

School District Conducting Swimming Pool Feasibility Study

**By Assistant Publisher/Editor
Nick Trandahl**

During the November 5th monthly meeting of the Weston County School District No. 7 (WCSD7) Trustees, a short discussion was held on the ongoing issue of the Upton Swimming Pool. Owned and operated by the School District, the old Upton Pool was forced to shut its doors last summer when severe structural deficiencies were discovered, which rendered the Pool incapable of opening to the public.
