuals and families remain homeless.	

(limit 2,500 characters)

Our continuum's length of time homeless is extremely short. We require that our ESG contractors and COC grantees to work together, and have the ESG contractors provide emergency shelter through hotel motel vouchers or actual shelters once identified by any screening agency.
 2. We house first based upon their VI-SPDAT scores, of which length of time homeless is scored heavier than other factors, and immediately begin working with them to find independent housing while using emergency shelters to keep them off the streets or out of their cars.
 3. Cory Swearingym. COCAA

2C-3.	Successful Permanent Housing Placement or Retention –CoC's Strategy.	
	NOFO Section V.B.5.d.	
	In the field below:	
1.	describe your CoC's strategy to increase the rate that individuals and persons in families residing in emergency shelter, safe havens, transitional housing, and rapid rehousing exit to permanent housing destinations;	
2.	describe your CoC's strategy to increase the rate that individuals and persons in families residing in permanent housing projects retain their permanent housing or exit to permanent housing destinations; and	
3.	provide the name of the organization or position title that is responsible for overseeing your CoC's strategy to increase the rate that individuals and families exit to or retain permanent housing.	

(limit 2,500 characters)

1. Our strategy is the same as described above. We use good wrap around services to address barriers to permanent housing such as lack of income. Section 8 vouchers, Housing Choice vouchers, which our continuum got NONE, generous and risk taking landlords are also used to permanently house individuals and families.
 2. Wrap around services again. Good support while in TH, PSH, and even emergency shelter assist the homeless with coping with the stress of taking care of a home, paying bills, shopping, cooking, etc. These are all issues that can be overwhelming when you are not used to having these responsibilities.
 3. Cory Swearingym. COCAA

2C-4.	Reducing Returns to Homelessness—CoC’s Strategy.	
	NOFO Section V.B.5.e.	
	In the field below:	
	1. describe your CoC’s strategy to identify individuals and families who return to homelessness;	
	2. describe your CoC’s strategy to reduce the rate that individuals and families return to homelessness; and	
	3. provide the name of the organization or position title that is responsible for overseeing your CoC’s strategy to reduce the rate individuals and persons in families return to homelessness.	

(limit 2,500 characters)

1. This is also a very difficult task to accomplish. Follow-up is the best strategy we have found. Even when the client says they are good to go every project still checks back in within 3 months to make sure no additional resources are needed.
2. We do not put a ton of effort into this part of strategy as our returns to homeless rate is extremely low. This is not to say that follow-up is not needed or effective, but we don't need any additional strategy. Follow-up is key.
3. Cory Swearingym. COCAA

2C-5.	Increasing Employment Cash Income—CoC’s Strategy.	
	NOFO Section V.B.5.f.	
	In the field below:	
	1. describe your CoC’s strategy to access employment cash sources;	
	2. describe how your CoC works with mainstream employment organizations to help individuals and families experiencing homelessness increase their employment cash income; and	
	3. provide the organization name or position title that is responsible for overseeing your CoC’s strategy to increase income from employment.	

(limit 2,500 characters)

1. Our best strategy is to be creative. Several projects have found business owners in their communities who are sympathetic to the needs of homeless persons and will offer them employment on a temporary basis. We also use Workforce Ok and Work Ready to provide intensive job orientation and training above what case manager's are capable with.
2. Same answer as above, it combine the strategy and actual procedure.
3. Angela Wernke. HOPE CSI

2C-5a.	Increasing Non-employment Cash Income—CoC’s Strategy	
	NOFO Section V.B.5.f.	
	In the field below:	
	1. describe your CoC’s strategy to access non-employment cash income; and	
	2. provide the organization name or position title that is responsible for overseeing your CoC’s strategy to increase non-employment cash income.	

(limit 2,500 characters)

1. Our strategy is to require all case managers of ESG and COC fund receive SOAR training within 6 months of employment.
2. Angela Wernke. HOPE CSI

3B-1.	Rehabilitation/New Construction Costs–New Projects.	
	NOFO Section V.B.1.r.	

Is your CoC requesting funding for any new project application requesting \$200,000 or more in funding for housing rehabilitation or new construction?	No
--	----

3B-2.	Rehabilitation/New Construction Costs–New Projects.	
	NOFO Section V.B.1.r.	

If you answered yes to question 3B-1, describe in the field below actions CoC Program-funded project applicants will take to comply with:

1.	Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u); and
2.	HUD’s implementing rules at 24 CFR part 75 to provide employment and training opportunities for low- and very-low-income persons, as well as contracting and other economic opportunities for businesses that provide economic opportunities to low- and very-low-income persons.

3C-2.	Cost Effectiveness of Serving Persons Experiencing Homelessness as Defined by Other Federal Statutes.	
	NOFO Section V.F.	

You must upload the Project List for Other Federal Statutes attachment to the 4B. Attachments Screen.

If you answered yes to question 3C-1, describe in the field below:

1.	how serving this population is of equal or greater priority, which means that it is equally or more cost effective in meeting the overall goals and objectives of the plan submitted under Section 427(b)(1)(B) of the Act, especially with respect to children and unaccompanied youth than serving the homeless as defined in paragraphs (1), (2), and (4) of the definition of homeless in 24 CFR 578.3; and
2.	how your CoC will meet requirements described in Section 427(b)(1)(F) of the Act.

	Did your CoC submit one or more new project applications for DV Bonus Funding?		Yes
--	--	--	-----

4A-1a.	DV Bonus Project Types.	
	NOFO Section I.B.3.j.	

Select yes or no in the chart below to indicate the type(s) of new DV Bonus project(s) your CoC included in its FY 2024 Priority Listing.

	Project Type	
1.	SSO Coordinated Entry	No
2.	PH-RRH or Joint TH and PH-RRH Component	Yes

You must click "Save" after selecting Yes for element 1 SSO Coordinated Entry to view questions 4A-2, 4A-2a. and 4A-2b.

4A-3.	Data Assessing Need for New DV Bonus Housing Projects in Your CoC's Geographic Area.	
	NOFO Section I.B.3.j.(1)(c) and I.B.3.j.(3)(c)	

1.	Enter the number of survivors that need housing or services:	225
2.	Enter the number of survivors your CoC is currently serving:	200
3.	Unmet Need:	25

4A-3a.	How Your CoC Calculated Local Need for New DV Bonus Housing Projects.	
	NOFO Section I.B.3.j.(1)(c)	
	Describe in the field below:	
	1. how your CoC calculated the number of DV survivors needing housing or services in question 4A-3 element 1 and element 2; and	
	2. the data source (e.g., comparable databases, other administrative data, external data source, HMIS for non-DV projects); or	
	3. if your CoC is unable to meet the needs of all survivors please explain in your response all barriers to meeting those needs.	

(limit 2,500 characters)

1. These numbers come directly from NWDCS, Inc and not the COC numbers. NWDCS, Inc covers most of the COC as 1 of only three DV service providers in the COC. The other two agencies are 3 and 4 hours away and not interested in applying for COC dollars. These numbers are from FYE24 of NWDCS clients.
2. Empowerdb is the source for total clients housed. This is only the shelter component. For all services NWDCS, Inc. assist 542 persons with services.
3. Location and available affordable housing are the barriers most evident in the COC to warrant this application.

4A-3b.	Information About Unique Project Applicant Requesting New DV Bonus Housing Project(s).	
	NOFO Section I.B.3.j.(1)	
	Use the list feature icon to enter information on each unique project applicant applying for New PH-RRH and Joint TH and PH-RRH Component DV Bonus projects—only enter project applicant information once, regardless of how many DV Bonus projects that applicant is applying for.

Project Applicants Applying for New PH-RRH and Joint TH and PH-RRH DV Bonus Projects

4A-3b.	Information About Unique Project Applicant Requesting New DV Bonus Housing Project(s).	
	NOFO Section I.B.3.j.(1)	

Enter information in the chart below on the project applicant that applied for one or more New DV Bonus housing projects included on your CoC's FY 2024 Priority Listing for New Projects:

1.	Applicant Name	NW Domestic Crisis Services, Inc.
2.	Rate of Housing Placement of DV Survivors–Percentage	75%
3.	Rate of Housing Retention of DV Survivors–Percentage	75%

4A-3b.1.	Applicant's Housing Placement and Retention Data Explanation.	
	NOFO Section I.B.3.j.(1)(d)	

For the rate of housing placement and rate of housing retention of DV survivors reported in question 4B-3b., describe in the field below:

1.	how the project applicant calculated the rate of housing placement;
2.	whether the rate for housing placement accounts for exits to safe housing destinations;
3.	how the project applicant calculated the rate of housing retention; and
4.	the data source (e.g., comparable databases, other administrative data, external data source, HMIS for non-DV projects).

(limit 1,500 characters)

The 75% rate was calculated based on numbers of clients out of emergency shelter and PSH that obtained permanent housing for at least 6 month of follow-up. This is saying 75% of the nwdcs clients move to their own housing, and of that 75%, an additional 75% of those do not return to their abuser or loose their housing.

2. No this rate does not account for exits to safe housing destinations, only permanent housing.
3. Follow-up with clients.
4. Empowerdb and case managers follow-ups.

4A-3c.	Applicant's Experience Housing DV Survivors.	
	NOFO Section I.B.3.j.(1)(d)	

Describe in the field below how the project applicant:

1.	ensured DV survivors experiencing homelessness were quickly moved into safe affordable housing;
2.	prioritized survivors—you must address the process the project applicant used, e.g., Coordinated Entry, prioritization list, CoC's emergency transfer plan;
3.	determined survivors' supportive services needs;

4.	connected survivors to supportive services; and
5.	moved survivors from assisted housing to housing they could sustain—address housing stability after the housing subsidy ends.

(limit 2,500 characters)

1. NWDCS, Inc has over 40 years experience providing services to DV victims, and operate 2 twenty four hour shelters, a PSH project, and 2 other complexes and have the numbers to back up their claim regarding short emergency shelter stays in their data base prior to placements in permanent housing.
2. The VI-SPDAT and staff observations of victims is used to prioritize victims.
3. In the field of domestic and sexual violence work, trauma informed, client centered services means the client determines their supportive service needs, no the project.
4. This applicant is a domestic and sexual violence service agency, so the connection is automatic.
5. This is different even within this one agency regarding sustainability. Each client is different and have different skills and needs and take different approaches to finding ways to achieve sustainability. Example. NWDCS, Inc. had a client who wished to obtain her nursing certificate. She needed 9 months to complete this to make herself more marketable. She was allowed to stay in one of the vacant apartments the agency owns until she could complete her degree. Upon completion she moved to her own home and works at the hospital.

4A-3d.	Applicant's Experience in Ensuring DV Survivors' Safety.	
	NOFO Section I.B.3.j.(1)(d)	
	Describe in the field below examples of how the project applicant ensured the safety and confidentiality of DV survivors experiencing homelessness by:	
1.	taking steps to ensure privacy/confidentiality during the intake and interview process to minimize potential coercion of survivors;	
2.	making determinations and placements into safe housing;	
3.	keeping survivors' information and locations confidential;	
4.	training staff on safety and confidentiality policies and practices; and	
5.	taking security measures for units (congregate or scattered site), that support survivors' physical safety and location confidentiality.	

(limit 2,500 characters)

1. Intake with survivors is ALWAYS completed in privacy. To do otherwise would be a violation of Oklahoma Law.
2. The client determines when they feel safe making placements in individual housing and permanency. The client determines where they will be safe living, not the staff. Again this goes back to trauma informed, client centered services.
3. Again, this is state law. We acknowledge no one as a DV client in any manner without specific written release from the client. The locations of the shelters are also confidential.
4. All employees of NWDCS, Inc. are required to attend 40 hours of training on topics of ethics, confidentiality, civil rights, safety planning, etc. and even more training if they will be assisting clients with EPO's or SANE exams.
5. Again, this is determined by the client regarding what they need to feel safe in a new home. NWDCS, Inc will assist with any needed safety procedure provided it is not financially prohibitive.

4A-3d.1.	Applicant's Experience in Evaluating Its Ability to Ensure DV Survivors' Safety.	
	NOFO Section I.B.3.j.(1)(d)	

Describe in the field below how the project evaluated its ability to ensure the safety of DV survivors the project served in the project, including any areas identified for improvement throughout the project's operation.

(limit 2,500 characters)

NWDCS, Inc. is the only Attorney General Certified Agency in the 10 northwest counties who is authorized to provide DV/SA services. This is state law. NWDCS, Inc has been providing services and keeping DV victims alive for over 40 years. The current director has over 30 years experience with this agency. They follow all certification standards from the AG's office which covers safety, confidentiality, rights, grievances, accommodations, laundry and bathing facilities etc. They are also monitored by fire marshall and health departments regarding physical environments. NWDCS, Inc is the go to agency in Oklahoma if you have a client that need to hide while law enforcement finds and deals with the perpetrator.

4A-3e.	Applicant's Experience in Placing and Stabilizing Survivors in Permanent Housing Using Trauma-Informed, Survivor-Centered Approaches.	
	NOFO Section I.B.3.j.(1)(d)	

Describe in the field below the project applicant's experience in:

1.	prioritizing placement and stabilization of survivors;
2.	placing survivors in permanent housing;
3.	placing and stabilizing survivors consistent with their preferences; and
4.	placing and stabilizing survivors consistent with their stated needs.

(limit 2,500 characters)

1. 40 years experience meeting this requirement.
2. 25 years experience in this requirement.
3. 25 years experience with this philosophy of meeting the needs of victims and survivors.
4. Client centered means the client chooses where their new home will be.

4A-3f.	Applicant's Experience in Trauma-Informed, Survivor-Centered Approaches.	
	NOFO Section I.B.3.j.(1)(d)	

Describe in the field below examples of the project applicant's experience using trauma-informed, victim-centered approaches to meet needs of DV survivors by:

1.	establishing and maintaining an environment of agency and mutual respect, e.g., the project does not use punitive interventions, ensures survivors and staff interactions are based on equality, and minimize power differentials;
2.	providing survivors access to information on trauma, e.g., training staff on providing survivors with information on the effects of trauma;

3.	emphasizing survivors' strengths, e.g., strength-based coaching, questionnaires and assessment tools include strength-based measures, case plans worked towards survivor-defined goals and aspirations;
4.	centering on cultural responsiveness and inclusivity, e.g., training on equal access, cultural competence, nondiscrimination, language access, improving services to be culturally responsive, accessible, and trauma-informed;
5.	providing a variety of opportunities for survivors' connections, e.g., groups, mentorships, peer-to-peer, spiritual needs; and
6.	offering support for survivor parenting, e.g., trauma-informed parenting classes, childcare, connections to legal services.

(limit 5,000 characters)

1. NWDCS, Inc just completed their tri annual certification from the Attorney General's office and scored a 94% the first time out! Respect and empowerment are the foundation of services at NWDCS, for clients, staff, board members, and volunteers.
2. NWDCS, Inc. has a therapist on staff, and all staff receive training on trauma and can hold a conversation with any client about the effects of trauma on not only themselves, but their children. This is part of the mandated training from the Attorney General's Office. State Law.
3. The survivors determine their own empowerment plans with their advocate. They know themselves, children, and abuser better than anyone. They know where and when they are safe for the most part. The adovcate is supportive to the victims to identify strengths to build upon, as well as supporting dreams they may have. NWDCS, Inc. offers hope were that victim may never have had any.
4. NWDCS, Inc has policies on cultural competence, nondiscrimination, LEP, trauma informed, and all are implemented by procedure. Our clients are very diverse including Natives, Hispanics, Asians, Black, LGBT+ and all advocates must be competant in learning cultural needs of the survivors.
5. NWDCS, Inc offers emergency shelter, safety planning, individual and group counseling, food, clothing, personal needs, limited medical assistance, emergency transportation, children's services, and civil legal assistance so long as funding lasts for that project.
6. NWDCS, Inc does offer limited civil legal assistance

4A-3g.	Applicant's Experience Meeting Service Needs of DV Survivors.	
	NOFO Section I.B.3.j.(1)(d)	

Describe in the field below examples of supportive services the project provided to domestic violence survivors while quickly moving them into permanent housing and addressing their safety needs.

(limit 5,000 characters)

There are many examples of services to victims. One is providing safety planning for every crisis intervention call or face to face the agency sees. Advocates can provide examples for the victim of type of abuse, as many victims tend to minimize behaviors of the one who is supposed to love them. Assisting the client with a safety plan can greatly increase the likelihood they will at a minimum seek additional services, and many times that is emergency shelter. At that point the client is fleeing domestic violence and housing can sometimes be very smooth. NWDCS, Inc can assist with RRH from ESG funds to help pay the clients utility deposits or rent etc. in a new place, and with all supportive services can be independent within sometimes as little as 6 months,

Another example of quickly moving to permanent housing quickly is the use of the agency's collaborations with Catholic Charities, Salvation Army, or The Day Center should additional funds be needed to assist the victim move out of emergency shelter and into their own home provided it is safe for the victims to do so.

4A-3h.	Applicant's Plan for Placing and Stabilizing Survivors in Permanent Housing Using Trauma-Informed, Survivor-Centered Approaches in the New DV Bonus Housing Project(s).	
NOFO Section I.B.3.j.(1)(e)		
Describe in the field below how the project(s) will:		
1.	prioritize placement and stabilization of program participants;	
2.	place program participants in permanent housing;	
3.	place and stabilize program participants consistent with their preferences; and	
4.	place and stabilize program participants consistent with their stated needs.	

(limit 2,500 characters)

1. NWDCS, Inc uses the VI=SPDAT to prioritize survivors the same as general population homeless. This accounts for additional need the client may have which are greater than anothers.
2. Client choose what their housing needs to look like and what location they need their home to be in regards to work, school, family, etc. Sometimes NWDCS, Inc. has openings in their PSH project and they can move to that housing, other times the agency has to use ESG funds, collaborators funds, to obtain a rent house or apartment for that family.
3. The client decides what services and housing they need and can afford. We do work on budgeting with them to reinforce the need to plan and budget to pay their bills once housed.
4. Again, the client chooses what their needs are. Is it transportation, medical needs, education and employment needs, etc.

4A-3i.	Applicant's Plan for Administering Trauma-Informed, Survivor-Centered Practices in the New DV Bonus Housing Project(s).	
NOFO Section I.B.3.j.(1)(e)		
Describe in the field below examples of how the new project(s) will:		
1.	establish and maintain an environment of agency and mutual respect, e.g., the project does not use punitive interventions, ensures program participant and staff interactions are based on equality, and minimize power differentials;	

2.	provide program participants access to information on trauma, e.g., training staff on providing program participants with information on the effects of trauma;
3.	emphasize program participants' strengths—for example, strength-based coaching, questionnaires and assessment tools include strength-based measures, case plans work towards survivor-defined goals and aspirations;
4.	center on cultural responsiveness and inclusivity, e.g., training on equal access, cultural competence, nondiscrimination, language access, improving services to be culturally responsive, accessible, and trauma-informed;
5.	provide a variety of opportunities for program participants' connections, e.g., groups, mentorships, peer-to-peer, spiritual needs; and
6.	offer support for survivor parenting, e.g., trauma-informed parenting classes, childcare, connections to legal services.

(limit 5,000 characters)

1. Trauma informed, client centered services may be new to HUD, but in the domestic violence and sexual assault world we have been operating under these guiding principles for over 20 years. NWDCS, Inc lets the client lead the direction of most all conversations.
2. Each client of NWDCS, Inc receives a packet of resource materials and applications which every advocate goes through with the client to ensure they understand what all is available to them, and how best to apply for assistance if needed.
3. Survivors determine their empowerment plan contents. Advocates (case managers) can offer additional insight to the client, but if the client does not want that resource they are certainly free to refuse those resources, and sometimes do.
4. Standard training for all advocates of all DV agencies in the State of Oklahoma are determined by the Attorney General's office through the standards and criteria for certification. All agencies must be certified by the Attorney General's office to provide DV or SA services. For NWDCS, Inc. these are all accomplished in the initial 40 required training. Included are confidentiality, rights, nondiscrimination, LEP, cultural competency, trauma informed, client centered, physical environment, client file content, grievances, civil rights, etc.
5. NWDCS, Inc. offers food shelter, clothing, parenting education, individual and group counseling, safety planning, educational opportunities, education and employment readiness. etc.
6. NWDCS, Inc also offers non-offending parenting classes, emergency transportation, and limited civil legal assistance.

4A-3j.	Applicant's Plan for Involving Survivors in Policy and Program Development, Operations, and Evaluation in the New DV Bonus Housing Project(s).	
	NOFO Section I.B.3.j.(1)(f)	

Describe in the field below how the new project will involve survivors:

1.	with a range of lived expertise; and
2.	in policy and program development throughout the project's operation.

(limit 2,500 characters)

1. NWDCS, Inc has numerous means for survivors to be involved. The current executive director is an adult survivor, and two of the shelter advocates are former clients themselves. Additionally the coordinator of the Alva PSH project is a former client and lived in that project through getting her college degree, which was free to her through a collaboration with NWOSU, moving on to working for probation and parole, and then finally coming back to the agency to fulfill her dreams of running that project.

2. NWDCS, Inc uses client satisfaction survey's and exit interviews to constantly improve services to survivors. The agency also requires that at least one member of the board of director's be a former survivor.

4B. Attachments Screen For All Application Questions

We have provided the following guidance to help you successfully upload attachments and get maximum points:

1. You must include a Document Description for each attachment you upload; if you do not, the Submission Summary screen will display a red X indicating the submission is incomplete.
2. You must upload an attachment for each document listed where 'Required?' is 'Yes'.
3. We prefer that you use PDF files, though other file types are supported—please only use zip files if necessary. Converting electronic files to PDF, rather than printing documents and scanning them, often produces higher quality images. Many systems allow you to create PDF files as a Print option. If you are unfamiliar with this process, you should consult your IT Support or search for information on Google or YouTube.
4. Attachments must match the questions they are associated with.
5. Only upload documents responsive to the questions posed—including other material slows down the review process, which ultimately slows down the funding process.
6. If you cannot read the attachment, it is likely we cannot read it either.
 - . We must be able to read the date and time on attachments requiring system-generated dates and times, (e.g., a screenshot displaying the time and date of the public posting using your desktop calendar; screenshot of a webpage that indicates date and time).
 - . We must be able to read everything you want us to consider in any attachment.
7. After you upload each attachment, use the Download feature to access and check the attachment to ensure it matches the required Document Type and to ensure it contains all pages you intend to include.
8. Only use the "Other" attachment option to meet an attachment requirement that is not otherwise listed in these detailed instructions.

Greetings all members,

Attached is the COC application for your review. I would really like to submit tomorrow with all the applications, and you already know what the rank and scores are! So would the voting delegates from each sub-region please do a reply all to approve this application. These voting delegates are: East Central - Cory, Central - Angela, Red Carpet - Shanna, and Panhandle - Christina.

If I can have these votes by tomorrow it would be great!

Thank you all so much for your assistance.

Greetings all members,

Attached is the COC application for your review. I would really like to submit tomorrow with all the applications, and you already know what the rank and scores are! So would the voting delegates from each sub-region please do a reply all to approve this application. These voting delegates are: East Central - Cory, Central - Angela, Red Carpet - Shanna, and Panhandle - Christina.

If I can have these votes by tomorrow it would be great!

Thank you all so much for your assistance.

Paul
