

# HOME LEARNING

Hello Year 5,

We are missing you all but I hope you and your family are all well. Remember to balance your day with lots of fun time, art/craft, exercise, and relaxation too! Try hard but just do what you can manage and don't worry if you can't complete everything. It is just a guide for you and your adults at home, so go at your own pace. We look forward to receiving some messages here are our school email addresses:

## **English**

### **Reading**

- Bugclub – read the texts and answer the questions online.

### **Writing Challenge**

- Can you write detailed instructions on how to play your favourite game (not a video game) or how to make your favourite meal? This could be a simple game like three in a row or something more challenging like how to play chess. Make sure you use imperative verbs (bossy verbs) to help make your instructions detailed. Once you have written them, test out the quality by challenging someone in your house to read them and play along or correctly make your food.

## Spellings

- Spellings Group A - (Mrs Jones/Mrs Bevan's group) practise words with the 'tious' pattern such as: nutritious, ambitious, cautious, fictitious, scrumptious, superstitious, infectious.
- Spellings Group B - (Mrs Massey/Mrs Bovell's group) practise words with the 'aw' pattern such as: draw, drawn, saw, raw, hawk, squawk, dawn, claw, yawn, prawn, crawl, scrawl

## Science

This week, create a fact file sheet about solid, liquids and gases. What are the main differences? How can we separate a solid and liquid? How can we separate two solids? What is a reversible change? What is an irreversible change? Can you think of 10 everyday examples of these changes?

## Geography - The Americas

A Holiday Brochure

Continue this project with the following tasks:  
Plan a journey to the country of your choice and create an itinerary

This would take into account the most suitable mode of transport, when to leave, where to leave from, the route to take and the time it would take to take this route, time, name and location of destination airport, station, port etc.

Use online resources, books and atlases to help your research. Present this information in appropriate way ie, ICT, poster, written work, chart, timetable.

Useful vocabulary might include: holiday, destination, travel, resort, city, town, airport, station, port, journey, arrival, departure, duration, estimated, flight, sailing/crossing.

## Get Active

NORTHAMPTONSHIRE VIRTUAL SCHOOL GAMES - this week it's Gymnastics Challenges!
